3. S. S. Is the Only Remedy Equal to this Obstinate Discase.

There are dozens of remedies recommended for Scrofula, some of them no doubt being able to afford temporary relief, but S. S. S. is absolutely the only remedy which completely cures it. Scrofula is one of the most obstinate, deep-seated blood diseases, and is beyond the reach of the many so-called purifiers and tonics because something more than a mere tonic is required. S.S.S. as equal to any blood trouble, and never fails to cure Scrofula, because it

goes down to the seat of the disease, thus permanently eliminating every trace of the taint. The serious consequences to which Scrofula surely leads should impress upon those afflicted with it the vital im-

portance of wasting no time upon treatment which can not possibly effect a cure. In many cases where the wrong reatment has been relied upon, complicated glandular wellings have resulted, for which the doctors insist that a dangerous surgical operation is necessary.

Mr. H. E. Thompson, of Milledgeville, Ga., writes: "A and case of Scrofula broke out on the glands of my neck, which had to be lanced and caused me much suffering. I was treated for a long while, but the physicians were un-Table to cure me, and my condition was as bad as when I began their treatment. Many blood remedies were used, but without effect. Some one recommended S. S. S., and I began to improve as soon as I had taken a few bottles. Continuing the remedy, I was soon cured permanently, and have never had a sign of the disease to return." Swift's Specific—

S. S. O. FOR THE BLOOD

—is the only remedy which can promptly reach and cure obstinate, deep-seated blood diseases. By raining upon it, and not experimenting with the various 13. so-called tonics, etc., all sufferers from blood troubles can be promptly cured, anstead of enduring years of suffering which gradually but surely undermines the constitution. S. S. S. is guaranteed purely vegetable, and never fails to cure Scrofula, Eczer.a. Concer, Rheumatism, Contagious Blood Poison, Boils, Tetter, Pimples. Sores, Weers, etc. Insist upon S S S.; nothing can take its place. Books on blood and skin diseases will be mailed free to any address by the Swift Specific Company, Atlanta, Georgia.
