Houbigant guarantees the genuineness only of those perfumes packaged and sealed by the House of Houbigant.

A perfume novelty

new purse-size package from Houbigant—all odors

AT LAST! You can buy your favorite Houbigant perfume in a new small scent bottle which is of just the proper size to nestle in your purse, or tuck snugly away in a week-end bag.

And such a charming bottle, too, a dainty golden-capped trifle of patterned crystal which might have been inspired by Marie Antoinette herself. Certainly, the scent bottles carried by the patrician ladies of the old French Courts were not more fascinating. It has captivated Paris, not only because of its convenience and generous measure, but because it is a delightful revival of a Louis XVI mode.

For those of you in America who would make this pretty fashion your own, Houbigant has a tiny word of warning, however. Insist on having the container shown in the illustration. Houbigant guarantees the genuineness only of those perfumes that are packaged and sealed by the House of Houbigant itself.

In the new Houbigant scent bottle you have choice of fourteen odors: Quelques Fleurs, Mon Boudoir, Le Temple des Lilas, Violette Houbigant, Parfum Inconnu, Jasmin Floral, Mes Delices, Le Parfum Ideal, Un Peu d'Ambre, La Rose France, Premier Mai, D'Argeville, Coeur de Jeannette, Quelques Violettes. Ask for it at your drug or department store. If not obtainable, send for it. Price one dollar.
