

PROSPECT PARK.

Mrs. W. N. Cratty is slowly improving. J. J. Sly visited in Box Elder, Sunday.

Harvest is nearly here, and the crops look fine. Mary Thompson was the guest of the Misses Sly, last week.

Susie Wallace of Indianola was a Sunday guest of the Slys.

E. A. Dodge is entertaining H. D. Bundy and wife of Bedford, Iowa.

A number of the young people of this neighborhood expect to celebrate the Fourth in Cedar Bluffs.

Last Monday was Jacob Pickrell's 50th birthday, and a number of his neighbors and friends made the anniversary pleasant and worth remembering by surprising him at the noon hour, well provisioned for a substantial dinner, which was spread and enjoyed by all. May his days be long.

Neglect is the short step so many take from a cough or cold to consumption. The early use of One Minute Cough Cure prevents consumption. It is the only harmless remedy that gives immediate results. It cures all throat and lung troubles. Children all like it and mothers endorse it. D. W. Loar.

The citizens of Lawrence, Kansas, have petitioned the council to have the sidewalks widened. And that is a banner prohibition town, too.

Restores vim, vigor, mental and physical power, fills your body with warm, tingling life. That's what Rocky Mountain Tea does. 35c. Ask your druggist.

Reports show that over fifteen hundred lives have been saved through the use of One Minute Cough Cure. Most of these were cases of gripple, croup, asthma, whooping cough, bronchitis and pneumonia. Its early use prevents consumption. D. W. Loar.

INDIANOLA.

The new State bank building is about ready for occupancy.

Alta Hager has been spending a week or so in the big red stand-pipe town, visiting Virgie Ludwick.

THE TRIBUNE is always read with interest by its Indianola readers, who recognize it as the real thing.

Little Colonel Sammy now threatens to go down to Lincoln again with his little office broom clean out the Pop supreme court. The colonel might do more heroic service with his office towel; or, peradventure, with Colonel Cecil's leather lungs and adamantium gall. All failing, he might "do" the court with Colonel Comfort's "ego" of third-term fame.

The old town is arranging for a Fourth of July celebration of enjoyable particulars: Rev. J. S. Calhoun will deliver the oration of the day; good music, both vocal and instrumental, will be provided; there will be sports, races, horse races, foot races, sack races, catching greased pig and a game of base-ball between two of the leading clubs in South-western Nebraska; and a grand ball in Beardslee's hall in the evening. Liberal purses will be hung up. Low rates will be given on the railroads. You are all invited to come and bring your baskets with you and enjoy a picnic in the grove.

A Life and Death Fight.

W. A. Hines of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die, when I began to use Dr. King's New Discovery which wholly cured me. Hundreds have used it on my advice, and all say it never fails to cure throat, chest and lung troubles." Regular size 50c and \$1. Trial bottles free at McConnell & Berry's drug store.

SOUTH SIDE.

Harvest is almost upon us. The crops are looking well and all are busy. Clarence Goheen is harvesting his winter wheat, this week.

There was a knife lost at the school-house, last Monday evening, the owner can procure the same of Bert Overman.

J. E. Ludwick and Oscar Russell were in South Side, the fore part of the week, looking for a good place to locate a picnic.

Eunice Goheen will not come home, this vacation, having a good position in Hastings, where she expects to spend the summer.

There is some damage being done by both hoppers and army-worms, and we are also favored by the presence of chinch-bugs. After the school meeting, last Monday evening, while people were going to their respective abodes, there was a rumpus started and two or three of the boys (and some that were not boys,) did some pretty big talking. Finally things came to blows, but the scrapers were soon parted and peace was restored. Altogether it was a laughable affair and no one was badly hurt.

School meeting passed off very quietly, with a large per cent of the voters present, and all seemed interested in having the business of the district carried on in an up-to-date manner. Mr. Baker was elected to fill the office of moderator, which was vacant by W. S. Fitch's term having expired. It was voted to have a 17-mill tax levied and a 9-months term of school, the ensuing year.

Last Sunday was election of officers at the South Side Union Sunday-school, and the following officers were elected: S. G. Goheen was re-elected superintendent; Wm. Thomas, assistant sup't; Jenny Goheen, though objecting very strongly, was finally induced to again act as secretary, seeing there was a unanimous vote cast in her favor; Eurilla Fitch was chosen as chorister. There was a large turnout and all were well pleased with the proceedings. S. G. Goheen has had a great deal of experience in Sunday-school work and is making a grand success of the Sunday-school in South Side.

A Good Cough Medicine.

It speaks well for Chamberlain's Cough Remedy when druggists use it in their own families in preference to any other. "I have sold Chamberlain's Cough Remedy for the past five years with complete satisfaction to myself and customers," says Druggist J. Goldsmith, Van Etten, N. V. "I have always used it in my own family both for ordinary coughs and colds and for the cough following a gripple, and find it very efficacious." For sale by McConnell & Berry, Druggists.

A Kentucky man is seeking for the vice-presidential nomination on the Prohibition ticket. He must be either a new resident of that state or a budding humorist of no mean talent.

Those who have notions for one so young a substitute to think that that our same as Rocky Mountain Tea, made by the Madison Medicine Co. 35c. Ask your druggist.
