Red Cross Notes

The Women's Red Cross Auxiliary will meet in the rest rooms of the court-house during the session of court.
 The first shipment of knitted goods made by the women of Webster county for the Red Cross has been packed and shipped to Chicago to be forwarded to France. Below is given a list of the garments sent from the work rooms of this county.
 Blue Hill—16 sweaters; 15 mufflers; 27 prs. socks; 22 prs. wristlets.
 Bladen—2 sweaters; 14 prs. socks; 2 prs. wristlets.
 Guide Rock—2 sweaters, 5 mufflers; 17 prs. socks; 5 prs. wristlets.
 Lester—1 muffler, 2 prs. socks; 2 prs. wristlets.
 Red Cloud—43 sweaters; 42 mufflers; 45 prs. socks; 45 prs. wristlets.
 Cowles—1 sweater; 8 mufflers; 17 prs. socks; 8 prs. wristlets.
 A total of 350 garments.
 The difficulty in securing yarn has held back the knitting in several localities.
 The next shipment of knitting will be made Oct. 31st. Enough garments have been promised at this time to complete the knitting assignment of 600 articles for Webster county.
 Among the knitters contributing to the success of our knitting campaign is Aunty Parker of Guide Rock, nearly 88 years of age, who makes beautiful socks and is delighted to be of real service to her country.
 Pauline Gund of Blue Hill, 13 years of age, has completed to date 1 sweater, 1 muffler and 4 prs. wristlets.
 The people who attended the Auxiliary benefit at the Orpheum last Thursday night certainly enjoyed the fine pictures which portrayed "War and the Woman," also the good music. Messrs. Hauserman and Retzman certainly deserve a great deal of praise for their kindness in once more making it possible to do a "bit" for the Red Cross.
 Since July 11th twenty one Red Cloud ladies have bought their own material and have knitted for the Navy League the following articles:
 8 Sweaters
 9 Mufflers
 16 Pairs wristlets
 10 Wash rags
 1 Helmet
 1 Pair bed socks.
 These were sent last week to the Kansas City branch of the Navy League and the following letter was received in reply:
 Kansas City, Mo., Oct. 15, 1917.
 Mrs. L. M. Stonebreaker,
 Red Cloud, Neb.
 My Dear Mrs. Stonebreaker:
 Your package received today. You will probably wish to know the criticism of our inspectors. The sweaters were all unusually good, the helmet, bed socks, and mufflers all good, and the wristlets were all well knit but were a little longer than our requirements call for and were not sewed up correctly. I am enclosing a copy of our directions to help you in the future. You will notice also a slight change in the neck of the sweater which makes it a little larger.
 The wash rags were beautifully made, and as we have not been making the comfort kits for the sailors we have taken the liberty of turning them over to the Red Cross or the Fund for the French Wounded. In either case they will be sent where they will do a great deal of good.
 Allow us to congratulate you on the good knitting you are doing. We hope you will continue to help us in making these necessities for the men who are fighting for us.
 Very sincerely yours,
 (Mrs.) N. McGee Nelson.
 Miss Della Ferguson, Supervisor of the Red Cross work rooms at Guide Rock reports packed and ready for shipment 113 dozen or over 1,350 articles for use in Red Cross hospitals.
 The Women's Red Cross Auxiliary finished the 140 knitted garments apportioned them at the required time. Seventy six members knit these articles. Mrs. McKeeby knit 6 sweaters, 10 pairs of wristlets and 24 knitted spoons. Mrs. F. L. Smith knit 10 pairs of socks and one muffler. Mrs. Myrl Pope knit 2 mufflers, 1 sweater and 1 pair of wristlets. Mrs. Roy Ottman knit 2 sweaters and 2 mufflers. Mrs. Cutter knit 4 sweaters and Mrs. Polnicky knit 3 sweaters.

DISPARAGING THE RED CROSS

Anti-Patriotic Propaganda Being Combated.
 WASHINGTON, Oct. 12.—Declaring that the efforts to disparage the work of the American Red Cross are being made in various sections of the country as part of an anti-patriotic propaganda, General Manager Harvey D. Wilson today telegraphed all Red Cross division managers to begin a nation wide campaign to trace the movement to its source and combat it.
 "It is evident that rumors and innuendoes, critical of and calculated to embarrass the Red Cross are being industriously circulated as part of an anti-patriotic propaganda," the telegram reads. "The Red Cross is being run as an open book; it has no secrets, it is making a sincere effort to serve mankind and is doing it as carefully and economically as it knows how. Its accounts are to be audited by the war department and utmost effort is being made to give publicity to all its activities."
 Mr. and Mrs. Roy Sattley and son returned Wednesday from St. Francis, Kansas, where they had been visiting his brother-in-law, Mr. Mac Howard. During their stay at that place they witnessed the big stock sale held by Mr. Howard. The trip was made in Roy's roadster.
 There will be preaching at the Indian Creek school house by Rev. Mary Heiser Mitchell next Sunday afternoon after Sunday School. Mrs. Mitchell will preach in the Congregational church Sunday morning but the evening service will be omitted in order that all may attend the special meeting at the M. E. church.

Local High School Defeats Esbon Boys

The game was called at 4 o'clock sharp. Esbon had choice of goals and Red Cloud chose to receive.
 Esbon kicked off to Red Cloud and the ball went over the goal line so it was Red Cloud's ball on the twenty yard line. Red Cloud started hammering the line and then pulled off a forward pass to Druliner for a several yard gain. The ball was lost on downs and Esbon started pulling passes and succeeding in scoring the first touch down in nine minutes. They failed to kick goal. Score 6 to 0, Esbon's favor.
 Red Cloud again received and were making good gains when the whistle blew for the end of the first quarter.
 At the beginning of the second quarter the boys realized that they would have to do something quick so they started in plunging the line and made good gains. At the end of two minutes Druliner went over for the first touchdown for Red Cloud on a center rush. Pulsipher kicked goal, making the score 7 to 6 in favor of Red Cloud. Red Cloud this time kicked to Esbon who made fair gains until one of their passes was intercepted by Pulsipher who made a touchdown after about a forty five yard run. Pulsipher missed goal leaving the score 13 to 6 in favor of Red Cloud. Red Cloud again kicked to Esbon who made steady gains and looked like they were due for a touchdown when one of their passes was again intercepted by R. Newhouse on their 25 yard line. The first half ended with the ball on the forty yard line in Red Cloud's possession.
 The second half started with the score still 13 to 6 in Red Cloud's favor. Red Cloud kicked to Esbon who by successful forward passes and line plunges succeeded in scoring another touchdown. They missed goal making the score 13 to 12 in Red Cloud's favor. Neither side scored the third quarter although good gains were made by both sides.
 At the beginning of the last quarter both sides were fighting their best. Red Cloud was making good gains thru holes opened by Doyle and Christy on the left side and Stewart and Gilbert on the right side of the line. Kaley and Topham on ends made some neat tackles which lost Esbon several yards. Kaley succeeded in catching one of their passes which gave the ball to Red Cloud again.
 Prevost at center succeeded in breaking thru the line several times and as they had no quarter back he had to content himself with the full back.
 Neither side succeeded in scoring a touchdown in the last quarter and the game ended with the ball on the thirty five yard line in Red Cloud's possession, the final score being 13 to 12 in favor of Red Cloud.
 Good gains were made during the game by Druliner at R. F., Blackledge at R. H., Pulsipher at L. F. and R. Newhouse at L. H., all of whom played a good fast game and fought to the finish.
 The line-up for the game was as follows:
 S. Amack L. E. C. Christy L. T.
 H. Doyle L. G. E. Barrett R. E.
 H. Gilbert R. T. C. Stewart R. G.
 F. Provost C. R. Newhouse L. H.
 Blackledge R. H. H. Druliner R. F.
 Captain Ed Pulsipher L. F.
 Substitutes—Topham, Stunkard, Joy.
