Morning sickness, swelled limbs, and all other like evils can be readily controlled, and all female diseases speedily cured. Physicians pronounce it a wonderful discovery. Never known to fail. 20,000 ladies attest its merits. Cut this out; it may save your life. NORTH DIVIDE ITEMS.

Several of the farmers are preparing to sow wheat now.

George Hanlein made a trip to Bartley, the fore part of the week.

Mr. Lyman was the first man we noticed in the field. This was nearly a week ago.

We are informed that W. Y. Johnson has rented some land of Mr. Seaman which he will put into small grain.

The farmer thinks that spring has come, at least we see him yoking up his oxen and starting for the field.

Mr. J. S. Modrell was on the sick list, last week. Most of the people in this neighborhood who were sick have recovered.

On last Friday evening some of the young people gathered at the home of Mr. Hanlein and gave them a surprise. All seemed to enjoy themselves.

Charles Masters, we understand, got in a great hurry this spring. One day he sowed some wheat and the next day he found it sprouting under an inch of snow.

Mr. Alfred Carter, who has been at work in Colorado all winter, has just returned home. We understand he will move back on his old place and farm again this summer.

Is Consumption Incurable?

Read the following: Mr. C. H. Morris, Newark, Ark., says: "Went down with Abscess of Lungs, and friends and physicians pronounced me an incurable Consumptive. Began taking Dr. King's New Discovery for Consumption, am now on my third bottle, and able to oversee the work on my farm. It is the finest medicine ever made."

Jesse Middlewart, Decatur, O., says: "Had it not been for Dr. King's New Discovery for Consumption I would have died of Lung Trouble. Was given up by doctors. Am now in best of health." Try it. Sample bottles free at A. McMillen's drug store.
