A parrot escaped from a drug store in a Georgia village, flew into a church the comfort of passengers. There where the colored brethren were holding a meeting, perched on the pulpit and, surveying the congregation, observed in a sharp voice: "It's hot as times with politeness and courtesy, not hell!" Some of the brethren jumped sought refuge in the steeple, and was form politeness and courtesy from all

Practical Puzzle.

puzzles should secure one of the map other directions also, and will be puzzles sent out by the Chicago Great | measured in a great degree by the Western railway. It is a map of the United States on heavy cardboard and cut up into states, each state and territory being on a separate piece. They are nicely colored and show the capitals of the different states, as well as the large rivers. The puzzle consists in putting the different pieces together so as to form the map of the United States. It makes more of a puzzle than would at first be supposed and will be found interesting as well as instructive to the older people as well as the young ones. Incidentally it is quite valuable as showing the comparative size of different states, and this will be a matter of some surprise. This puzzle will be sent to our readers if they will send 10 cents to Mr. F. H. Lord, G. P. & T. A., Chicago, Ill.

The blood completes its circuit through the body in twenty-two seconds. Every three minutes all of the blood in the body is revitalized.
