AGENTS FLOWER.
The most miserable beings in the world are those suffering from dyspepsia and Liver Complaint. More than seventy-five per cent of all our diseases are caused by these two ailments, and their effect is such as to impair the system, and render the patient unable to do any kind of work. It is a fact that many of our best men and women are suffering from these ailments, and are unable to do any kind of work. It is a fact that many of our best men and women are suffering from these ailments, and are unable to do any kind of work. It is a fact that many of our best men and women are suffering from these ailments, and are unable to do any kind of work.

CUT THIS OUT!
It may save your life.
There is no person living but what suffers from some ailment of the stomach, liver, or bowels, or consumption, yet who would rather die than pay 25 cents for a bottle of medicine that will cure them. Dr. A. J. Woodbury's German Syrup has lately been introduced in this country, and it is a fact that many of our best men and women are suffering from these ailments, and are unable to do any kind of work. It is a fact that many of our best men and women are suffering from these ailments, and are unable to do any kind of work.

Our English friend Mr. Young, of Weeping Water, has friends come from over the water, we see. Regular 'old Englishers; honest and capable looking; they are thought, and we hope Mr. Young can settle them around him here in Cass county, in fact we are sure they will fare better here in the end than by going farther from markets, mails and home, for cheaper lands.

Cheap, cheap, cheaper than the cheapest. Those Boots and Shoes at Merges' Shoe Store.

The Herald rather thinks it has the heels of Captain Payne, if he attempts to shout third term on us next fall or at any time.

The Captain by the way pretends to be afraid of Grant's despotism and third term, may be there is danger, but Cap. turned in and helped elect a third term Mayor and Treasurer this spring. What's sauce for the Goose ought to be sauce for the Gander.

DIED.
At his residence, in Plattsmouth, Neb., at 10 o'clock a. m., on April 23rd, 1875, H. D. Fox, aged 27 years, 9 months, and 20 days. The death of H. D. Fox, our well-known correspondent, last Monday, was very sudden. He had been up and on the streets Thursday, and scarcely any one was aware of his sickness. We shall miss his pleasant face from our streets, his readiness to oblige and willingness to help others will long be remembered. His funeral took place Tuesday and was largely attended.

Mr. Benjamin W. Briggs, lately of Illinois, but now of South Bend, Neb., called on the Herald yesterday. Mr. Briggs has lately moved to Neb. and we wish him great success.

CAN YOU READ IT?
As you ascend the stairs to the Herald office the rear door on the right hand side of the passage has "HERALD OFFICE" on two separate cards, tacked to the door. In front of your nose by the little window it says "This room for business," evidently meaning the right hand door and not the left hand.

On the door to the left it says, "Herald office work room! No admittance except on business," which means that you should have serious business with the employes there before you disturb them, or that you have not been able to find any one in the Editorial room. Running up to the work room to chat with the boys, or stand round in the way especially on Press days will make any editor mad, and some day you will watch Hal Columbia some day if you don't quit this trick.

ATTENTION FARMERS.
