HARRY DAY & CO.

L. H. Kennedy, Broken Bow, Neb. My dear Mr. Kennedy:—I am writing you today at the request of your son who is anxious you should know that he is getting along nicely. He was shot in the right shoulder, the bullet entering a little above the lung and coming out at the back. Of course the wound is a serious one, but it is by no means so serious as it would have been a few years ago before the day of aseptic surgery and there is little doubt but that he will be up and about in a very short time.

He is more than brave and I am sure you would feel very proud could you see the manly way in which he bears his pain. But rest assured, Mr. Kennedy, that your boy will have the best of surgical care and nursing, while we women who visit the ward will look after him, too, and see that he lacks nothing. In a few days he will be able to write you himself, but of course at present he is very weak from the shock and with much excitement his one thought seems to be of the people at home, realizing how much you will worry when you hear through the cable dispatches that his name is numbered among the dead. It was through some carelessness, I believe, another Kennedy having died and your boy escaping with only a serious wound.

Love from your son to all the dear ones at home, and with renewed assurances that he will be looked after as well as so brave an American soldier deserves. Believe me,

Very Sincerely Yours,

Mrs. EDGAR KNOSCH.

Rev. J. R. Wood, who was one of the early settlers in the Holcomb settlement of this county, having proved upon a homestead ten years ago and moved to Tennessee was a friendly caller at this office Monday. Since leaving here he has graduated at Bethany College McKinzie Tennessee. He has come back to Custer county with a view of spending his days in the state of his early adoption in trying to convince the world the error of its way. He preached Sunday at Mason City and at second Euclid church in the afternoon to large audiences. He has many friends of his boyhood days in the vicinity who are pleased to welcome him back to old Custer and they hope to see him secure work in this county. He is a man of more than ordinary ability, pleasant speaker and a devoted christian. The REPUBLICAN extends to him a welcome and hopes his highest ambitions may be fully realized.

County Sunday School Convention.

The County Sunday School Convention held in this city in the M. E. church last week was fairly well attended and proved interesting and profitable to those in attendance. The officers elected for the ensuing year are, E. J. Pittaway President, Willis Cadwell Vice President, Rev. Geo. Burns Secretary and H. Lomax Treasurer. As we could not be present but little of the time we have been unable to get an extended report of the sessions and of those attending from abroad. One of the interesting features we were privileged to hear was the address of Perry Metcalf on the subject "Sunday Schools in the Philippines." Many interesting things relative to the custom of the Filipino were related. Miss Mabel Hall of Sargent gave an excellent address on the subject of Consecrated Work in Sabbath Schools. W. H. Kimberly, State S. S. missionary, was present and added material to the interest of the convention. Rev. Clifton of Arnold, P. Wymore of Callaway, Mrs. Jennings of Lomax, A. R. Damon, Harry Wright and Mabel Hall of Sargent; O. H. Moody, Albert Lanphere and John Welch of Westerville; J. M. Fodge of Ortello and Perry Metcalf of Walworth were among those we met from schools outside of the Broken Bow district.

Law School Graduate.

Our townsman, J. J. Snyder, has recently completed a three years course of study, with the law department of the International University of Chicago, attaining a very high average. While the fact was unknown he was improving his spare time in the perusal of Blackstone. His friends will be pleased to know that as an evidence of his quiet work he has received a very finely executed diploma on parchment from the university conferring upon him the degree of Bachelor of law. As Mr. Snyder has been serving as justice of the peace in this city, for four or five years, it enables him to get something of the practical part of law as well as theory. He is now better prepared than ever to interpret the law, and deal out justice to those who feel that they must resort to law to settle their differences. The REPUBLICAN congratulates Mr. Snyder on his attainments and hopes they will give him the satisfaction and profit sought.

OBITUARY

Salt Lake, May 29, 1899. Editor REPUBLICAN:—Many of your readers will be pained to hear of the sudden death of Mrs. Anna E. Spence of Salt Lake City which took place on May 16th 1899 the deceased was well and favorably known in Broken Bow and vicinity for about ten years. For several years Mr. and Mrs. Spence lived in the Finlen house in the south part of the city and more latterly conducted a private hotel in the Realty Block. Hosts of people knew Mrs. Spence as an unusually, hopeful, pleasant and cheerful woman.

She was an arduous worker and manager determined to succeed in every undertaking to which she put her hand.

In October last the family moved to Salt Lake City where three married daughters and two sons resided being Mrs. Whipple, Mrs. Royal C. Meeker, Mrs. Wolfe and Will and Charlie, Monroe who is still in the Philippine Islands. During her sickness Mrs. Spence often talked of "Roe" and longed to see the boy again.

She was quite well pleased with her new home, but unfortunately has not had much opportunity of seeing or enjoying the place. A cancerous growth in the gall duct had been slowly maturing for a few years past. This condition reached a crisis about a month ago. Three or four physicians were called in consultation and the conclusion of opinion was that an operation was immediately necessary.

On Saturday May 13th Dr. Root (cousin of the Purcells of Broken Bow) performed the operation at the Holy Cross Hospital in Salt Lake City. She rallied in evening and hopes of her recovery were entertained. But alas! her physical strength was not equal to the strain. On Sunday evening she grew worse and on Monday it was evident that only a short time on earth remained to her. The Rev. George Bailey her pastor in Broken Bow and more recently in Salt Lake, was present with the family when she passed away.

She died a most peaceful death without the suggestion of a struggle or a fear. Her faith sustained her in the trying hour and her triumphant exclamation was "O! God My Heart is Fixed."

The funeral took place on Thursday May 18th from the family residence attended by a large number of friends and former Nebraskans. The Westminster church choir sang appropriate selections and Mr. Bailey preached from the words: "Blessed are the dead which die in the Lord from hence forth, ye shall the spirit for they rest from their labors and their works do follow them."

In a beautiful lot in the picturesque Mt. Olivet cemetery they laid her away to rest in sure and certain hope of the resurrection to eternal life through Jesus Christ our Lord.

Mrs. Spence was 59 years old February 12th of the present year. In May 1859 she was united in marriage to Mr. J. Spence and from this Union 12 children were born, four of whom have long since "fallen asleep." Five daughters and three sons remain. In 1889 they moved from Illinois to Broken Bow. No one ever anticipated the sad end would come so soon. She was an exemplary wife a good and thoughtful mother and a consistent christian.

"She hath escaped all danger now,
Her pain and fighting all are fled,
The crown of joy is on her brow,
Eternal glories over her shed."

GEO. BAILEY.

A Pretty June Wedding

On Tuesday evening at the residence of the bride's Uncle and Aunt, Mr. and Mrs. W. M. Herbert, Rev. W. H. D. Hornaday officiating, Miss Georgia Simms was united in marriage to Lawrence A. Brown of Muldale, Neb. The ceremony was witnessed by a pleasant family party and a few of the nearer friends. Following the ceremony, the refreshments were enjoyed, and until the time of departure the time was spent in joyful congratulations.

Georgia is one of our faithful young church workers, and will be missed by all her associates, as well as the church. She was one of our most successful school teachers in the county.

Mr. Brown is one of our energetic farmers and highly respected.

Miss Fannie Carroll, Forrest Brown and sister and the bride's sister and brother accompanied the bride and groom from Arnold. Miss Fannie Carroll and Forrest Brown acted as bridesmaid and groomsmen.

We forgot to mention last week, the flower-tyler wedding, of Callaway which took place at the Grand Central in this city. Rev. Hornaday officiating. This couple are among the highly respected citizens of their community.

A Surprise on One of Our Soldier Boys, on His Return from Cuba.

On Thursday evening June 1st a goodly number of the Home Forum members and friends assembled at the home of Dr. and Mrs. C. C. Pickett for the purpose of extending their welcome and congratulations, to their son Claude, on his safe return from service in Cuba. Mr. W. W. Potts acting as president for the evening, briefly stated the reasons why we were there, when the Dr. welcomed the members of the Forum and their friends to the freedom of his home in his usual pleasant good humour, which was responded to by Mr. Chas. Shinn. When Claude came to himself, after the surprise he spoke about the feelings of a young soldier leaving home to do service for his country; and also related some of his experiences in camp and on a foreign shore, followed by a song by Mrs. Mayer.

Mrs. Pickett spoke on the feelings of a mother on giving up her only boy for the defence of his country and its flag; and how she was able to do so, by having confidence in the all powerful hand of Almighty God for his protection.

Song, Mr. John Cross, entitled when Sherman Marched Down to the Sea; also a few pleasant remarks by Messrs. Oliver Cross and Stewart Brady.

A letter was read from companion ex-County Judge Shinn, expressing his regrets at not being able to be present, and extending a hearty welcome to companion Claude. We were then turned over to the tender mercies, of a committee of ladies; who had a bountiful supply of strawberries cream and cake and bananas, and after we had eaten until the Dr. said; yes he was, "yes," we dispersed at a late hour feeling we had a very pleasant and profitable time,—Companion."

A. W. Pressey, cadet, from Custer county spent several days in the city last week renewing old acquaintances. Cadet Pressey was in charge of six, 6 inch guns on the Texas, at the mouth of Santiago harbor at the destruction of Cervera's fleet, where he distinguished himself. This was his first visit here since he left here for Annapolis as cadet six years ago. While here the Masonic lodge secured a special dispensation from the Grand Lodge and gave him three degrees in Masonry last Friday night. This is a distinction that seldom occurs. It usually takes candidates from six months to three years to secure the work that he received in one night. At the conclusion of conferring degrees, luncheon was served after which Mr. Pressey related his experience at Santiago, which was very interesting and greatly appreciated.

BIRTHDAY PARTY.

On Tuesday afternoon June 6th, Miss Anna Brady entertained a number of her young friends in honor of her 12th birthday. The afternoon was pleasantly spent in playing games speaking and singing after which refreshments of cake and lemonade, were served. Anna received a number of nice presents. Those present were the Misses Baily, Olive Pickett, Blanch and Jessie Burt, Mellie and Clara Windnagle, Stenna, Anna, Laura and Julia Vistrup, Letha and Alice Humphry, Hilda Longstaff, the Masters Bob and Ephraim Miller and Ira Coover. To whom it may concern:

Through shrewdness and jealousy combined of a few of the would-be eminent physicians of Broken Bow, I have been placed in rather a humiliating position, and have been compelled to discontinue for the present, the practice of Magnetic Healing. By order of the court, I am compelled to remain here for appearance at the next term of court, and show cause why I should not forever cease to be a public benefactor. As regarding my ability to give relief to the afflicted, I would respectfully refer to Mrs. James Wright, of Broken Bow, Mr. A. Trout, of Merna, Mrs. Russell, of Broken Bow, L. L. Francis, of Broken Bow, and many others whose names I will gladly furnish upon application. The physicians referred to above have saw fit to take advantage of a slight technicality of the law; and by so doing, they have not only said to the public, we cannot cure you, but we will not allow others to do so. And such being the case, in the best interests of all concerned, I have decided to discontinue to practice Magnetic Healing in Broken Bow. During my stay in the city, I can be found at the Commercial Hotel, where I will be pleased to meet my many friends, and will teach the art of Magnetic Healing to those who wish to learn.

Hoping that I may be remembered in the future as in the past, Command me further with the highest respect,

Yours Truly, Prof. O. G. SOFIELD.
