

### Judge Scores Attorney for Fees Quarrel

Jurist Brands Lawyer Controversy in War Bride Case as "Bold Attempt to Cheat."

From the bench, District Judge Redick severely scored Attorney C. E. Walsh yesterday for the latter's alleged "bold attempt to cheat a brother attorney, Alfred Munger, out of his fees."

The controversy grew out of the two lawyers' services for Emilie Ready, French war bride of Frank Ready, University of Nebraska student.

#### Wrongful Tactics.

"It is not so much the money involved," said the judge in awarding Munger \$750, "but the wrongful tactics employed in maneuvering an attorney out of his fees after the skill and judgment he displayed in his client's behalf."

The judge said that if he were convinced the French girl could speak English and knew what the circumstances were, he would award Munger a total of \$1,000, or the amount his verbal agreement with her called for.

#### Drops Original Suit.

Munger represented the pretty French bride when she first brought suit for separate maintenance, and a \$25,000 suit against her father-in-law, E. Ready, county attorney at Hartington, Neb., for alienating his son's affections. Munger was to receive 20 per cent of the settlement, which was \$5,000.

Some time during the negotiations the French girl dropped Munger and engaged Attorney Walsh. The latter is said to have induced her to drop the original suit, disposing of Munger's services, then refilled and continued with the settlement.

Neither Walsh or the French girl were in court when Judge Redick voiced his reprimand. She announced recently she would return to France. Today's hearing was on Munger's intervention suit to claim his fee.

### Public Defender Has to Defend Himself in Court

John N. Baldwin, public defender, had himself to defend in justice court yesterday.

Unfeeling gardener, to wit, game warden, courted him out of his cap in Carter Lake Friday, just as Jack was hauling in a four-pound bass. (This is not a fish-story, assured the judge.)

The M. P.'s demanded his license to fish ahead of the season. "I have one—in my pocket in the office," Baldwin pleaded. But the officers were from Missouri.

### No Fireworks to Be Sold on Streets Until July 3

No permits will be issued for the sale of fireworks on sidewalks of Omaha until July 3, Police Commissioner Henry Dunn announced Saturday. Following a conference with Chief of Police Dempsey, Dunn will issue detailed orders regarding fireworks, he said.

### Prayer Each Day

Men ought always to pray and not to faint.—Luke 12:1.

Our Heavenly Father, we come to Thee in humble worship this morning. We thank Thee for Thy loving care while we slept, and for the sleep and rest of the night. We thank Thee that, refreshed in body and mind, Thou hast brought us to see the beginning of a new day. Lord abide with us still.

We ever need Thee. Protect us from harm, and guide us in all the duties of this day. Deliver us from evil, and make us strong to do Thy will.

Be pleased to remember with Thy blessing all our loved ones. Some of them are far distant from us, but Thou art everywhere present. Be pleased to bless Thine own work.

Let great grace be given to ministers of the Gospel, and all Christian workers everywhere, that Thy Name may be glorified through their efforts.

And now, blessed Lord, we commit our loved ones and ourselves to Thy care. Pardon our sins, and guide us by Thy Spirit in the way pleasing to Thyself this day, and all we ask in the Name of Jesus our Saviour. Amen.

### Hot Summer Sun Trying On The Complexion

How to Protect Your Skin and Bring Roses to Your Cheeks

### A Free Ointment Prescription Does Its Work

Overnight. You Can Prepare It at Home.

New York—Exposure to sun, dust, and wind has a very bad effect upon the skin and complexion. There is a way to overcome this. "It is my own discovery and it takes just one night to get such marvelous results," says Mae Edna Wilder when her friends ask her about her wonderful complexion and the improved appearance of her hands and arms. "You can do the same thing if you follow my advice," she says, "I feel it my duty to tell every girl and woman what this wonderful prescription did for me."

"Just think of it, all this change in a single night. I never tire of telling others just what brought about such remarkable results. Here is the identical prescription that removed every defect from my face, neck, hands and arms. Until you try it you can form no idea of the marvelous change it will make in just one application. The prescription which you can prepare in your own home is as follows:

"Go to any grocery store and get ten cents worth of ordinary ointment, and from any drug counter a bottle of Derwillo. Follow the directions for using ointment as given in every package of derwillo. If it is more convenient, you can use Derwillo-Ointment Soap instead of ointment.

"The first application of derwillo will astonish you. It makes the skin appear transparent, smooth and velvety, giving anyone a wonderful appearance."

"I especially recommend this method for a dark yellow skin, shiny nose, tan, coarse pores, rough skin, redness, wrinkles and in fact every blemish the hands and arms are heir to."
