DEWEY TAKES A WIFE

Hero of Manila Bay Quietly Married to Mrs. Mildred Hazen.

WEDDING ARRANGEMENTS SECRET

Ceremony Performed at the National Capital-Wedding Breakfast Served at the Residence of Mrs. McLean, After Which the Couple Leaves for New

WASHINGTON, Nov. 10.-Admiral George Dewey and Mrs. Mildred M. Hazen were married quietly at the win, though by less pluralities than rectory of St. Paul's Catholic church | Goebel. in V street near Firteenth in this city shortly before 10 o'clock yesterday. The ceremony was performed by Rey. Joseph H. Foley, assistant pastor, and Rev. Sidney Hurlbut. The ceremony was of the simplest character, according to the rites of the Catholic church, and the only witnesses besides the officiating clergymen were Mrs. Washington McLean and Mrs. Ludlow, wife of Admiral Ludlow, mother and sister respectively of the bride, and Lieutenant Caldwell, Admiral Dewey's secretary.

The arrangements for the wedding were made with all the secrecy which has attended the whole affair. After procuring the license for the wedding yesterday Lieutenant Caldwell called on Father Mackin of St. Paul's, of which Mrs. Hazen is a communicant, and arranged for the wedding this morning. As Admiral Dewey is not a Catholic a special dispensation was required, and this was procured by Father Mackin from Bishop Curtis, vicar general of the diocese of Baltimore, who granted it in the absence of Cardinal Gibbons, who is at present in New Orleans. Father Mackin went to Baltimore for this purpose yesterday afternoon.

At 9:45 this morning two carriages containing the wedding party drew up before the modest red brick rectory in the rear of St. Paul's. The general public had no intimation that the ceremony was to take place and not a single spectator was present as the party alighted. Admiral Dewey and Lieutenant Caldwell quickly stepped from their carriage and the admiral assisted the bride-elect and her mother and sister from the other carriage Mrs. Hazen was gowned in a pearl gray silk, over which she wore a long stylish black wrap trimmed with silver fox and lined with lavender silk. The admiral wore a black frock coat, gray

Upon being presented to Father Mackin the admiral said that he had heard that Father Mackin had in his early years been a sailor and it gave him additional happiness to know that he was to be married by a clergyman who had at one time followed the sea. The Votes Will Have to Be Canvassed for Results.

FRANKFORT, Ky., Nov. 10 .- The county returning boards met in all the counties today to canvass the returns, and until then the result of Tuesday's election will be in doubt. Both sides

are charging fraud. Governor Bradley is being telegraphed by hundreds of republicans offering to come to the state capital

to prevent Taylor being counted out. Chairman Young of the democratio state central committee charges the republicans with attempting to perpetrate fraud in the mountain districts, where the heavy republican vote lies. Young says the official county by county returning boards today will give Goebel over 4,000. He also says all minor candidates on the state ticket

CLAIMS AND COUNTER CLAIMS.

Likely to Be a Contest in the Kentucky

Election. LOUISVILLE, Nov. 10 .-- A confusion of claims and counter claims, to quiet which the official count or perhars a contest before the legislature, is all that is left of Tuesday's election. Above it all vehement cries of fraud, committed or contemplated, are heard. Each side claims the election of its ticket by a plurality of about 4,000 and present figures to back up the claims. These figures in some counties vary widely and it is impossible to tell which side, if either, has accurate re-

Chairman Long, of the republican campaign committee, when asked for an estimate of the vote on the gubernatorial race, said:

"I have no estimate to give, but I can furnish the actual figures. On the face of the returns Taylor's plurality is 4,136. All of the precincts have been heard from. Twelve counties are not official, including the returns from Kenton and Brenthitt."

SIOUX CITY, Ia., Nov. 10 .- Ex-Governor Altgeld of Illinois spent yesterday in Sioux City and last night lectured at the opera house under the auspices of the local Trades and Labor assembly. Mr. Altgeld was asked to express an opinion on the recent elections. He said of course it is to be understood he is more than pleased with the showing of the fusionists in Nebraska. So fer as South Dakota is concerned he expresses no apprehension as to the situation with his party in that state, even though it has gone republican this time. Mr. Altgeld says the fact that the republicans got a majority at all is because the democrats and populists did not go to the polls. He says the voting was done by the republicans in the towns and cities and the followers of Bryan in the rural districts did not take enough interest in the election to go to the

Fit of Insanity Seizes a Burnington Passenger.

HASTINGS, Neb., Nov. 13.-F. G. Larned of Poland, N. Y., a passenger on No. 1 westbound Burlington passonger train, became suddenly insane and plunged through one of the car windows while the train was speeding PARALYSIS THE CAUSE OF DEATH. along over the prairie between Harvard and Saronville at the rate of fifty miles an hour. Mr. Larned was on his way to Haigler, Neb., accompanied by his wife and little son, where, with a brother, W. H. Larned, he is interested in raising sheep and also in the 5mpire Loan and Trust company. He was apparently enjoying his usual health and there had been nothing in his actions to give the slightest premonition of an unbalanced mind. Mr. Larned and his family were traveling in a chair car. He had just wrapped his wife's cloak about her and started to walk down the aisle when he gave a scream and made a dash for one of the windows. He went through the double window head first before any of the other passengers could stop him. The train was stopped and ran back to where he lay at the foot of a fifteen foot embankment. He was unconscious and bleeding from cuts about the head caused by the broken glass. The injured man was picked up and brought back to this city and is at the Lepin hotel under the care of the Burlington company's physician, Dr. Artz. He is badly injured about the head and one of his shoulders is dislocated.

Big University Attendance. LINCOLN, Neb., Nov. 13 .- A half score of years ago, almost to a day, Dr. Charles E. Bessey, then as now acting chancellor of the university of Nebraska, announced in the chapel with a great deal of pride that the total enrollment of the university had reached the unprecedented figure of 500. Ycsterday the acting chancellor announced that the new students admited this fall numbered 600. This indicates the rapid growth of the university and predicts an atendance close to 2,100.

The language department of the state university has an exceedingly large enrollment this year. Prof. Edgren, head of romance languages, has about 300 students, more than ever before. Prof. Fossler, head of Germanic languages, has 629 enrolled, which is also larger than in the past years. The new law library of the university is a great advantage to the law students.

The Price of Coal.

OMAHA, Neb., Nov. 13.-Railway men say that coal will probably take on a raise about November 15, for on that date the freight rates from the east will increase. For several months past, the rate from Chicago to the Missouri river, on both hard and soft coal, has been \$2 per ton. After November 15 it will be \$2.50 on hard coal, and \$2.25 on soft coal. While much of the coal comes from points nearer than Chicago, yet the effect will be much the same as for price, since the demand is up to the limit of supply.
