Red Letter Days in the Black Hills.
Hot Springs, Sylvan Lake and Spearfish are three Black Hills summer resorts that are as attractive in their way as any places of their kind in the west. And they are as different as any three places can be.
Hot Springs is a health resort—a good place to get rid of one's rheumatism and to enjoy life while renewing one's youthful vigor.
Sylvan Lake is a pretty nook in the heart of the Hills, an easy-going, cool, dreamy spot, where hot weather is unknown.
Spearfish is a thrifty town of perhaps 4,500 people, not particularly notable except in one respect—the beauty of the railroad ride to it. You should make the trip to realize how fine it is. There is nothing more exhilarating, even in the Rockies.

During July, the Burlington Route will run two cheap excursions to Hot Springs and Custer (Sylvan Lake)—one on the 4th, the other on the 18th. One fare, plus \$2, for the round trip. Tickets good 30 days—long enough to enable you to visit every point of interest in the Black Hills, as well as to receive untold benefit from the crisp air and healing waters of this northern sanitarium.
For tickets call at nearest Burlington ticket office.

Our baby has been continually troubled with colic and cholera infantum since his birth, and all that we could do for him did not seem to give more than temporary relief, until we tried Chamberlain's Colic, Cholera and Diarrhoea Remedy. Since giving him that remedy we have not been troubled. We want to give you this testimonial as an evidence of our gratitude, not that you need it to advertise your meritorious remedy.—G. M. Law, Keokuk, Iowa. For sale by L. W. McConnell & Co., druggists.

A BIG DIFFERENCE

There's a big difference in ways of doing business. Some dealers simply strive to get a customer in their place, sell as much as they can at one sale by misrepresentation and never expect to see that customer again. Our way is to always satisfy a buyer, no matter how small the profit. This method makes permanent patrons, and our trade is largely made up of customers who have been coming back to our shop month after month. Try our way once, and you'll keep coming back the same way, too.

We were told that at the celebration on Spring Creek the farmers' wives and daughters brought a "cord of chickens." We consider our authority unquestionably reliable, as he is a minister, and it is proper to presume that past experience imparts peculiar qualifications for "scoring" spring chickens. According to report we imagine they "scored" about 115 in the shade.

There is enough wear and tear on the soldier without the discomforts that come from having to use a strong laundry soap. Common brown soaps, when constantly used for washing the person, are extremely irritating. Ivory Soap is the ideal soap for the soldier, suitable for all purposes, for the kitchen utensils, for washing clothes, and for the bath.
Ivory Soap is not easily lost, for—it floats.

RIDE A MONARCH AND KEEP IN FRONT

RUNNING SORE ON HIS ANKLE.

After Six Years of Intense Suffering, Promptly Cured By S. S. S.
Obstinate sores and ulcers which refuse to heal under ordinary treatment soon become chronic and deep-seated, and are a sure sign that the entire circulation is in a depraved condition. They are a severe drain upon the system, and are constantly sapping away the vitality. In every case the poison must be eliminated from the blood, and no amount of external treatment can have any effect.
There is no uncertainty about the merits of S. S. S.; every claim made for it is backed up strongly by convincing testimony of those who have been cured by it and know of its virtues by experience.
Mr. L. J. Clark, of Orange Courthouse, Va., writes: "For six years I had an obstinate, running ulcer on my ankle, which at times caused me intense suffering. I was so disabled for a long while that I was wholly unfit for business. One of the best doctors treated me constantly, but did me no good. I then tried various blood remedies, without the least benefit. S. S. S. was so highly recommended that I concluded to try it, and the effect was wonderful. It seemed to get right at the seat of the disease and force the poison out, and I was soon completely cured." Swift's Specific—
S. S. S. FOR THE BLOOD
—drives out every trace of impurity in the blood, and in this way cures permanently the most obstinate, deep-seated sore or ulcer. It is the only blood remedy guaranteed purely vegetable, and contains not a particle of potash, mercury, or other mineral. S. S. S. cures Contagious Blood Poison, Scrofula, Cancer, Catarrh, Eczema, Rheumatism, Sores, Ulcers, Boils, or any other blood trouble. Insist upon S. S. S.: nothing can take its place.

Persons troubled with diarrhoea will be interested in the experience of Mr. W. M. Bush, clerk of Hotel Dorrance, Providence, R. I. He says: "For several years I have been almost a constant sufferer from diarrhoea, the frequent attacks completely prostrating me and rendering me unfit for my duties at this hotel. About two years ago a traveling salesman kindly gave me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Much to my surprise and delight its effects were immediate. When I felt symptoms of the disease I would fortify myself against the attack with a few doses of this valuable remedy. The result has been very satisfactory and almost complete relief from the affliction." For sale by L. W. McConnell & Co.

Story of a Slave.
To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams of Manchester, Mich., tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, headache, backache, fainting and dizzy spells. This miracle-working medicine is a godsend to weak, sickly, rundown people. Every bottle guaranteed. Only 50 cents. Sold by McConnell, druggist.
