Knowing Bishop's inability to "blush for prisoner. No more horrible tale of shame," our devil has kindly consented to do so for him, at our most earnest solicitation. For instance what a herculean literary effort must have given birth to this: "Oh, Gosh! Al, that makes us tired." And this medley of profanity and intolerable grammar: "The call is issued by farmers, to farmers, and we'd like to know what in h-1 the Democrat has got to do or say about it."
