The following, clipped from the Burlington
Junction, (Mo.) Post, contains information of
no little value to persons troubled with indig-
estion:

For years the editor of the Post has been
subject to cramp colic or fits of indigestion,
that prostrated him for several hours and un-
fitted him for business for two or three days
at a time. About a year ago we called on S.
J. Butcher, druggist, and asked for something
to ward off an attack that was already making
life hideous. Mr. Butcher handed us a bottle
of Chamberlain's Colic, Cholera and Diar-
rhea Remedy. We took the medicine accord-
ing to directions, and not only found relief
at that occasion, but have several times since
tried its virtues and found relief in every in-
stance. We take this method of acknowl-
edging the benefits derived and recommending
the cure to all others subject to indigestion.

eruptions, and positively cures piles, or no pay

satisfaction or money refunded. Price 25c. a
box. For sale by A. McMillen.

In another column of this paper will be
found an advertisement of a medicine known
as Chamberlain's Colic, Cholera and Diarrhea
Remedy for sale by druggist Geo. M. Cheney
of this place. In almost every neighborhood
throughout the west, there are some one or
more persons whose lives have been saved by
this remedy. It is natural for such persons to
take especial pleasure in recommending the
remedy to others. The praise that follows its
introduction and use makes it immensely pop-
ular. While it is intended especially for colic,
cholera morbus, dysentery and diarrhoea, it is
also claimed to cure chronic diarrhoea. If
such be the case, it is certainly a "Godsend"
to many a poor mortal.

Fannie Davenport,

The great American tragedienne has writ-
ten the following note for the benefit of her
sex. It should prove especially important
when it is remembered that no class is so well
posted on the subject of which she writes, as
professional women:

NEW YORK, Aug. 11.—Mr. Wisdom: Dear
Sir—Your Robertine was highly spoken of in
San Francisco and a lady friend induced me
to try it. It is very fine and is an excellent
application for beautifying the face and
hands. The Robertine powder is delightful.
4-pts. Very truly,
FANNIE DAVENPORT.

Wonderful.

The cures which are being effected by Drs.
Starkey & Palen, 1529 Arch St., Philadelphia,
Pa., in Consumption, Catarrh, Neuralgia,
Bronchitis, Rheumatism, and all chronic dis-
eases, by their compound Oxygen Treatment,
are indeed marvelous.

If you are a sufferer from any disease which
your physician has failed to cure, write for in-
formation about this treatment, and their book
of two hundred pages, giving a history of
Compound Oxygen, its nature and effects with
numerous testimonials from patients, to whom
you may refer for still further information,
will be promptly sent, without charge.

This book aside from its great merit as a
medical work, giving, as it does, the result of
years of study and experience, you will find a
very interesting one.

doses invariably cure the worst cases of cough,
croup and bronchitis, while its wonderful suc-
cess in the cure of consumption is without a
parallel in the history of medicine. Since its
first discovery it has been sold on a guarantee,

you have a cough we earnestly ask you to try
it. Price 10c., 50c. and \$1. If your lungs are
sore, chest or back lame, use Shiloh's Porous
Plaster. Sold by A. McMillen.

Specimen Cases.

S. H. Clifford, New Castle, Wisconsin, was
troubled with Neuralgia and Rheumatism, his
stomach was disordered, his Liver was affected
to an alarming degree, appetite fell away,
and he was terribly reduced in flesh and
strength. Three bottles of Electric Bitters
cured him.

Edward Shepherd, Harrisburg, Illinois, had
a running sore on his leg of eight years stand-
ing. Used three bottles of Electric Bitters
and seven boxes of Bucklen's Arnica Salve,
and his leg is sound and well. John Speaker,
Catawba, Ohio, had five large Fever sores on
his leg, doctors said he was incurable. One
bottle Electric Bitters and one box of Bucklen's
Arnica Salve cured him entirely. Sold at
A. McMillen's drug store.

Are you Suffering

brick dust deposit or stone in the bladder,
or in fact any derangement of the kidneys or
urinary organs? If thus afflicted do not lose
time and waste money on worthless liniments

"That Good Medicine."

Mr. C. D. Cone, attorney, of Parber, South
Dakota, says: "I take pleasure in saying to
the public, as I have to my friends and ac-
quaintances for the last five years, that I con-
sider Chamberlain's Colic, Cholera and Diar-
rhea Remedy the best medicine for the pur-
pose it is intended that I ever tried. Since I
have used it I would not be without it. I was
always subject to cholera morbus and never
found anything else that gives the relief that
this remedy does. I never leave home with-
out taking it with me; and on many occasions
have run with it to the relief of some sufferer
and have never known it to fail. My children
always call for 'that good medicine' when
they have a pain in the stomach or bowels."

DEMOCRATS.

THEY DIVIDED ON THE
QUESTION.

INDICATED POINT TO FUSION.

The State Convention Likely to Be a
Warm One—Fifth District Men Espe-
cially Opposed to Any Combi-
nation With the People's Party—
Re-organizer Political News
of Interest.

TOPEKA, Kan., July 5.—Only a few of
the delegates to the state Democratic
convention to-morrow have put in an
appearance, but the few who did arrive
made it clear that the convention
would be a wonderfully and fright-
fully mixed assemblage. The indica-
tions, however, point more strongly to
an endorsement of the People's state
ticket than the Republicans have
counted upon.

The fusion Democrats contend with
a persistency that is making many
converts, that the great strength of
the Republican party lies in the pa-
tronage which it has to distribute and
that so long as a Republican governor
can dole out 1,500 offices, large and
small, the Democrats will never get a
foothold.

The Fifth congressional district is
solidly opposed to endorsement. The
delegates are willing to endorse Harris,
but none of the other candidates.
They hate John Davis cordially and
announce that no matter what the
state convention may do they propose
to nominate a Democrat, July 20, at
Herington, for whom they can vote for
congress.

The Democrat this afternoon con-
tains an editorial urging the nomi-
nation of a straight state ticket for the
purpose of calling out the Democratic
voters who will stay at home if a ticket
is not given them. These Democrats,
Editor Holliday contends, will all vote
the People's electoral ticket but will
not support the state ticket.

It is impossible that the bitter fight
between the fusion and the anti-fusion
Democrats will never reach the con-
vention, but will be settled at the con-
ferences held to-night. It is a peculiar
condition of affairs at best. Many of
the People's party leaders want the
Democrats to nominate a straight
ticket, believing that the Republican
farmers will be more likely to stand by
the People's ticket if this is done.

J. K. Burton, Republican nominee
for congress in the Fifth district, passed
through this city this morning and
spent his time discussing the situation
with the Democrats. In an interview
he said: The fight in this state has
been clearly drawn between the
People's and Republican parties, and
we can make a better and a surer fight
against a combination ticket.

If the Democrats run a separate
ticket, their nominees will be sponta-
neous selections. The only name
mentioned in connection with the
gubernatorial nomination is that of A.
A. Harris of Fort Scott, a Democrat
who has no use for the People's party
and who would probably vote nothing
but the People's electoral ticket even
if the entire ticket was endorsed.

Glick Wants Some Favors in Return.

ATCHISON, Kan., July 5.—The Atch-
ison county delegation to the Demo-
cratic state convention which went to
Topeka this morning is generally in
favor of endorsing the People's party
ticket, but ex-Governor Glick thinks
the Democrats ought to get some-
thing in return, and will vote to
endorse the third party
nominees only if the Democrats get
anything like a fair show. He thinks
the Democrats ought to have a few
state senators and representatives and
congressmen in the First and Second
districts. Asked if he would accept
the nomination for governor if the
honor should be thrust upon him, he
said that he would not.

Fusion Talked of in Iowa.

DES MOINES, Ia., July 6.—An effort
is being made to unite the Democratic
and People's party in the state. The
scheme is to give the People's party
the electoral candidates and the
Democrats the state ticket. The
matter was brought up in Omaha in a
quiet way. By combining it is urged
the Republicans can be defeated,
which would help throw the election
in the house and thereby elect Cleve-
land.

Will Campbell Resign?

CHICAGO, July 6.—William J. Camp-
bell left for Washington quietly but
hastily yesterday, having been called
there by urgent telegraphic messages.
He declined to be interviewed as to his
intentions in reference to the chair-
manship of the national committee,
but it is intimated among his friends
that he will have to decline the pos-
ition for family and professional rea-
sons.

"Jeffersonian" Editors Disappear.
LAWRENCE, Kan., July 6.—Carter
and Watkins, editors of the Jeffers-
onian, the Alliance paper which has
been opposing Colonel Moore have
left the city. They purchased the
paper about two months ago, put paid
nothing on it.

Overtaken by Justice.

PARIS, July 6.—The man known as
Matthias Habelt, who was convicted
recently at Valencia of the murder of
Father Ildefonso, procurator of the
Trappist monastery at Aquebello, and
who afterwards robbed the monas-
tery, was guillotined to-day at Valen-
cia by M. Deibler, "Monsieur de Paris."
The next person who will be handed
over to Deibler for execution will be
Ravachol, the noted anarchist mur-
derer and thief.

A Chief of Police Killed.

MIDDLESBOROUGH, Ky., July 6.—Wil-
liam Patten, chief of police of Pine-
ville, was killed yesterday by Lucas
Smith at a picnic. Patten was the last
of the old Patten gang in the Patten-
Turner feud.

TO AGENTS.

Homeseekers' excursions,
1892, on August 30 and Septem-
ber 17th, a rate of one lowest
first class fair will be made from
eastern points to points on our
line for two homeseekers' ex-
cursions. These tickets will
be sold at all the principal rail-
way points as far east as
Buffalo and Pittsburg. Tick-
ets will be good within twenty
days from the date of sale and
stop overs will be allowed after
passing the Missouri river. It
is expected that there will be
quite a large immigration of
intending settlers to Nebraska,
ka, northwestern Kansas and
eastern Colorado, during this
summer and fall. This immi-
gration can be very largely in-
creased by judicious advertis-
ing and work by the various
communities tributary to our
line. It is therefore suggested
that sections proposing to pre-
pare such advertising matter
for distribution in the east in
regard to the inducements
they have to offer the farmer,
the business man and investor,
should begin to get their ad-
vertising in shape at as an
early a date as possible. In
case their plans contemplate
sending a good advertising
man to distribute their matter
and attend to their advertising
generally, this department may
be able to give valuable point-
ers as to the best method of
doing the work.

I think it is desirable that
editors of the papers along
our line should begin agitating
the matter in order that the
people may be prompted to do
more or less individual work
with their friends in the east
in the way of sending by mail
such matter as the different
counties or districts may pre-
pare in pamphlet form or in
the shape of extra editions of
their home newspapers giving
full information as to the re-
sources and advantages, and
directing attention to the very
low rates that will be made to
enable them to come and see
for themselves that the repre-
sentations are not really up to
the reality.

The company has recently
issued a pamphlet in regard
to the agricultural resources
of Nebraska, which will be
furnished free to those who
may desire to mail it to their
friends in the east. This
pamphlet treats of Nebraska,
northwestern Kansas and
eastern Colorado. I wish you
would present this matter to
editors at your place and also
to other parties who may be
interested in settling up vac-
ant farm lands of this state.

Recently the following Notice appeared in the
San Francisco Chronicle.
"Judge S— had been sick only about two
weeks, and it was not until the last three or
four days that the malady took a serious turn.
At the beginning of his illness he suffered from
diabetes and stomach disorder. Later the
kidneys refused to perform their functions and
he passed quietly away. Thus ended the life
of one of the most prominent men in Califor-
nia." Like thousands of others his un-
timely death was the result of neglecting early
symptoms of kidney disease.

IF YOU
are troubled with diabetes, gravel, or any de-
rangement of the kidneys or urinary organs,
don't delay proper treatment until you are
forced to give up your daily duties; don't
waste your money on worthless liniments

the disease at once by using the greatest of all
known remedies, the celebrated Oregon Kid-
ney Tea. It has saved the lives of thousands.
Why should it not cure you? Try it. Purely
vegetable and pleasant to take. \$1.00 a pack-
age, 6 for \$5.00.
