Men toil, work, slave, nay almost sin, to support their families—perform almost every judicious act for their welfare and happiness, EXCEPT INSURE. It is the common omission of the majority—overlooking the dangers of the future in the security of the present. To remedy this fault only requires seriously thinking on the subject. Wisdom and thrift will always elect to adopt the conservative principle of Insurance, to avert the unhappy consequences of such "slings and arrows of outrageous fortune" as are produced so frequently by the blasting visitations of fire to our homes. MOFFAT'S

LIFE PILLS & PHENIX BITTERS.

THESE MEDICINES have now been before the public for a period of Thirty Years, and during that time have maintained a high character in almost every part of the Globe, for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

The following are among the distressing variety of human diseases in which the

VEGETABLE LIFE MEDICINES

are well known to be infallible.

Dyspepsia, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind; *Flatulency, Loss of appetite*, heartburn, headache, restlessness, ILL TEMPER, anxiety languor, and melancholy, which are the general symptoms of Dyspepsia, will vanish as a natural consequence of its cure.

Costiveness, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days.

Fevers of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.

The Life Medicines have been known to cure Rheumatism, permanently, in three weeks, and Gout, in half that time, by removing local inflammation from the muscles and ligaments from the joints.

Dropsies of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for Gravel.

Also Worms, by dislodging from the turning of the bowels the slimy matter to which these creatures adhere.

Scurvy, Ulcers, and Inveterate Sores, by the perfect purity which these Life Medicines give to the blood, and all the humors.

Scorbutic Eruptions and Bad Complexions, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and all disagreeable complexions.

The use of these pills for a very short time, will effect an entire cure of Salt Rheum, and a striking improvement in the clearness of the skin. Common Colds and Influenza will always be cured by one dose or by two in the worst cases.

Piles.—The original proprietor of these Medicines, was cured of piles of 35 years standing, by the use of the Life Medicines alone.

Fever and Ague.—For this scourge of the Western country, these medicines will be found a safe, speedy and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent—Try them, Be Satisfied, and Be Cured!

Bilious Fevers and Liver Complaints.—General Debility, Loss of Appetite, and Diseases of Females, the Medicines have been used with the most beneficial results in cases of this description: King's Evil and Scrofula, in its worst forms, yields to the mild, yet powerful action of these remarkable medicines. Night sweats, Nervous Debility, Nervous Complaints of all kinds, Palpitation of the heart, Painter's Colic, are speedily cured.

Mercurial Diseases.—Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these medicines a perfect cure, as they never fail to eradicate from the system, all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.
