Centaur Liniment. There is no pain which the Centaur Liniment will not relieve, no swelling it will not subdue, and no lameness which it will not cure. This is strong language, but it is true. Where the parts are not gone, its effects are marvellous. It has produced more cures of rheumatism, neuralgia, lock-jaw, palsy, sprains, more cures of rheumatism, neu-ralgia, lock-jaw, palsy, sprains swellings, ear-ache, caked-breasts, scalds,

burns, salt-rheum, &c., upon the human frame, and of strains, spavin, galls, &c., upon animals in one year than have al other pretended remedies since the world began. It is a counter-irritant, an all-healing pain-reliever. Cripples throw away their crutches, the fame walk, poisonous bites are rendered harmless, and the wounded are healed without a sear. It is no humbug. The recipe is selling as no article ever before sold, and it sells because it does just what it pretends to do These who now suffer from rheumatism, pain or swelling deserve to suffer if they will not use Centaur Liniment, more than 1000 certificates of remarkable cures, including frozen limbs chronic-rheumatism, gout, running tumours, &c. have been received. We will send a circular containing certificates, the recipe, &c., gratis to to any one requesting it. One bottle of the yellow wrapper Centaur Liniment is worth one hundred dollars for foundered or sweenied horses and nuiles, or for screw-worm in sheep.-Stock-owners-this liniment is worth your at tention. No family should be without Centaur Liniment. J. B. Rose & Co., New York. 46-1y
