

A Word to Doctors

We have the highest regard for the medical profession. Our preparations are not sold for the purpose of antagonizing them, but rather as an aid. We lay it down as an established truth that internal remedies are positively injurious to expectant mothers. The distress and discomforts experienced during the months preceding childbirth can be alleviated only by external treatment—by applying a liniment that softens and relaxes the over-strained muscles. We make and sell such a liniment, combining the ingredients in a manner hitherto unknown, and call it

Mother's Friend

We know that in thousands of cases it has proved more than a blessing to expectant mothers. It overcomes morning sickness. It relieves the sense of tightness. Headaches cease, and danger from Swollen, Hard and Rising Breasts is avoided. Labor itself is shortened and shorn of most of the pain. We know that many doctors recommend it, and we know that multitudes of women go to the drug stores and buy it because they are sure their physicians have no objections. We ask a trial—just a fair test. There is no possible chance of injury being the result, because *Mother's Friend* is scientifically compounded. It is sold at \$1 a bottle, and should be used during most of the period of gestation, although great relief is experienced if used only a short time before childbirth. Send for our illustrated book about *Mother's Friend*.

Chronic Diarrhoea Cured.

This is to certify that I have had chronic diarrhoea ever since the war. I got so weak I could hardly walk or do anything. One bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy cured me sound and well. J. R. Gibbs, Fincastle, Va.

I had chronic diarrhoea for twelve years. Three bottles of Chamberlain's Colic, Cholera and Diarrhoea Remedy cured me. S. L. Shaver, Fincastle, Va.

Both Mr. Gibbs and Mr. Shaver are prominent farmers and reside near Fincastle, Va. They procured the remedy from Mr. W. E. Casper, a druggist of that place, who is well acquainted with them and will vouch for the truth of their statements. For sale by McConnell & Berry.

Tabler's Buckeye Pile Ointment relieves the intense itching. It soothes, heals and cures chronic cases where surgeons fail. It is no experiment; its sales increase through its cures. Every bottle guaranteed. Price, 50 cts. in bottles, tubes 75 cts. at McConnell & Berry's.

Some persons say they are never influenced by an advertisement.

It is not expected that any one will buy Ivory Soap solely because it is suggested by an advertisement, but if you have never used Ivory Soap, you may be induced to ask some friend about it; should you find—as you probably will—that she is enthusiastic in its praise, then you may try it.

Millions of people use Ivory Soap; they use it because they like it. You too will like it. There is a difference in soaps.
