A Card to the Public. For many years we have made two medicines suited to the ailments of a vast class of sufferers. Thousands of cures have been made by them, and, in fact, the world failure could not be coupled with them. But within the last two years counterfeiters of our medicine have sprung up, dangerous in their close imitation of our Trade Mark. To secure the people we have placed upon each genuine bottle of our medicine the fac simile of the signature of our agent, Mr. Jos. Haydock. To counterfeit is felony. We shall relentlessly pursue any one who imitates this with the utmost vigor of the law. We most earnestly beg that the great mass of the American people will aid us in our efforts to protect their health, and help us in our task of bringing these most untried men to the bar of justice. Uniformly refuse to purchase Medicines purporting to be ours unless Mr. Jos. Haydock's signature is attached to each box of Pills or pot of Ointment and the end will soon be reached.
