Advertisements of the Day.
(New York Evening Star.)
Sufferer, a hostler. Must also be a hustler. A wealthy but invalid gentleman, a great sufferer from gout and compulsion, having been ordered by his physician to pay strict attention to his diet, would like to engage a first-class gastronomic director.

A lady who has just taken a house in the suburban portion of the town would like to purchase a young calf, not over 5 years of age, which would yield about two pounds of liver daily.

Five Dollars Reward—Strayed or stolen, a dude, who answers to the name of Cholly. Was last seen following a female member of a burlesque troupe. The above reward will be paid to any one returning it to its keeper.

For sale, a revolver, bowie knife, and the head of hair. Reason for selling, owner in reduced circumstances. Address Cowboy.

A butcher wanted. Second-rate actors need make no application. A poor young man with an overworking ambition to be president of the United States, would like a job either as cannibal boy or at splitting rails.

A Boy's Composition on Girls.
Mark Twain gives the following as a sample of a boy's composition on "girls."
"Girls are very stuck up and dignified in their manner and behaviour. They think more of dress than anything, and like to play with dolls and rags. They cry if they see a cow in a far distance, and are afraid of guns. They stay at home all the time and go to church every Sunday. They are always sick. They are always funny and making fun of the boys' hands and say how dirty they can't play marbles. I pity them, poor things. They make fun of boys and then turn around and love them. I don't believe they ever killed a cat or anything. They look out every nite and say, 'Oh, ain't the moon lovely!' That is all they have to brag about, and that they're always having their lessons bettered boys."

HABITS.
Like flakes of snow that fall unperceived upon the earth, the seemingly unimportant events of life succeed one another. As the snow gathers together, so are our habits formed. No single flake that is added to the pile produces a sensible change; no single event creates, however it may exhibit, a man's character; but as the temper bursts the avalanche down the mountains, and overwhelms the inhabitant and his habitation, so passion, acting upon the elements of mischief, which pernicious habits have brought together by imperceptible accumulation, may overthrow the edifice of truth and virtue.

ELECTRIC BITTERS.

McMillan's drug store.

P. T. BARNUM, the great showman, has made the following proposition: "I will undertake to give bonds for the fulfillment of contract that if the city of Philadelphia will stop selling liquor and give me as much as was expended last year, I will pay all the city's expenses, no one shall pay taxes a good dress suit shall be given to every poor man, woman, boy and girl, all educational expenses shall be given to every needy and worthy person, and I shall clear a half million or a million dollars by the operation."

"HACKMETACK," a lasting and fragrant perfume. Price 25 and 50 cents.

IS CONSUMPTION CURABLE?
Read the following: Mr. J. H. Morris, Newark, Ark., says: "Was down with Abscess of Lungs, and friends and physicians pronounced me incurable Consumptive. Hogan taking Dr. King's New Discovery for consumption, am now on my third bottle, and able to overtake the work on my farm. It is the finest medicine ever made."

NEBRASKA soil is in splendid shape for spring planting. A remarkably early season has enabled the farmers to place the ground in prime condition. The lack of moisture is only felt to a limited extent along the river counties. In all others the winter frosts were more effective than snow in moistening the uplands, while the valleys are rarely lacking in this respect. All things considered, the farmers of the state have never had such favorable conditions for spring work, or such fine prospects for a bountiful harvest.

A person is seldom sick, when their bowels are regular, and never well when they are irregular. Bear this in mind and keep your bowels regular by an occasional dose of St. Patrick's Pills. Sold by all druggists.

WILL YOU SUFFER WITH DYSPEPSIA AND LIVER COMPLAINT? Shiloh's Vitalize is guaranteed to cure you. McMillan's.

WHEN Corporal Tanner, the appointed commissioner of pensions, was asked for his policy, among other things he remarked: "I tell you frankly I am opposed to these \$1, \$2 and \$3 a month pensions. If you are going to give a man anything give him enough to realize as getting some rest. If there is an old soldier who has a claim that you are satisfied is a good one and he has not quite proved it, my policy is to assist him to secure that proof. You may say that I am opposed to knocking out soldiers' claims because of technical shortcomings."

Jesse Middlewast, Decatur, Ohio, says: "Has not been for Dr. King's New Discovery for Consumption I would have died of Lung troubles. Was given up by doctors. Am now in best of health." Try it. Sample bottles free, at A. McMillan's drug store.

The first month of PRESIDENT HARRISON'S administration has been marked by a reduction of over twelve million dollars in the public debt. If the same rate of reduction shall continue through the four years of his administration, it will result in a reduction of \$600,000,000. In other words the public debt will be wiped out before the end of his second term.

SHILOH'S CATARRH REMEDY—a positive cure for Catarrh, Diphtheria and Canker Mouth. McMillan's.

MURAT HALSTED will write an article in an early issue of Frank Leslie's Weekly, on his rejection by the senate. A little of the same quality of smoke which hovers over the Cincinnati Commercial-Gazette may possibly be detected when the article appears.

WHY WILL YOU cough when Shiloh's Cure will give immediate relief. Price 10 cts., 50 cts., and \$1. McMillan's.
