Morning service at 11 a. m. Subject will be appropriate to the Union meetings being held every evening
There will be no evening service as this church joins in Union Service at the Methodist Episcopal church at 7:30. Special attention of every member and friend is invited to the meetings every evening next week except Saturday at the Christian church, all sermons to be delivered by Mrs. H. G. Wilcox, who is giving to us a remarkable series.
Nothing in the history of the city seems more definitely Providential than the coming of Evangelist Wilcox to engage in these meetings, and the ideal spirit of fellowship among the churches promises all that could be hoped for union service at any time. Moreover the music, led by Mr. Bush and Rev. Daugherty is of the highest order and adds to the interest and helpfulness of every service. The meetings are gaining in attendance and power every evening.
