PERSONALS.

Attorney Selby of Cambridge had business in the city, Saturday.

Henry Baxter of Indianola, ex-county judge, was in the city Saturday, shaking hands with friends and acquaintances.

L. H. Lawton, of Grand Island, largely interested in stock in this part of the state in early days, was a city visitor, Saturday.

H. C. Rider came in from Denver, Friday evening, spending a number of days in the city on business associated with his extensive interests of a real estate character here.

Wm. Schoeneman, a homesteader of the county of Chase, was convicted of petit larceny, during the last week of District Court in that county, and received the extreme penalty in such cases made and provided.

Geo. Paxton of McCook was in the city, Saturday, representing his cigar factory. Mr. Paxton was formerly a resident of this county and the business men of this city could do no better than patronize his establishment as he makes a fine cigar.—Hayes Centre Herald.

J. P. Hebard, of the State Journal Co., Lincoln, arrived in the city, Friday afternoon, on his way to visit a sister who resides in southeastern Hayes county. We acknowledge a short, pleasant call; also upon his return trip, Monday evening. Mr. Hebard had many good words for McCook.

A lady named Cooper living in Hayes county came up from McCook, Wednesday, after having a number of teeth extracted. After arriving here she began a very severe hemorrhage and her husband was so alarmed as to secure medical assistance. At last accounts she was getting considerably better and no serious fears were entertained.—Culbertson Reveille.

Frank Ellodge went to McCook, Wednesday morning, to have an examination made into the condition of his little girl who has been taking treatment for catarrh. An examination by Dr. Hall developed the fact that she had a steel button almost half an inch across in her nose. It was taken out by the doctor and she is getting along all right now.—Culbertson Reveille.

F. L. Brown, cashier of the First National bank of McCook, was in the city, Thursday. He is authority for the statement that work has been commenced on the B. & M. machine shops at that place and that the company has already hauled 75 car loads of stone to be used in the construction of the big buildings. McCook is elated, while the citizens of Holdrege, who have been banking heavily on the shops, are correspondingly depressed.—Hastings Gazette-Journal.

Whooping cough is attended with but little danger when the cough is kept loose and expectation easy by the free use of Chamberlain's Cough Remedy. Sold by druggists.

A WOMAN'S DISCOVERY.

"Another wonderful discovery has been made and that too by a lady in this country. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle was miraculously cured. Her name is Mrs. Luther Lutz." Thus write W. C. Hamrick & Co., of Shelby, N. C.—Get a free trial bottle at A. McMillan's drug store.
