"THE ANGELIC CHOIR" TO BE REPEATED

Owing to the fact that there were quite a number who were unable to hear the sacred cantata, "The Angelic Choir," given by the Community Chorus a little over a week ago, the Chorus has decided to repeat same at the Methodist church on this coming Sunday evening, January 1st. Everyone should hear this.

Slight Changes in Trains

The Burlington has changed their original line up a little in changing freight service through here. No. 63 and 64, the fast freight from Kansas City to Denver has been taken off as originally planned. The Hastings Red Cloud freight however, will run as in the past, not going through to Oxford as reported. Local will run west of here every day except Sunday and east there will be a local train only three days in the week. The Hastings freight will leave here at 10:25 a. m. instead of 11:30 a. m. as in the past commencing January 1st.

THE COMPENSATION BILL'S BENEFIT

The provisions of the Adjusted Compensation Bill which The American Legion is asking Congress to pass at this session are given below. If this bill is made a law, each World War Veteran will have the right to avail himself of any one, but only one, of the following options:

- 1 Adjusted service pay, at the rate of \$1 a day for home service and \$1.25 for foreign service. Maximum of \$500 for man without overseas service; \$625 for man with overseas service.
- 2 Adjusted service certificate (so called insurance feature), a paid-up 20-year endowment policy. The face value of this policy will be 3.38 times the amount that would be received in cash. The face value of this policy would be payable to the veteran at the end of 20 years, or if he dies before the expiration of 20 years the face value would be paid to the beneficiary of the policy. Loan values are provided for.
- 3 Vocational training aid of \$1.25 a day while taking a course in vocational training. The amount thus paid in no case would exceed 140 per cent of what would have been paid in cash.
- 4 Farm or home aid, 140 percent of what would be paid under option No. 1 if the money is used to purchase, improve, or make payments on approved farm or city or suburban home.
- 5 Land Settlement.

A—Provides for the establishment of reclamation projects for the development of vacant land. This may be government land or may be land purchased by the Government. If possible, projects will be located in each State, the State paying part of the purchase price of private lands bought for this purpose. Ex-service men to be employed on the project as far as possible.

B—Provides for the sale of farm units on these projects when they are ready for settlement. Sale price is to include purchase price of land plus cost of improvements. Terms, part down, rest in 40 years at 5 percent interest.

C—Veterans may have their adjusted service pay applied as first payment on this land.
