State Singles Tennis Crown Again Rests on Dome of Ralph Powell

Field Club Net Star Defeats E. R. McCormick

Former Omaha Champion Wins Over Present Title Holder in Straight Sets at Lincoln.

Lincoln, Neb., Aug. 11.—(Special Telegram.)—Ralph Powell retained his title of state championship for the fourth time in what was probably the fastest tennis match ever staged on a Nebraska court this afternoon, when he defeated E. R. McCormick in straight sets, 6-4, 6-1, 7-5. Both men played a spectacular game and it was brilliance matched against brilliance, with Powell having an admitted edge.

Both men played deep most of the time, Powell coming in close on his own service. They made shots that seemed impossible and neither contestant resorted to lobbing. Powell scored 111 points and McCormick, 86.

There were but four love games, Powell winning all of them. McCormick served six double faults, while Powell served none.

Their placement of shots kicked up the white dust time after time and the gallery, which numbered 1,000 people, marveled at the accuracy displayed.

The first four games went to deuce, Powell taking the first and third and McCormick the second and fourth. It was the first time Powell has been forced to extend himself in the present state tournament or since he began winning state titles. He worked hard from start to finish.

He seemed just as fast as ever regardless of his overweight, and at times was invincible. He returned strokes that should have gone as perfect placements in McCormick's record.

The stroke analysis:

Powell	0	12	6	6	0	0

The points made:

	Aces	Places	Outs	Nets	DF	Er's
McCormick	1	17	13	6	1	7
Powell	1	8	7	5	0	6
McCormick	0	7	10	4	1	4
McCormick	1	16	12	12	4	0
Powell	1	8	4	5	0	0

Points made:

McCormick	443	523	441	5—35—1
Powell	625	345	214	7—38—6
McCormick	290	602	1	—30:1
Powell	411	444	44	—33:8
McCormick	212	554	206	—31:8
Powell	411	444	331	444—37:7

In the semi-finals doubles, McCormick and Don Elliott, Lincoln city champion, won from Fred Archerd and Floyd Seymour in straight sets, 6-4, 6-4, 6-2. McCormick and Elliott meet Dean B. E. McProud, University Place, and Eddie Geesen of Seward in the doubles finals tomorrow afternoon at 3.

Geesen and McProud won their way to the finals by defeating Charles Matthewson and Paul Langenberg, southeastern Nebraska champion, 4-6, 6-0, 6-2, 9-7, Friday morning.

Golf Facts

Q. What is the correct thing to do where a ball is lost in ground under repair?

A. The same rule applies as for a ball lost in the fairway or rough. Loss of stroke and distance under United States Golf association and Canadian rules; loss of distance only under Western Golf association rules.

Q. Is there any penalty for grounding a club in front of the ball through the fairway, such as is frequently done on the putting green?

A. No. The only prohibition is against pressing down the surface of the ground in any way so as to improve the player's chances for playing the stroke.

Q. Please give a decision on the following case: A player's ball stopped in a rut in a roadway running diagonally across the fairway. He walked 15 or 20 steps along the road away from where the ball lay and took a practice stroke to determine the consistency of the ground forming the rut. Was he penalized?

A. Yes, by loss of the hole in match play and two strokes in medal play. The whole road must be considered a hazard.

Q. Should a player be penalized, if, where his ball stops in a sandtrap, he casually allows the head of his club to touch the sand, say a yard or more away from the ball?

A. Yes. He loses the hole in match play and two strokes in medal play.

Q. A and B are playing a match. On a certain hole A holes out. B has played four strokes and asks A how many he has played. A replies six, adding that B has his next stroke to win the hole. B putts, and misses. Then A says he was mistaken, that he had played only five strokes, and that B really had to hole his last for a half. Does A lose the hole through giving misinformation?

A. No. Rule 32 applies. It provides that after a player has holed out and his opponent can do no better than get a half of his next stroke, nothing the player may do causes him to lose a half. A wins the hole with his 5.
