Alexander Stewart, who was once a resident and property owner of this city, died at Hastings on Tuesday morning. He was at one time an engineer on the B. & M. and was in the big wreck at Hubbel years ago. He lived at Wymore for a number of years and while on a trip at Lincoln a year or so ago it was discovered that he was mentally unbalanced, he having a penchant at that time of supplying his lady friends with fine silk hosiery.—Red Cloud Chief of the 12th.

A dispatch from Cheyenne, Wyoming last Thursday, to a Denver daily, gives the following version of the accident to and death of brakeman Emil Farman, formerly of this place, but late of Denver: "Emil Farman of Denver, a brakeman on the Cheyenne & Northern, was squeezed between the cars while making a coupling at Wheatland, today. Farman was brought to Cheyenne on a special train and died tonight. The physicians say that they could find no injuries that would cause death and it is believed here that the shock caused by Farman's narrow escape from the wheels caused his death. The remains will be taken to Denver tonight by the widow for interment."

NEVER TOO OLD TO BE CURED.

S. S. S. is a Great Blessing to Old People. It Gives Them New Blood and Life.

Age does not necessarily mean feebleness and ill health, and nearly all of the sickness among older people can be avoided. Most elderly people are very susceptible to illness, but it is wholly unnecessary. By keeping their blood pure they can fortify themselves so as to escape three-fourths of the ailments from which they suffer so generally. S. S. S. is the remedy which will keep their systems young, by purifying the blood, thoroughly removing all waste accumulations, and imparting new strength and life to the whole body. It increases the appetite, builds up the energies, and sends new life-giving blood throughout the entire system.

Mrs. Sarah Pike, 477 Broadway, South Boston, writes: "I am seventy years old, and had not enjoyed good health for twenty years. I was sick in different ways, and in addition, had Eczema terribly on one of my legs. The doctor said that on account of my age, I would never be well again. I took a dozen bottles of S. S. S. and it cured me completely, and I am happy to say that I feel as well as I ever did in my life."

Mr. J. W. Loving, of Colquitt, Ga., says: "For eighteen years I suffered tortures from a fiery eruption on my skin. I tried almost every known remedy, but they failed one by one, and I was told that my age, which is sixty six, was against me, and that I could never hope to be well again. I finally took S. S. S., and it cleansed my blood thoroughly, and now I am in perfect health."

S. S. S. FOR THE BLOOD is the only remedy which can build up and strengthen old people, because it is the only one which is guaranteed free from potash, mercury, arsenic and other damaging minerals. It is made from roots and herbs, and has no chemicals whatever in it. S. S. S. cures the worst cases of Scrofula, Cancer, Eczema, Rheumatism, Tetters, Open Sores, Chronic Ulcers, Boils, or any other disease of the blood. Books on these diseases will be sent free by Swift Specific Co., Atlanta, Ga.

The Way to go to California

Is in a tourist sleeper, personally conducted, via the Burlington route. You don't change cars; you see the finest scenery on the globe; you make fast time.

Your car is not so expensively furnished as a palace sleeper, but it is just as comfortable, just as good to ride in, and nearly \$20 cheaper. It has wide vestibules, Putsch gas, high-back seats, a uniformed Pullman porter, clean bedding, spacious toilet rooms, tables and a heating range. Being strongly and heavily built, it runs smoothly—is warm in winter and cool in summer.

In charge of each excursion party is an experienced excursion conductor, who accompanies it right through to Los Angeles.

Cars leave Omaha, St. Joseph, Lincoln and Hastings every Thursday, arriving in San Francisco on the following Sunday. Los Angeles on Monday—only three days from the Missouri river to the Pacific coast, including a stop-over of 1½ hours in Denver and 2½ hours in Salt Lake City—two of the most interesting cities on the continent.

A Lesson to Boys.

Some small boys were up on the carpet before his honor, Judge Bishop, this week, for using a "tick-tack" arrangement on the Phillips building to the detriment and damage of the fine plate glass. The boys got off with a lecture, but a repetition will be properly punished. The average young America needs to be firmly taught a proper respect for property, and if parents fail to inculcate this necessary lesson, it becomes the painful duty of the officers of the law to teach it.

Help... Nature

Babies and children need proper food, rarely ever medicine. If they do not thrive on their food something is wrong. They need a little help to get their digestive machinery working properly.

SCOTT'S EMULSION OF COD LIVER OIL WITH HYPOPHOSPHITES OF LIME & SODA

will generally correct this difficulty.

If you will put from one-fourth to half a teaspoonful in baby's bottle three or four times a day you will soon see a marked improvement. For larger children, from half to a teaspoonful, according to age, dissolved in their milk, if you so desire, will very soon show its great nourishing power. If the mother's milk does not nourish the baby, she needs the emulsion. It will show an effect at once both upon mother and child.

50c. and \$1.00, all druggists.
