Put it right up to Kellogg's Corn Flakes to do a master job sharpening breakfast appetites! And, they'll repeat at lunch and supper—for Kellogg's are irresistible in goodness! No War Tax

Effective May 8th, 1922, the Excise Tax on United States Tires for passenger cars, both casings and tubes is absorbed by the makers and not added to the selling price. United States Tire Company

To the Purchasers of a 30 x 3½ Usco for \$10.90

WHEN the "Usco" Tire announced its new price of \$10.90 it carried this understood contract with the buyer—

A price reduction made in good faith—using all the U. S. advanced art of tire making not only to get the price down, but to keep the quality up.

Today \$10.90 is not the uncommon price it was last November.

But the "Usco" Tire is still the uncommon tire value it always has been.

Because in carrying out the "Usco" price reduction in good faith, we learned something about raising the quality, too.
