

Cheap washing soaps and powders, too,  
With alkali are strong;  
The dire destruction which they do  
Is sure to show ere long.  
But Ivory Soap will never hurt  
The fabric, how'er tender;  
It makes short work of stain and dirt,  
But no work for the mender.

**W. C. T. U. COLUMN.**  
MRS. MINNIE FINITY, Press Supt.  
"For God, Home and Native Land."

The last business meeting of the W. C. T. U., held at Mrs. Howe Smith's, was quite well attended, considering the weather. The business was somewhat neglected, on account of the lively discussion participated in by all over the result of the city election. And any one who would like to know the tenor of the discussion can find out by attending our next meeting, which will be held at Mrs. H. J. Holmes, Friday, April 20th.

The whole police force of South Bethlehem, Pa., has sworn off, individually and collectively, and has taken a pledge to abjure strong drink. And, what is more, the round dozen men who are guardians of the town are proud of it. They are going about with a blue button pinned on their uniform as a warning to every one that they will no longer look upon whiskey when it is red and beer when it foams. Action followed a temperance revival.

Government officials are taking interest in the newly inaugurated temperance movement in the City of Mexico, and the board of health is giving encouragement to the temperance workers, for the vice of alcoholism, as reported in Mexico, every year, shows more and more deaths from cerebral congestion, due to the abuse of alcohol, and the government is alarmed at the results of the increased consumption of ardent spirits, declared by Mexican journalists to be the prime cause of four-fifths of the crimes—and the most appalling crimes—and poverty in that city. Mrs. Field, an American temperance worker, has written a book in Spanish, dealing with the drink evil, which will be used as a text-book there and in other Latin-American cities. President Diaz is known to be in cordial sympathy with the temperance movement, and is himself most abstemious. Various members of the cabinet have expressed themselves as pleased with the work in behalf of practical temperance.

At a meeting of the city council of Hopkins, Mo., a license was refused Joseph Stock and David Harnet to run a saloon in Hopkins, Mo. The county court, while in session at Marysville, recently granted them a county license, but it is useless without the city's sanction.

**Spreads Like Wildfire.**  
When things are "the best" they become the "best selling." Abraham Hard, a leading druggist, of Belleville, O., writes: "Electric Bitters are the best of all the things I have had in my store to show why? More diseases begin in disorders of stomach, liver, kidneys, bowels, blood and nerves. Electric Bitters tones up the stomach, regulates liver, kidneys and bowels, purifies the blood, strengthens the nerves, hence cures multitudes of ailments. It builds up the entire system. Puts new life and vigor into any weak, sickly, rundown man or woman. Price 50c. Sold by McConnell & Berry, druggist."

Unclaimed dogs in the Chicago pound are to be electrocuted. This will shock the humane society almost as greatly as the condemned canines.

W. W. Mayhew, Merton, Wis., says, "I consider One Minute Cough Cure a most wonderful medicine, quick and safe." It is the only harmless remedy that gives immediate results. It cures coughs, colds, croup, bronchitis, grippe, whooping cough, pneumonia and all throat and lung diseases. Its early use prevents consumption. Children always like it and mothers endorse it. D. W. Loar.

The German name for appendicitis is "wormfortsatzentzündung." There is some satisfaction to a doctor in cutting after a thing like that.

**A Horrible Outbreak.**  
"Of large sores on my little daughter's head developed in case of scald head," writes: C. D. Isbill of Morganton, Tenn., "but Bucklen's Arnica Salve completely cured her." It is a guaranteed cure for eczema, tetter, salt rheum, pimples, sore, ulcers and piles. Only 25c at McConnell & Berry's.

We take it as a matter of course that bell-girls will be employed in that new woman's hotel in New York.

**To Cure La Grippe in Two Days.**  
Take Lavative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's name on every bottle. 25c. 4-1.

Some men who go to a doctor for a simple remedy for a cold or a touch of biliousness will forever thereafter refer to him as "my physician."

Otto Kork, Grand Chancellor, K. P., Boomville, Ind., says, "DeWitt's Witch Hazel Salve soothes the most delicate skin and heals the most stubborn ulcer with certain and good results. Cures piles and skin diseases. Don't buy an imitation. D. W. Loar."

The Pittsburg News very happily classes Dewey as "the automobile candidate." He has no pull, and nobody is pushing him.

Perfect digestion is the only foundation for perfect health. The food we eat makes all the blood we have, which in turn feeds every nerve, muscle and tissue in the body. Herbine quickens the appetite, aids digestion, gives tone and vigor to all the functions and ensures good health. Price, 50c. A. McMillen.

President McKinley recently shook hands with 450 Boston girls in seven and a half minutes. He could have made a better record but was compelled to stop occasionally to slap his hands together to prevent them from being frost-bitten.

H. Clark, Chauncey, Ga., says DeWitt's Witch Hazel Salve cured him of piles that had afflicted him for twenty years. It is also a speedy cure for skin diseases. Beware of dangerous counterfeits. D. W. Loar.

**Be Careful**

No woman can be too careful of her condition during the period before her little ones are born. Neglect or improper treatment then endangers her life and that of the child. It lies with her whether she shall suffer unnecessarily, or whether the ordeal shall be made comparatively easy. She had better do nothing than do something wrong.

**MOTHER'S FRIEND**

is the one and the only preparation that is safe to use. It is a liniment that penetrates from the outside. External applications are eternally right. Internal medicines are radically wrong. They are more than humbugs—they endanger life.

Mother's Friend helps the muscles to relax and expand naturally—relieves morning sickness—removes the cause of nervousness and headache—prevents hard and rising breasts—shortens labor and lessens the pains—and helps the patient to rapid recovery.

From a letter by a Shreveport, La., woman: "I have been using your wonderful remedy, Mother's Friend, for the last two months, and find it just as recommended."

Druggists sell it at \$1 per bottle.

The prince of Wales has gone away down in the esteem of the wild and woolly element of the west. When he was shot at his hand did not instinctively dart around his hip pocket.

W. H. Shipman, Beardsley, Minn., under oath, says he suffered from dyspepsia for twenty-five years. Doctors and dieting gave but little relief. Finally he used Kodol Dyspepsia Cure and now eats what he likes and as much as he wants, and he feels like a new man. It digests what you eat. D. W. Loar.

THIS masterpiece represents a family of peasants in the harvest field. It is noonday—no air is stirring, and away off in the distance where the villagers are holding their country fair a balloon hangs in the sky. They gaze in mute astonishment, wonder, awe and admiration, revealed in their faces and attitudes. It is the work of a master hand. This is reproduced in colors, 22x30 inches, in a marvelous oil painting effect. You could not buy one for \$2.00. **CANCER IS DEADLY!**

Results Fatally in Nine Cases Out of Ten—A Cure Found at Last.

This fearful disease often first appears as a mere scratch, a pimple, or lump in the breast, too small to attract any notice, until, in many cases, the deadly disease is fully developed.

Cancer can not be cured by a surgical operation, because the disease is a virulent poison in the blood, circulating throughout the system, and although the sore or ulcer—known as the Cancer—may be cut away, the poison remains in the blood, and promptly breaks out afresh, with renewed violence.

The wonderful success of S. S. S. in curing obstinate, deep-seated blood diseases which were considered incurable, induced a few despairing sufferers to try it for Cancer, after exhausting the skill of the physicians without a cure. Much to their delight S. S. S. proved equal to the disease and promptly effected a cure. The glad news spread rapidly, and it was soon demonstrated beyond doubt that a cure had at last been found for deadly Cancer. Evidence has accumulated which is incontrovertible, of which the following is a specimen:

"Cancer is hereditary in our family, my father, a sister and an aunt having died from this dreadful disease. My feelings may be imagined when the horrible disease made its appearance on my side. It was a malignant Cancer, eating inwardly in such a way as to cause great alarm. The disease seemed beyond the skill of the doctors, for their treatment did no good whatever, the Cancer growing worse all the while. Numerous remedies were used for it but the Cancer grew steadily worse, until it seemed that I was doomed to follow the others of the family, for I know how deadly Cancer is, especially when inherited. I was advised to try Swift's Specific (S. S. S.), which, from the first day, forced out the poison. I continued its use until I had taken eighteen bottles, when I was cured sound and well, and have had no symptoms of the dreadful affliction, though many years have elapsed. S. S. S. is the only cure for Cancer.—Mrs S. M. IDOL, Winston, N. C.

Our book on Cancer, containing other testimonials and valuable information, will be sent free to any address by the Swift Specific Company, Atlanta, Georgia.
