Auditor Foreman was down from Denver on business of his office, Wednesday.

Mesdames C. E. Pope and Margaret Oyster arrived home, Monday night, from the state fair.

Dr. E. T. Waters will entire charge of the Burlington relief department at this place for the present.

Will Brown went down to Orleans, Monday night, to assume the duties of regular operator at that station.

Mrs. Mack Hughes is improving from an attack of typhoid fever. She was very low for a while, and her recovery was in doubt.

Dr. J. A. Denney of Chicago, general medical director of the Burlington voluntary relief department, was in the city, Sunday, while out on the Western division on business of the department.

R. S. McElhaney, formerly an engineer on this division, spent part of the week in the city, on his way to California to enter the service again. He was discharged while in Pennsylvania on a visit for alleged affiliation with the order of railway engineers.

M. McKinnon, for ten years car accountant of the Burlington, has resigned his position. He has been succeeded by G. P. Faucan. John Banks has been appointed assistant night yardmaster to succeed W. A. Manchester. Elmer Hutton has been promoted to the office of the storekeeper's department.—Lincoln cor. Omaha Bee.

The Burlington figures its loss by the fire on the bad order tracks, last Thursday morning, at about \$9,500, divided as follows: Fourteen cars, \$6,000; lumber shed and contents, \$3,000; blacksmith shop and tools, \$100; carpenter shop, tools and material, \$400; office, \$50. No further light has been thrown on the origin of the fire, but it was probably either from the blacksmith forge or from sparks from engines.—Lincoln Journal.

Fireman R. L. Harris has gone to Red Cloud, Nebr., on a short vacation.

Miss Clara Bonnot, sister of Mrs. Phelan, left this morning to visit friends at Sheridan.

Engineer T. A. Haley of Sheridan, will circulate among his McCook friends, next week.

Engineer L. I. Meserve who was scalded Sept. 7th, is getting along nicely, and will be able to work in about two weeks.—Alliance Grip.

Dr. and Mrs. W. C. Braden departed on 4, Tuesday evening, for Beardstown, Illinois, where the Doctor has been transferred to take the place in the Burlington voluntary relief department which Dr. Erhart of that city has just resigned. Beardstown is a division point on the Q's southern line, and has a population of about 5,000. This appointment is in the line of promotion for the Doctor, upon which his admirers in this city congratulate him warmly. Both the Doctor and his estimable wife have during their comparatively short residence among us formed a large circle of friends, and they all join THE TRIBUNE in wishing them every good thing in their new home—though sincerely regretting their removal from the city.
