SHAW WINS IN IOWA

Returns Show Increased Vote for Republican Ticket.

GAINS IN THE LEGISLATURE.

Eighty Republicans in the House-Chairman of the Democratic State Central Committee Concedes State to Shaw by Forty Thousand.

DES MOINES, Nov. 8 .- Reports show that an average vote has been polled throughout the state. The weather was cool and cloudy. Late in the afternoon rain began falling, which may delay some of the returns.

At 1:30 this morning 686 precincts of the 2,082 in the state give Shaw 91,593; White 67,565. The same precincts two years ago gave Shaw 86,565; White 72,-892. This is a net Republican gain of 9,853 or about 14 to the precinct. The same ratio if kept up for the state will give a Republican plurality of about 60,000. There are a few Republican gains in the legislature and the indications are the Republicans will have 115 of the 150 members.

The indications are that the Republican total vote will show a decrease of 6 per cent from two years ago and that the Democratic total will show a loss of about 10 per cent. The probabilities are that there will be 80 Republican members in the house and 35 Republican members in the senate, a net Republican gain of 10. It seems that this is certain and it may be increased.

Chairman Huffman of the Democratic central committee concedes the state by 40,000, while the Republican state chairman claims it will go 65,000 or better. Two hundred and twenty-three precincts out of 2,082 give Shaw (Rep.) 28,-525, White (Dem.) 19,768. Same precincts in 1897 gave Shaw 26,711, White 22.427.

Returns from 417 precincts, or about one-fifth of the state, show that Governor Shaw received 53,587 and White 38,512. The same precincts two years ago gave Shaw 51,045; White, 41,974. Net Republican gain, 6,004, or a little more than 14 to the precinct. The same ratio, if kept up, will give Shaw a plurality of about 60,000. Chairman Weaver claims Shaw's election by 65,000,

Chairman Huffman of the Democratic state central committee says: "The light vote polled throughout Iowa indicates very heavy Democratic gains."

Grinnell-Total vote in Grinnell township and city, five precincts, Shaw, 608; White, 301. A Republican gain of 82 as compared with two years ago.

Cedar Rapids-Fifteen out of 34 precincts, Lynn county, give Shaw 2,347; White, 1,193. Two years ago Lynn gave Shaw 5,408; White, 3,889. West Union-The three precincts of West Union gave Shaw 309: White, 150; Democratic gain of 7 over last year's vote.

RESULTS IN NEW YORK.

Republicans Will Have About Same Ma jority in Next Assembly.

NEW YORK, Nov. 8 .- Returns from state and city so far received indicate that the Republicans will have about the same majority in the next assembly as in the last, the Democratic gains in this city being offset by losses in the smaller counties. In 113 assembly districts which have reported, including 29

in this city, 75 Republicans and 38 Democrats were elected. The Democrats suffered grave reverses in Erie to his farm and also to this part of county (Buffalo) and Chemung county, the home of ex-Senator David B. Hill. In the city elections up the state, the Democratic vote showed a great falling off. Buffalo, Troy and Albany gave large Republican majorities, a complete overturn. Mayor James K. McGnire, Democrat, is re-elected mayor of Syra-

cuse, a tribute to his personal popularity. In the four counties of New York city the usual big Democratic majorities were rolled up, every candidate in every county being elected except Gray, Democratic candidate for recorder of Kings, against whom charges of corruption had been made.

Tammany shows no elation over the plurality of 45,000 for its New York county ticket, having expected it. The rejoicing is over the defeat of Assemblyman Robert Mazet (Rep.) by Perez M. Stewart in the Nineteenth assembly district, which usually is strongly Republican. Dr. Nelson H. Henry (Rep.) in the Fifth assembly district, against whom the labor unions made a fight, was re-elected.

In the Thirty-fourth congressional district, E. B. Vreeland (Rep.) was elected by an immense majority, at least 10,000

Troy Goes Republican.

TROY, N. Y., Nov. 8 .- After one of the hottest fights ever known, in which ex-Governor Black led on one side and ex-Senator Murphy on the other, the city of Troy has gone Republican by about 1,000. Black and Murphy have personally conducted the contest, and the result is the election of Black's entire ticket. This is the first time in 30 years that Troy has gone Republican.

M'LEAN DEFEATED IN OHIO.

Republicans Claim Their Plurality Will Exceed Thirty Thousand.

COLUMBUS, O., Nov. 8 .- At midnight the Republicans claimed that their plurality would exceed 50,000, with over 100,000 for Jones out of a total of less than 900,000. The Republican majority in the legislature is larger than usual, but no senator is to be elected. Judge Nash was serenaded after midnight at the Neil house. To an enthusiastic crowd he made a speech. Judge Nash said that the Ohio result was a message to President McKinley that his home state endorsed his administration and presaged McKinley's renomination and election in 1900. The Republicans made their largest gains at the homes of Judge Nash, Mr. Hanna and Chairman hum, breaking three ribs; then he

Dubuque-Incomplete returns indi cate White, for governor, will have 2,000 plurality in Dubuque county, Charles T. Hancock (Rep.) probably elected senator, first time in 20 years Republican chosen to that office. Democrats claim all other offices.

New Hampton-The Republicans gain representative in this county, electing Ayres over Kreiger by over 100 majority.

Muscatine-Returns from all wards in the city of Muscatine, give Shaw 1,417, White 1,469, a Democratic gain over one year ago of 92.

Clinton-Ten precincts out of 11 in Clinton give Shaw 2,890, White 1,700. Shaw carries the city by about 800.

Boone-Boone county will give upwards of 1,000 majority for Shaw and elects the whole Republican county ticket.

Independence-Estimate result of election in Buchanan county gives Shaw a majority of 600 votes. This shows a gain of 150 over 1897.

Carroll-White will carry this county by 230, a Democratic loss of 20. Bennett (Rep.), elected to succeed Democratic representative.

Emmetsburg - Emmetsburg city, Shaw, 235: White, 220. Republican gain of 30. Indications of Republican gain in Palo Alto county of 100 over 1896 vote.

Sioux City-Woodbury county, in cluding Sioux City, gives 1,200 Republican majority, an increase of 100 per cent over two years ago. Entire Republican ticket is probably elected.

Paine Carries Boston.

BOSTON, Nov. 8 .- Complete returns show that Paine (Dem.) has carried the city by 6,196. Paine's total vote was 82,592. Crane's total vote was 26,396. Last year Wolcott (Rep.) carried Boston by 1,897 over Bruce (Dem.). Wolcott's total vote was 33,575 and Bruce's 81,678. These figures show a loss to Orane of 7,011 and a gain for Paine of

Dick. The vote in Canton was: Nash, 3,589 McLean, 3,037; Jones, 319.

After 11 p. m. the returns showed the Democratic gains in Cincinnati and other cities were reduced, and that McLean was likely third at Cleveland and possibly at Toledo, in which cities Jones drew much more heavily from the Democratic ranks than from the Republicans. At the same time the Republican net gains outside of Cincinnati, Cleveland and Toledo were increasing at such a rate as to indicate a plurality from 30,000 to 40,000 for Judge Nash and the Republican state ticket. including a majority in the legislature. Cincinnati-In 163 precincts, Cincinnati city, out of 204, Nash has 22,408. McLean 24,672, Jones 7,789, giving Mc-Lean a plurality of 2,654.
