

**Plans for Ak-Sar-Ben Festival Completed**

Plans for the annual Ak-Sar-Ben festival September 22-23 are now complete. In place of the downtown festival, a "Midway" will be established, according to Samson, who says that

shows, rides, concessions, educational and agricultural exhibits will be the chief features of the powwow. With this decision the West Center street field becomes the scene for all the activities of the organization except the electrical parade and the coronation ball. The historical pageant, "Coronado in Quivera," is the newest feature of

Quivera's reign. Five days of horse racing has been provided. Every afternoon and evening Wortham Greater Alamo shows will be given together with manufacturers, industrial, agricultural and United States government husbandry exhibits. Over 250,000,000 paper kronen are in circulation in Austria.

**National Guardsmen to Go to Camp Sunday**

All National guardsmen expecting to entrain tomorrow morning for the two weeks' encampment at Plattsmouth must report at the armory this afternoon at 3 for final inspection

and checking, according to an order issued by Col. Amos Thomas, commanding officer of the 134th infantry, 35th division. "A provost marshal will be sent for every man who fails to appear," said Thomas. "The site for the encampment is a 20-acre plot one mile from the outskirts of Plattsmouth. The Omaha detachment, including 300 to 350 men, will entrain Sunday morning at 8:05 on the Missouri Pacific at the Webster street station.

Senator Frelinghuysen says that all the tariff schedules should be handled by experts, but the trouble is that every politician considers himself an expert.

**Skin Grafted on Leg of Omaha Fire Chief**

Battalion Chief Ernest Newhouse, victim of the Schmolter & Mueller fire in 1920, underwent an operation in a local hospital Thursday for the grafting of 20 pieces of skin from the

upper part of one leg to the lower part of the same limb. The leg was injured when the chief fell with the roof of the building. One of his associates was killed and several injured. Some time ago firemen at House No. 3 volunteered to give pieces of skin for grafting, but the veteran fireman refused.
