ALL THE PHONES - McFARLAND BUILDING

1916 A National Park Summer

This is going to be a gala season for Rocky Mountain Parks.—Glacier, Yellowstone and Estes Parks—all on the Burlington's through-service lines. These Parks, with their wealth of scenery, their magnificent "out-of-doors,"—have gotten their grip on Eastern people.

They have nearby, the Black Hills with their forests and Hot Springs, the Big Horn Mountains about Sheridan, with their picturesque old ranches given over to modern tourists, also the ranch resorts beyond Cody in the Absarokas.

The whole Rocky Mountain country has so many vacation spots to offer, and the Burlington has so many attractive circuit mountain tours, that it is impossible here to describe them in detail.

Send for booklet of the locality and the tour you have in mind. Shall it be Yellowstone, with its ninety-mile auto scenic tour via the Cody Gateway? Shall it be Glacier Park, the climax of the scenic grandeur of the Rockies?

The Burlington is Essentially the Circuit Tour Route of all Rocky Mountain Park Travel. Let the May Show You.

Kansas City Market

KANSAS CITY STOCK YARDS, May 29, 1916—Under the impress of 14,000 cattle here and 21,000 in Chicago buyers attempted today to force a reduction here from the strong close of the market last week, 35 to 50 higher for the week. But they had little success, closing sales stronger. There were several features, among them the sale of heavy beef steers at \$10.50 fed at Tulsa, Texas, in the Panhandle country. Old head of natives brought \$10.50, sales from \$10.00 to \$10.25 were numerous, and native steers seldom got below \$9. Range on the 40 cars of pulp steers here was \$9.70 to \$10.10, except 4 cars of 1000 lb. steers at \$9.35. Butcher grades took on the full strength of the situation last week, and retained it today, strictly prime cows up to \$8.75, and mixed yearlings \$10.00. A run of 25 cars arrived in the Quarantine division and sold quickly at good prices, comparisons being difficult, account of small supply in that section recently. The straight grass steers from South Texas brought \$8.15, South Texas steers caked a little, \$8.50, North Texas fed steers \$8.85, Oklahoma grassers \$7. Stockers and feeders held steady with the close of last week, but again there is a feeling that a break is imminent. Pastures are full as a rule, and the demand shows signs of decreasing. Most of stock steers range from \$7.50 to \$8.50, choice thin steers of all weights up to \$8.85, although the packers pick up practically all the feeders. Hogs sold 5 to 10 lower today, receipts 17,000 head. Demand was excellent from all sources, and local prices showed more strength than prices at any other market, top \$9.75, within 5 cents of Chicago top, same as St. Louis, 5 cents above St. Joseph and 10 cents above Omaha. Bulk of sizes ranged from \$9.45 to \$9.70, and light hogs stopped at \$9.60. The market has been weakening since Tuesday of last week, although there were signs of a failure of the effort to bear prices at the close of last week. Good runs all around this morning gave the situation over to buyers in a measure, but opinion is still divided as to whether or not we will get a very severe break with the usual June runs. Sheep and lambs have been slipping for a week, and took a big slide today, prices off 25 to 50 cents, and about 75 cents lower for the week. Receipts included Arizona spring lambs at \$11.25, only 25 cents under top in Chicago for spring lambs today, clipped Westerns here at \$10.50. Texas clipped wethers on the revised selling prices going at \$7.75 to \$7.90.

Market Correspondent.

Kansas City, June 1st
Cattle 3000, strong, beef steers 50 to 75c higher this week, top Wednesday 10.80, nothing strictly prime today, medium steers 10.40. Hogs 8000, strong to 5c higher, 9.30 to 9.55, top 9.62, lights 9.45 closed weak. Early wheat opened 1.8c higher, 1.99 3-8, tendency lower. July corn 69c opened 1.8 lower, tendency lower.

Tent Show Coming

Bark's Big "Uncle Tom's Cabin Co." Will Exhibit at Red Cloud Wednesday June 7th. This is the first time that the public have had an opportunity of seeing the "New Version" of "Uncle Tom's Cabin," the greatest dramatization of this popular play ever written. Mrs. Stowe's Historical play has ever been a favorite with the women and children and they always go to see it whenever an opportunity presents itself. Bark's Big "Uncle Tom's Cabin Co." has the distinction of being the largest organization of its kind on the road, they carry a special train of their own cars to transport their People, Horses, Ponies, Donkeys, Dogs, Chariots, and other paraphernalia necessary to present the only Grand Spectacular Production of this, the most successful drama ever written. The characters of Uncle Tom, Eliza, Little Eva and Marks are all ably presented by a competent cast, and the large contingent of Singers and Dancers, Blood Hounds, etc., give a realistic and sensational naturalism to the performance. The scenic and mechanical effects are good, and the picturesque transformation scene forms a fitting finish to the whole. So carry the news and tell your neighbors. The only Big Show coming will exhibit at Red Cloud Wednesday night, June 7th.
