Rev. Henry Ward Beecher at Council Bluffs. Mr. Beecher will deliver his celebrated lecture 'The Wastes and Burden of Society' at Danby's Opera Hall, Council Bluffs, Saturday evening August 10, 1878.

Sugar coated Pop Corn only five cents per box, at the P. O. News Depot. -Julius Peppenburg's house is almost done and will be very nicely finished.

-In muddy weather it is almost impossible to get into the western part of town on account of the side walks and crossings being in such a bad condition.

-Yesterday morning we noticed a drove of hogs engaged in rooking up what little sidewalk there was left on Washington Avenue.

-Robert Windham, Esq., one of our prominent lawyers spent the 26th on the top of Pike's Peak. He says that for a high, he also saw the Edipose.

-We learn that friend Hesser is still quite sore and stiff from his runaway scrape, although there are no serious injuries. The hurt in the neck was the worst.

-We did not know that Mr. Wheeler at Jones & Stroud's stable was a horse doctor too, but report says he is.

-We are sorry to learn that the rain Sunday night did some damage to Dr. Schildknecht's premises again, although slight compared with the last storm.

-A young son of Mr. Newell, the plasterer, was kicked by a horse Sunday, fortunately Dr. Schildknecht was handy and the boy was soon fixed almost as good as new.

-It is about time that examination of Mike Schnellbacher took place. About matrimony we mean. Come Mike, Billy begins to look married all over and your turn is here.

-We acknowledge an invitation to the Otse County Fair—From Doctor, Prof. Bigfoot Pearson, judge, advocate and manager in chief of Ethics, &c. Thank you, old fellow.

-Soda Water reduced to five cents per Glass at the P. O. News Depot. -The happiest set of fellows out are the hunters. They were getting the guns and wagons and traps ready for a big hunt, and by this time are no doubt on the broad plain, bang, bang!

-Hon. John Chapman of the Nonpareil, Council Bluffs, U. S. Marshal western district of Iowa, and brother of our Sam Chapman is down to help the boys hunt the festive Prairie chick kik-kik.

-A friend asks if Bro. Windham was on the road to Heaven when he climbed that big peak—Yes, he always is, we hope, and being a good moral young man he don't have so far to climb as some of the rest, maybe.

-We call attention to the advertisement of H. K. Montgomery & Son, in another column. They have started in the right way to work up a good business, and we think they will succeed. Give them a call at their stand next door east of Dovey's.

-If it don't rain and the roads keep good, and the crops are all gathered, and we have no more bad luck, and money holds out, and the banks don't burst, and corn goes up—we'll all have a good time yet, this fall.

-J. V. Weckbach has bought the corner lots opposite the Post office on Main St., and is grading the same for a new Lumber Yard. He will fix up a handsome little office and make things look better around there.

-Col. Vanatta, the bloodthirsty, went west Wednesday. He first proposed to stop over and preach our funeral sermon at the M. E. Church Friday evening, but thought better of it and went west to grow up, &c.

-Just received at the P. O. News Depot, a full assortment of Bird cages, also canary and Hemp seed. -Jones tells us that Dan. Johnson, of Weeping Water, has one of the best green colts that he (Jones) ever drew a line over. Dan got it of a farmer, a perfectly untrained, and it showed a three minute gait the first time it was ever put in a sulky.

-Doc Jones, the Livery man, tells us he was out to see Andy Taylor's new barn, which is now about completed and he is very much pleased with it indeed; pronouncing it one of the best farm barns for general and all purposes, he has yet seen in the county.

-Mr. Ed O'Neil, brother of Squire O'Neil is doing the Carpenter work on one of Mr. Weckbach's new houses, south of the cut. Mr. O'Neil is one of our best carpenters, and Mr. Weckbach one of our most enterprising business men who is doing a good deal for the town just now in the way of new buildings.

-See the LIGHTNING WASHER. Mutz & Lesley have secured the right to manufacture and sell the above justly celebrated Washer and will give you a call. Husbands want it, Wives ask for it, Babies cry for it. Don't fail to ask for a practical test of its superior qualities.

-A young man by the name of Luther who was supposed to be sleeping in a box-car was instantly killed on Monday evening by falling under the freight train. He was trying to get a ride to Lincoln, when falling asleep in the car the sudden starting frightened him and he somehow fell out and was killed. He was buried here Tuesday morning.

-The city has repaired a few of the worst places about town, although there are plenty left yet to operate upon. The bridge by Dr. Schildknecht's is in crossable condition again, and the sidewalk on the west side of Fitzgerald's block no longer trips unwary pedestrians, and affords a tettering place for small children, but wagon makers and repairers need not fear that their occupation will be gone yet awhile, as any one can testify who bumps across a score or so of crossings, and through as many more chuck holes in a fifteen minutes ride around the city.

-Ed. Herald.—In last week's Chronicle there appeared a version of the death of John Henry in which the unwarranted assertion is made that his death was caused by the use of liquor more than by sun-stroke, also stating that the evidence before the jury was "immaterial." As one of the jury, together with others, we protest against any such statement. John Henry had not been drinking for some time, was not drinking hard that day and the jury took every precaution to elicit the most reliable information it could, and our word, given on our oath, ought to be better than the gossip of irresponsible outside scribbles.

-ED. STANIM.—Without Pain. Teeth extracted by Dr. Richey, at Saunders House, August 14, 21, 1911. Boy Drowned. GREENWOOD, July 24th, 1878. Editor Herald.—At about eleven o'clock to-day my youngest son Danie H. Shaffer was drowned in Greenwood, while in swimming with two other little boys. Greenwood is twenty eight miles from Sidney.

-NOW WE CAN TELL YOU, Dr. Richey the eminent Chicago Dentist, who made such a successful visit to Plattsmouth last December, and for whom so many are anxiously waiting, will again be at the Saunders House from Aug. 14th to 21st. Don't forget the dates. 1911.

-Our County Clerk is now recording a huge document, being no more or less than the bonding of the B. & M. road and appurtenances for Fourteen Millions (\$14,000,000) of dollars. This means new roads on the Republican, maybe a bridge at this point and general improvements in the South Platte country.

-If you want some fine dental work done, something that is artistic and yet substantial, then remember Dr. Richey, the popular Chicago Dentist, will be at the Saunders House from Aug. 14th to 21st. 1911.

-Personal. Miss Anna Vallery returned with Miss Jacobs to Chicago for a visit last week. Mrs. Atwood returned home last Monday. Mrs. Fitzgerald and her little nephew started for Cincinnati on Monday last where she will visit the family of Judge Fitzgerald who was here a few days last week.

-Capt. Donovan has returned to Plattsmouth, and we understand, to remain, having resigned his position in the army. His friends will welcome him back and hope he may find the change to a civilian's life a pleasant and prosperous one.

-Mr. Allen, of the Saline Co. Union, with his wife, visited Mr. and Mrs. Eaton Monday and Tuesday of this week. Mr. Allen has just returned from a trip to Utah, and is enthusiastic over the wealth and resource of the Great American Desert. We were going to say, but that is more than worn threadbare, there is not a piece large enough to fasten it to the paper by, and so we will say the Great West.

-Hon. John Chapman, Hon. B. F. Montgomery and Hon. Thomas O'Connell, of Officer & Pusey's Bank, Council Bluffs, are guests of S. M. Chapman and are out on the big hunt to-day. Mr. J. B. Ware of Grand Rapids, Michigan, is visiting us for a few days.
