TO AGENTS.

Homeseeker's, excursions, 1892, on August 30 and September 17th, a rate of one lowest first class fare will be made from eastern points to points on our line for two homeseekers' excursions. These tickets will be sold at all the principal railway points as far east as Buffalo and Pittsburg. Tickets will be good within twenty days from the date of sale and stop overs will be allowed on the west bound trip after passing the Missouri river. It is expected that there will be quite a large immigration of intending settlers to Nebraska, northwestern Kansas and eastern Colorado, during this summer and fall. This immigration can be very largely increased by judicious advertising and work by the various communities tributary to our line. It is therefore suggested that sections proposing to prepare such advertising matter for distribution in the east in regard to the inducements they have to offer the farmer, the business man and investor, should begin to get their advertising in shape at an early date as possible. In case their plans contemplate sending a good advertising man to distribute their matter and attend to their advertising generally, this department may be able to give valuable pointers as to the best method of doing the work.

I think it is desirable that the editors of the different papers along our line should begin agitating the matter in order that the people may be prompted

to do more or less individual work with their friends in the east in the way of sending by mail such matter as the different counties or districts may prepare in pamphlet form or in the shape of extra editions of their home newspapers giving full information as to the resources and advantages, and directing attention to the very low rates that will be made to enable them to come and see for themselves that the representations are not really up to the reality.

This company has recently issued a pamphlet in regard to the agricultural resources of Nebraska, which will be furnished free to those who may desire to mail it to their friends in the east. This pamphlet treats of Nebraska, northwestern Kansas and eastern Colorado. I wish you would present this matter to the editors at your place and also to any other parties who may be interested in settling up the vacant farm lands of this state.

"A Yard of Pansies."

Here is a chance for everybody to get, free of cost, an exquisite oil picture thirty-six inches long—a companion to "A Yard of Roses," which all have seen and admired. This exquisite picture, "A Yard of Pansies," was painted by the same noted artist who did the "Roses." It is the same size, and is pronounced by art critics to be far superior to the "Roses." The reproduction is equal in every respect to the original, which cost \$300, and is being given free with every copy of the June number of DEMOREST'S FAMILY MAGAZINE. This June number is a grand souvenir number in celebration of the seventieth anniversary of the birthday of the publisher, and is worth many times the cost, which is only 20 cents, as every purchaser will get practically free, an exquisite picture; and to those who already have "A Yard of Roses" "A Yard of Pansies" will be doubly valuable, especially as accompanying it are full directions for framing either the "Pansies" or "Roses" at home, at a cost of a few cents. You can get the June number of DEMOREST'S FAMILY MAGAZINE, containing "A Yard of Pansies," of any of our local news-dealers; or send 20 cents to the publisher, W. JENNINGS DEMOREST, 15 East 14th St., New York.

John Leslie, farmer and stockman, of same place, says: "Find Electric Bitters to be the best Kidney and Liver medicine, made me feel like a new man." J. W. Gardner, hardware merchant, same town, says: "Electric Bitters is just the thing for a man who is all run down and don't care whether he lives or dies; he found new strength good appetite and felt just like he had a new lease on life. A Good Suggestion.

From the Dubuque (Iowa) Telegraph. The adjourning of the impeachment court last Saturday on account of Gen. Weaver's belly-ache, cost the people of this commonwealth nearly \$500, one dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy would have saved this expense; and we suggest, as a matter of economy and humanity, the state provide against future contingencies of this nature, by furnishing each senator with a bottle of that valuable remedy. 25 and 50 cent bottles for sale by George M. Cheney.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."
H. A. ARCHER, M. D.,

Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."
Dr. J. F. KIRCHLOE,
Conway, Ark.

Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."
