

THE HERALD.

J. A. MACMURPHY, EDITOR

PLATTSMOUTH, MARCH 28, 1878.

The Republican and Herald of Omaha have been enlarging to nine column sheets.

SECRETARY SCHURZ has been quite ill and was not allowed to go to his office on Tuesday.

The Peace Congress is along, while all Europe is quietly buying arms, securing ammunition and strengthening forces.

Another friend in the country writes: "We want to see the face of our old Plattsmouth friend, the HERALD, once a week."

COL. ANTHONY, of Leavenworth, is confirmed as Postmaster, and is the most prominent candidate for Governor of the State.

BISHOP TALBOT, formerly bishop of this diocese, had an attack of apoplexy on the 20th inst., at Indianapolis, Indiana being now his bishopric.

AND now come the papers and inform us that Col. Chase, of Omaha, will be one of the most prominent and strongest candidates for Governor.

NEW YORK wants the "Bell punch law"—Cincinnati howls for it, and it won't be long until Plattsmouth and all large cities have the tinkling bell in force.

GOV. GAMBER, who has been making a tour of the Western countries in the State says the prospect for a large wheat-crop is the most promising for years.

WHAT'S the matter with Ashby now? The Blair Pilot is after him again No "Hannah Level," or any other nonsense in Hilton when he starts fair after a chap.

A TELEGRAM from Paris, 26th thinks the Congress has failed from England's refusal to be present unless the whole terms of the treaty between Russia and Turkey were submitted.

The International walking race at London was won by O'Leary, a Chicago American—no relation to Mrs. O'Leary's cow—but now the champion walkist of the Universe, &c.

SENATOR HOWE, of Wisconsin has opened a protracted meeting in the Senate Chamber, on the effects of President Hayes' Southern Policy. He had a crowded congregation in the galleries Monday.

THE following head-line appeared in the Bee: A BLINDING SNOW STORM. O'Leary has been challenged again for \$2,500 by Wm. Howes.

CHICAGO has the Moffet bell-punch fever bad, and advocates it for that city. Why wouldn't it be a good thing for Plattsmouth? Come City Councilmen, give us the Moffet Whisky bell-punch. Every fellow as gets a drink pays 2 cents to the city fund and clock-work keeps the tally.

THE Seward Reporter has a good deal to say about our coming State Officers. It thinks Hon. F. M. Davis, Land Commissioner, ought to be re-nominated, as he has shown admirable skill in organizing that department. Also that the candidate for governor must be a man and not merely a "good fellow."

THEY do say that M. B. Cutler, our old Sheriff, who emigrated to Greenwood is just making the fattest kind of a farmer, with his straw hat jammed down over his eyes, his red silk handkerchief fluttering in the wind and his heavy arms bared to the elbow he plants the golden wheat and sows the silver corn in rows and drills as mathematically correct as the crow flies.

EASTERN people would get the impression from the reports of the recent severe storm that all of Nebraska suffered, whereas only the western portion felt it at all and the storm was principally in Wyoming and Colorado. Eastern Nebraska having only a rain storm, which brought out the buds on the trees and caused the grass to spring up almost as by magic.

SENATORS Paddock and Saunders are having quite a bout with Eastern Senators, about the "Timber culture Act" now proposed. Some of the Wisacres thought the bill was too liberal, others that cottonwood, willow and poplar ought to be prohibited and lots of other nonsense.

OUR Senators proved that a man fairly earned the land who would keep trees growing ten years and that each settler "out west" had sense enough to know what kind of trees he needed or were most profitable better than some old granny "down east."

"Tall me I hate the bowl,— 'Tis a foul, my very soul, I loathe, ah, my very soul, By strong disgust is stirred When'er I see, or hear, or tell Of the dark beverage of HELL!" The Red Cloud Chief has the above, and it's the worst spell of h—ot weather we have seen yet.

A Great Disaster.

On the 23d inst. a sudden storm struck and capsized the steamer Eurydice, off the coast of England near the Isle of Wight. There are but two survivors of the 320 persons on board. In consequence of a strong ebb tide at the time, the bodies are not expected to come ashore. All hands were mustered on deck for prayers at the time of the disaster. But for a passing schooner nothing would have been known of the disaster, as everything on the sea was hidden from those on shore. The schooner Emma passing the Eurydice at the time rescued five persons, including Lieut. Francis H. Tabor, after they had been an hour in the water. Three of these died, so the only survivors of the disaster are Benj. Cuddiford, able seaman, and Sidney Fletcher, first class boy.

At the time of going to press, no public action has been taken on our City affairs. It is thought by many that the old officers, Mayor, Treasurer and Clerk, should be re-nominated. We do not believe the City could do better. There are important matters connected with our finances that need the careful attention of careful men.

New men coming in would have to study the points all up again, and by the time they got ready to act, their time of service would be over. The HERALD is decidedly in favor of the old members thus far. This year settles the matter whether Plattsmouth remains a city or not. It is of the highest importance that the offices be filled by those whom thinking people trust.

In the wards the trial will be, we presume, between high license and low. That is all well enough; in other cases we are likely to get enough good business men elected, who in connection with those holding over, will form a safe and reliable Council on the principal matters that will come before the City government this year.

Fourteen Years on Deck.

With this issue of the paper we commence the 14th volume of the NEBRASKA HERALD. Under the fostering care of Mr. Hathaway it was commenced and flourished eight years; under the present management it is now in its sixth year. It is one of the oldest county papers in the state and none have been more uniformly successful or had less changes of proprietors and editors. For 13 years, it has never missed an issue and but two or three times has it ever been late a day, appearing every Thursday. We have taken great pride in its typographical appearance and few papers in the state come out so habitually as neat, clear and well printed as the HERALD. Published all at home, and having the largest circulation in the county, now constantly on the increase, it forms one of the best advertising mediums in the state, for every kind of business. It takes time and money and skill to start and keep a paper on its feet without change, as this one has been kept. During the hardest times we have ever had too, lately. The citizens of the county should be proud of their newspaper and encourage its prosperity in every way.

New oath to be taken by members of the House of Representatives—"You do solemnly swear to keep sober as much as possible, and at all events not to use this chamber for exhibitory purposes without paying a license."

A widow at the west intending to succeed her husband in the management of a hotel, advertised that "the hotel will be kept by the widow of the former landlord, Mr. Brown, who died last summer on a new and improved plan."

A SPECIAL from London, March 25th, says: Relations between Russia and England hourly touch more nearly on points of honor. The war feeling is growing more intense and the preparations for the war are very active.

Damage to the Fruit Crop.

Advices from a number of localities in the Ohio valley lake region, indicate that owing to the fact that there has been no rains the past week or more the severe cold weather Sunday night and Monday has not utterly destroyed the fruit.

A MAN who had announced his first attack of rheumatism, heard in one half hour that the following would cure it: Iodide of potassium, quinine, glauber salts, onions, lemons, raw silk, oil silk, cin and tansy, rocky oysters, whisky, Turkish Batis, a potato carried in his pocket, an eel skin around his leg, a suit of red damask, champagne, lemonade, a trip south, a dry atmosphere, equable temperature, sulphur baths, mustard and hot water, camphor liniment, and electricity.—Watchman.

We have had our first attack and taken all the above except gin and tansy—we never could bear that, and would rather have the rheumatism.

Senator Edmunds says there are so many Presidential candidates on the committee on judiciary that business will be done in first and find a slim attendance. He will sit a little while, impatiently, and say "Well, I don't suppose there will be a quorum this morning and I have other matters to attend to. If Davis and Thurman would drop their Presidential aspirations and attend to committee business we could do something." And he will go out. Then Thurman will come in and ask "Where's Conkling?" Edmunds will tell him he has been in and left to look after other matters, he will say "Where's Davis?" "Davis hasn't come." "Well," Thurman will say "Conkling and Davis have got the Presidency on the brain, and of course we can't expect anything of them. Call me when you get a quorum." And he will go out. Then Davis will come in and say "Well, Conkling and Thurman are absent again. Those two men are so busy working up their Presidential campaign that they neglect their Senatorial duties." And so it goes every week, Edmunds says.—Washington correspondence Buffalo Commercial. (rep.)

HON. THOS. HARRIS's lecture before the Red Ribbon Club was patiently listened to on the last meeting night. One of the best points brought out was that "a good live woman was worth more than all the dried women in the Egyptian territory"—Columbus Era.

Some folks might not see the point of the above; when we mention—sub-rosa—that the Hon. Thomas is a brewer on the search for a wife, and while lecturing on politics and "such," pur- poses to kill two birds with one stone, that is to say, he is looking for a "good live woman" at the same time.—They will.

Convention of County Superintendents of Schools.

The convention of county superintendents of Public Instruction in the State of Nebraska, met pursuant to call of Hon. S. H. Thompson, State Superintendent, at his office in the Capital at 2 p. m. on Monday, March 25th.

On motion the Chair appointed George W. Simpson, of Dodge; A. L. Wigton, of Adams, and A. Bowen, of Otoe, a committee on permanent organization, who recommended J. J. Points, of Douglas, as President; W. A. Hosford, of Boone, and W. H. Len, of Dawson, Vice Presidents; D. D. Martindale, of Cass, Secretary, and Philip Crother, of Nemaha, Assistant Secretary.

Report of committee on permanent organization read and adopted. The present State Superintendent read a communication intended to prepare work for the convention. The following committees were then appointed to prepare and present reports and recommendations on the following subjects:

Among the Committees we find our Superintendent on the following: Committee on Programme—Superintendent Thompson, A. L. Wigton, of Adams; D. D. Martindale, of Cass.

The case of the foreclosure of mortgage on the Brownville Ft. K. & Pacific R. R. and the sale of the road under the decree which has been published, and as such our people are much interested, Broady, on behalf of the county, city, and other stockholders, put in an appearance to have the decree and sale set aside and to be permitted to defend, on the grounds, among other things, that they were not made parties to the proceedings, and that the foreclosure proceedings were after the same had taken place, and that the appearance and confession of the B. & F.
