HOLIDAY SEASON
Let us fill your order for savory staples and condiments for that season's feasts or snacks for the holidays.

Ripe Olives
We now have "GIFFORD'S BEST" ripe California Olives. The finest, best and most genuine of all the fine-quality green olives are left on the tree to ripen and are hand picked by experienced workers from the fruit which is packed in handsome jars, or tins, by the Exotico Fancy and Medium in Quart and Pint cans.
