The Burlington Route has established a twice-a-week tourist car line from Kansas City to Butte, Spokane, Tacoma and E. Starr, Fannie Green, Matella Gordon. Cars leave Kansas City, Lincoln and

Grand Island every Tuesday and Thursday, arriving at Seattle following Friday and Sunday. They are upholstered in rattan. The bed linen and furnishings are clean and of good quality. The heating, ventilating and toilet arrangements are all that can be desired and each car is in charge of a uniformed Pullman porter, whose sole duty is to attend to the wants of passengers.

Cars run through without change of any kind and the berth rate from Lincoln to Tacoma is only \$5 00. To intermediate points it is proportionately low.

Montana and the Puget Sound country are now enjoying a period of unexampled prosperity. As a consequence, travel to the northwest is rapidly attaining large proportions. This new tourist car line has been established with a view of caring for the Burlington's share of it in the best possible manner.

Berths, tickets and full information can be had on application to any Burlington Route ticket agent or by addressing J. Francis, G.P.A., Omaha. - June 26.
