Howard Heater Saves Fuel

Easy Terms

Easy Terms

Year after year we have heard so many enthusiastic customers endorse the fuel saving feature of the "Howard" Heater that we guarantee it to heat your home comfortably on the smallest amount of fuel.

Note the "Overdraft" Construction that draws warm air into the firepot, consuming coal gases usually lost up a chimney in smoke, thereby reducing fuel bills 20 to 30%. Models as low as \$2950

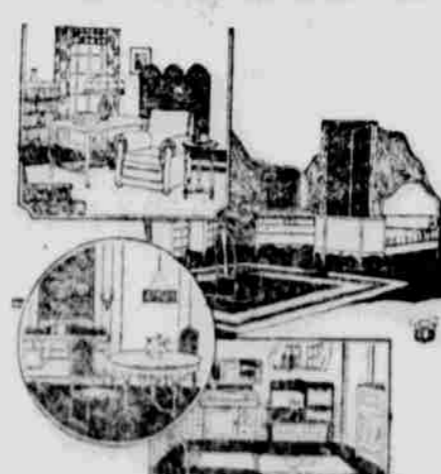

Florence Oil Stoves \$6.75

Odin Gas Heaters \$2.95

For 35 Years the Home of Home Outfits

We extend a cordial invitation to Fall Brides to look over our extensive assortments for new ideas and suggestions in the proper equipment of the modern home.

GOOD furniture costs no more here than the ordinary kind because of our low rent location. And, too, young couples like our convenient plan of a year and a half to pay.
