FIRE

THE ALARM OF FIRE is a dreadful thing for the man without insurance. Every time he sees the engines racing along his heart comes up in his throat if the fire is anywhere near his place. What folly, what mistaken economy.

THE COST OF INSURANCE is so small that it need hardly be considered. The freedom from worry alone is worth it many times over. Have us insure you to-day.

Remarkable Success of these Tolerated Physicians in the Treatment of Chronic Diseases.

Offer Their Services Free of Charge

The United Doctors, licensed by the State of Nebraska for the treatment of deformities and all nervous and chronic diseases of men, women and children, offer to all who call on this visit, consultation, examination, and advice free, making no charge what ever, except the actual cost of treatment for the purpose of proving that they have at last discovered a system and method of treatments that are reasonably sure and certain in their results.

These Doctors are among America's leading stomach and nerve specialists and are experts in the treatment of chronic diseases of the blood, liver, stomach, intestines, skin, nerves, heart, spleen, kidneys or bladder, rheumatism, sciatica, diabetes, bed-wetting, tape worm, leg ulcers, weak lungs, and those afflicted with long standing, deep seated, chronic diseases, that have baffled the skill of other physicians, should not fail to call. Deafness has often been cured in sixty days.

According to their system no more operations for appendicitis, gall stones, tumors, gonor, piles, etc., as all cases accepted will be treated without operation or hypodermic injection, as they were among the first in America to earn the name of "Bloodless Surgeons," by doing away with the knife with blood and with all pain in the successful treatment of those dangerous diseases.

If you have kidney or bladder troubles bring a two ounce bottle of your urine for chemical analysis and microscopic examination.

Worn-out or run-down men or women, no matter what your ailment may be, no matter what you have been told or the experience you have had with other physicians, settle it forever in your mind. If your case is incurable they will tell you so. Consult them upon this visit. It costs you nothing.

Remember, this offer is for this visit only.

Married ladies must come with their husbands and minors with their parents.
