

# Boils and Pimples Give Warning.

## AN UNFAILING SIGN THAT NATURE IS APPEALING FOR HELP.

When Nature is overtaxed, she has her own way of giving notice that assistance is needed. She does not ask for help until it is impossible to get along without it. Boils and pimples are an indication that the system is accumulating impurities which must be gotten rid of; they are an urgent appeal for assistance—a warning that can not safely be ignored.

To neglect to purify the blood at this time means more than the annoyance of painful boils and unsightly pimples. If these impurities are allowed to remain, the system succumbs to an ordinary illness, and is unable to withstand the many ailments which are so prevalent during spring and summer.

Mrs. L. Gentile, 2004 Second Avenue, Seattle, Wash., says: "I was afflicted for a long time with pimples, which were very annoying as they disfigured my face carefully. After using many other remedies in vain S. S. S. promptly and thoroughly cleansed my blood, and now I rejoice in a good complexion, which I never had before."

Capt. W. H. Dunlap, of the A. G. S. R. C., Chattanooga, Tenn., writes: "Several boils and carbuncles broke out upon me, causing great pain and annoyance. My blood seemed to be in a riotous condition, and nothing I took seemed to do any good. Six bottles of S. S. S. cured me completely and my blood has been perfectly pure ever since."

**Three Doctors in Consultation.**  
From Benjamin Franklin: "When you are sick, what you like best is to be chosen for a medicine in the first place; what experience tells you is best, to be chosen in the second place; what reason (i. e., theory) says is best, to be chosen in the last place. But if you can get Dr. Inclinator, Dr. Experience and Dr. Reason to hold a consultation together, they will give you the best advice that can be taken."

When you have a bad cold Dr. Inclinator would recommend Chamberlain's Cough Remedy because it is pleasant and safe to take. Dr. Experience would recommend it because it is prepared on scientific principles, and acts on nature's plan in relieving the lungs, opening the secretions and restoring the system to a natural and healthy condition. For sale by McConnell & Berry.
