Mrs. James Smith, just returned to Tacoma, Wash., from Cook Inlet, Alaska, says that fully half of the thousand Indians in that section, comprising five tribes, are slowly dying of starvation. The influx of white prospectors has resulted in the killing off of much game, with the result that the Indians are deprived of flesh for food and furs for clothing.

At Haverhill, Miss., George W. Last has received word that he is the sole heir of an estate of \$250,000 in Spain. One of his relatives married a wealthy Spaniard, and by the death of his relative he comes into possession of the estate. He expects to soon visit Spain and secure the property. For some time past he has been employed as janitor of a school house.

The Newark, N. J., presbytery has taken up the four questions of the general assembly on revision of the confession of faith. The first, second and fourth questions were answered in the negative. In reply to the third inquiry the presbytery expressed a preference for a short creed, stating the essentials of the church's faith, which may be used as an alternative to its present standards by those presbyteries desiring to do so.

Joseph Flory filed with the secretary of state a sworn statement of his personal expenses in his race for governor of Missouri on the Republican ticket. John Edwards, battery sergeant major of the Royal artillery, shot himself through the heart at Halifax, N. S., just before he was to have been married. When the carriage arrived at the door of the military headquarters to take him to church he was found dead. Miss Carrie Allen, his sweetheart, was waiting at the altar at Trinity church for Edwards, when the news came by special messenger that he had committed suicide in the barracks. The bride-to-be fainted in the arms of the cryerman's arms. The news soon reached the ears of the persons present and an exciting scene ensued. It developed later that Edwards was already a married man and had a wife at Bermuda. Miss Allen is dangerously ill.

News is received at Washington of the death from typhoid fever of Mrs. McKinley's nephew, Assistant Paymaster J. S. Barber, at Fort Kong. The Cadbury Packing company, Chicago, has certified to the secretary of state an increase of capital stock from \$3,500,000 to \$7,000,000.

W. J. Bryan is firm in his determination to continue his residence in Nebraska. Early in the spring he will devote himself to his farm, extending his orchard and vineyard. He has already arranged to purchase a tract of land adjacent to the acres he already possesses.

The Tammany board has asked W. J. Bryan to defend some members of Tammany accused of election frauds.

Governor Murphy having been defeated for delegate to congress by Mark Smith, the chances are Arizona will not become a state just at once. Smith made a hurry, hurry race on a pro-Mormon, anti-statehood platform.

LAST MEETING IS HELD

Ministers in Peking Finally Agree Upon Terms of Treaty.

FOR THE GOVERNMENT'S APPROVAL

Principal Articles Much the Same as Given in the French Note—The American Cavalry Disperses Bandit Band in a Village Near Peking.

PEKING, Monday, Nov. 26.—The diplomatic body held a final meeting this morning and agreed upon the terms of the preliminary treaty. Nothing new remains except to secure the approval of the respective governments before definite negotiations with the Chinese peace commissioners are begun.

The precise terms of the settlement have not yet been made public here, but it is believed, outside the diplomatic corps, that the main points are in a substantial agreement with those contained in the French note to the powers, namely: punishment for the guilty, indemnity to governments and individuals, retention of strong legation guards and the occupation of certain places between Peking and Taku.

A party of American cavalry went today to disperse a band of bandits in a village sixteen miles from Peking. The village was found strongly fortified, but the Americans attacked and captured it, killing seven Chinese.

A secret edict from Sian Fu to the provincial viceroys and governors orders them to cease the manufacture of modern arms and revert to the old type of weapons, because modern arms "have proved utterly useless against the foreigners."

WASHINGTON, Nov. 26.—Such information as has come to the State department in the last few days is said to indicate a more favorable condition of affairs respecting the chances for a satisfactory understanding among the ministers of the powers than during the early part of last week, when a deadlock seemed imminent. Just what is the nature of this information is not stated, but probably it came as the result of Secretary Hay's latest note to the powers setting out afresh the object of the United States government as to China. This note contained the instructions that have been sent to Minister Conger and are believed to be of such a nature as to constitute an appeal from the extreme course suggested by some of the powers as to the treatment of the Chinese government on some of the matters upon which the ministers have been unable to agree. Nothing has come from Minister Conger during the last forty-eight hours.

LONDON, Nov. 26.—"The foreign envoys have agreed to demand," says a special despatch from Peking, "an extension of the legation area, so as to embrace everything from the Ha-Tu-Men gate of the Tien-Men gate, between the walls of the imperial and Tartar cities, a strip a mile long and a third a mile wide. M. Degiers (Russian minister) has declined to yield on the indemnity question, and some kind of a verbal compromise has been arranged."

The Morning Post publishes the following from its Peking correspondent, dated Saturday:

"Wang Wen Chao, now a cabinet minister, has written to Sir Robert Hart from Sian Fu that Emperor Kwang Su would be glad to return to Peking, but that his majesty would 'lose his face' if foreign troops were there."

The Tien Tsin correspondent of the Standard asserts that "the Russian volte face dates from the czar's illness."

HENDERSON IN WASHINGTON.

Has Little to Say Regarding Proposed Congressional Action.

WASHINGTON, Nov. 26.—Speaker Henderson arrived in Washington this morning from his Iowa home preparatory to the opening of congress in December. He was delayed on the trip by a wreck.

"I don't know that I have anything in particular to say about the approaching session of congress," he said in a hurried interview with a reporter. "We republicans are people who work, not talk. Both of the houses have fixed sittings. The house has the oleomargarine bill as a special order for the third day of the session and the senate is to consider the Nicaraguan canal bill, I believe, in December. But at any rate there will be no idling."

Wisconsin's Vote.

MILWAUKEE, Wis., Nov. 26.—A special to the Sentinel from Madison, Wis., says the official canvass of the vote of the state of Wisconsin in the election shows the count to be as follows: For president, Bryan, 159,291; Woolley, 10,080; McKinley, 265,292; Debs, 7,084; for governor, Bohmrch (dem.), 160,674; Smith (pro.), 9,712; La Follette (rep.), 264,420; Tuttle (s. l.), 6,527; Wilke (s. l.), 504.

Root Starts for Home.

ST. AUGUSTINE, Fla., Nov. 26.—The steamer Kanawka, with Secretary of War Root and General Wood of Cuba, lay off this port all day, expecting to cross the bar this evening, but had to give up and sail for Jacksonville, whence Secretary Root will go by rail to Washington. Governor General Wood will join Mrs. Wood and the children here and leave for Havana with them tomorrow.

Great Coal Deposits.

TACOMA, Wash., Nov. 26.—Coal outcrops have been traced seventeen miles along Chignik bay, 325 miles this side of Unimak Pass, Alaska. Claims covering the best part of these vast deposits have been filed by miners employed by Thomas Magon. The manager of the Apollo gold mines at Ungra says the veins uncovered to date are four and a half, five and nine feet thick, containing excellent lignite and bituminous coal. In the spring diamond drills will be employed to determine the depths and continuity of the deposits.

BANKRUPTCY LAW IS ABUSED.

Brandenburg Reports that Men of All Classes Impose Upon It.

WASHINGTON, Nov. 26.—E. C. Brandenburg, in charge of bankruptcies matters, has made a report to the attorney general on the operation of the bankruptcy act of July 1, 1898. The report says, with reference to voluntary cases, that advantage is being taken of the law by men of all classes and in all walks of life and in every section of the country.

The states showing the greatest number of petitions filed during the year are Illinois, with 3,008; New York, 3,007; Iowa, 992; Ohio, 857; Minnesota, 845 and Pennsylvania, 809.

The smallest number of voluntary petitions were filed in the following states: Nevada, 6; Delaware and Wyoming, 12 each; Idaho, 30; South Carolina, 37; Oklahoma, 29; Florida, 67, and Rhode Island, 69.

The grand total of petitions filed in the United States for the period ending September 30, 1900, is 20,128, exclusive of those for the western district of Louisiana, the district of Alaska and for half of the year for the southern district of Georgia, New Jersey, the eastern district of North Carolina, the western district of Tennessee and the eastern district of Virginia, from which semi-annual reports that of the voluntary petitions all were not received.

From the clerk's reports it appears adjudicated bankrupt except 237, in which the petitions were dismissed, and that discharges were refused in seventy-one cases. Compositions were confirmed in 205 cases.

The liabilities in 19,504 voluntary cases reported by the referees amounted to \$264,979,192, while the total amount of assets scheduled in these cases was \$23,998,771.

The summary also discloses the fact that of the petitions filed in eighty-six cases the liabilities were less than \$100; in 1,879 cases, between \$100 and \$500; in 2,256 cases, between \$500 and \$1,000; in 7,861 cases, between \$1,000 and \$5,000; in 2,941 cases, between \$5,000 and \$10,000; in 1,872 cases, between \$10,000 and \$20,000, and in 2,191 cases, more than \$20,000. These reports also show that in 11,107 cases assets were scheduled, while 7,917 petitioners had no assets.

WERE ATTACKED BY BOLOMEN.

Users of Primitive Weapons Assisted in Recent Battle.

MANILA, Nov. 26.—Particlars have just been received from Hilo of the battle of October 30 at Bugason, Island of Panay, when 200 bolomen and fifty riflemen attacked the Americans, wholist three killed—Lieutenant H. M. Koonz, Sergeant Kitchen and Corporal Burns, all of Company F, Forty-fourth infantry.

It appears that Corporal Burns was bolded while reconnoitering and Lieutenant Koonz and Sergeant Kitchen were pierced by spears while going to relieve an outpost.

When the garrison force attacked the rebels forty-nine of the latter were killed. None of the other parties of attacking natives made much of a stand, and the insurgents lost 103 killed, all told.

First Lieutenant Albert E. McCabe of the Thirtieth Volunteer infantry has been appointed inspector in the forestry bureau.

Death of Czar Reported.

BRUSSELS, Nov. 26.—A private telegram from Paris makes the assertion that the czar is dead. There is no confirmation from any other source.

LONDON, Nov. 23.—The rumor of the czar's death appears to be unfounded. Nothing to confirm it has been received at the Russian embassies in Berlin and Paris and the embassy here has received nothing since the bulletin yesterday (Thursday).

Chaffee's Casualty List.

WASHINGTON, D. C., Nov. 26.—The following casualty report from General Chaffee has been received at the war department:

"TAKU, Nov. 17.—Adjutant General, Washington: The following casualties have occurred since last report: November 3 at Tien Tsin, Clifford R. Bedford, company E, Fourteenth infantry, typhoid fever; November 14, at Peking, Edward J. Jennings, civilian teta-meter, chronic leprosy.

May Have Lung Trouble.

ST. PETERSBURG, Nov. 26.—It was more than this afternoon that Emperor Nicholas is threatened with lung complications which, if they exist, would materially diminish his chances of recovery. Inflammation of the lungs is a common complication of typhoid fever in Russia. Thus far there is no official confirmation of the rumor.

Figaro Editor Dead.

PARIS, Nov. 26.—M. Valfrey, the foreign editor of the Figaro, died last evening of pneumonia. He was 62 years of age. M. Valfrey rose to the rank of minister plenipotentiary in the diplomatic service and his having been well acquainted with "behind the scenes" in the diplomatic world gave much authority to his articles, which were generally signed "Whist."

An Anti-Trust Bill.

LAPORTE, Ind., Nov. 26.—Senator Nathan L. Agnew is drafting an anti-trust bill for presentation at the forthcoming session of the state legislature. It will be a drastic measure. Senator Agnew is a friend of Governor Mount and the statement is made that the bill will reflect the governor's views.

Relatives in Luck.

BUTTE, Mont., Nov. 26.—Several weeks ago John Sullivan, an old bachelor, died at Seattle, leaving an estate valued at \$300,000, of which \$150,000 was in cash. Since then attorneys for the estate have searched all over the country for relatives, finally discovering a nephew and niece of the dead man, living in Butte. They are Dennis Sullivan, a miner, and his sister, Mrs. Charles Cramer. These are the only relatives living. The family came from Berhaven, Ireland, from which place the Seattle man departed from thirty-five years ago.

AN INVALID STATUTE.

Judges Decide Against State Transportation Board.

LINCOLN, Neb., Nov. 26.—Chief Justice Norval has held that the board of transportation is null and void and the other two judges of the Nebraska supreme court concur. The law is declared unconstitutional because it was not properly passed by the two houses of the legislature. This decision wipes from the statutes a law that has been in force since 1887 and leaves practically no railroad regulation in force. The old maximum rate law is dormant or inoperative, and upon the next legislature will devolve the duty of enacting a new law or of submitting to the people a constitutional amendment providing for the election of railroad commissioners by the people. These or other remedies may be proposed.

Following is the syllabus of the opinion: The provisions of section 11, article 3 of the constitution, relative to the mode of enacting laws are mandatory. The title to a legislative act is a part thereof and must clearly express the subject of legislation.

An enrolled bill in the office of the secretary of state is only prima facie evidence of its passage.

Where the legislative journals unequivocally contradict the evidence furnished by the enrolled bill the former will control. Webster vs. City of Hastings, 81 N. W. 510.

A statute is invalid which the legislative journals show was never passed in the mode prescribed by the constitution.

A statute is invalid which is not read in each house of the legislature on three different days.

Chapter 60, 1887, is void as the act as enrolled was not passed by the legislature in the mode prescribed by section 11, article 3 of the constitution.

Judge Holcomb occurred in the opinion and added the following: "Although not entirely agreeing with the course of reasoning pursued by the chief justice in the foregoing opinion, I concur in all the propositions stated in the syllabus and regard as irresistible the conclusion that the act under consideration failed to pass both branches of the legislature, in compliance with the commands of the constitution."

The principal fault in the passage of the bill was the change in the title. The same title did not pass both houses and the house journal does not show that the title was amended in that body.

Totals on State Officers.

LINCOLN, Neb., Nov. 26.—In the preliminary canvass of the vote for state officers the following totals were obtained:

For Secretary of State—George W. Marsh, republican, 115,546; C. V. Svoboda, fusionist, 110,775; D. L. Whitney, prohibitionist, 4,077; W. C. Starkey, mid-road populist, 1,408; Frank Newman, socialist, 667.

For State Auditor—Charles Weston, republican, 115,250; Theodore Griess, fusionist, 110,852; Wilson Brodie, prohibitionist, 3,931; James Taylor, mid-road populist, 1,543; C. V. Aul, 831.

For State Treasurer—William Steuffer, republican, 115,974; Samuel B. Howard, fusionist, 111,838; C. C. Crowell, prohibitionist, 3,988; C. Lipton, mid-road populist, 1,373; T. S. Jones, socialist, 879.

Appointments by the Governor.

LINCOLN, Nov. 26.—Governor-elect Dietrich gave it out that he had appointed H. C. Lindsay of Pawnee City private secretary and Mr. Lindsay called upon the governor and notified him of his acceptance. O. G. Smith of Kearney has been appointed assistant superintendent of the State Industrial school at Kearney. Mr. Dietrich appointed five Lincoln women on the advisory board for the Home of the Friendless at Lincoln and the Industrial home at Miltoia. The members appointed for this board are Mrs. W. J. Bryan, Mrs. A. J. Sawyer, Mrs. G. M. Lambertson, Mrs. D. E. Thompson and Mrs. C. H. Gere.

Earns Her Vacation in the Field.

FREMONT, Neb., Nov. 26.—Among the 700 students at the Fremont Normal school is a young woman about seventeen summers who seems determined to overcome all obstacles in the way of getting an education. She is of American descent and has no relatives living who are able to help her. Last fall farm hands were scarce in the county of Nebraska in which she lives and she applied to a neighbor for a job in the fields husking corn. He agreed to pay her the usual rate per bushel and she took her team and went into the field with the men and kept up with them.

Cuming County Notes.

WEST POINT, Neb., Nov. 26.—The record of mortgage indebtedness of this county is still satisfactory. Mortgagees filed in the clerk's office for the past week are \$3,000, as against \$7,100 released.

A peculiar disease is attacking cattle in this vicinity. They become sick and die after being in the cornstalks for a short time. Numbers of farmers have lost valuable stock in this manner.

Charged With Larceny.

PLATTSOUTH, Neb., Nov. 24.—Charles Sheppard, colored, was tried in district court for stealing \$50 from his employer, John Schiappicasse, a fruit dealer. Sheppard was a janitor and the evidence indicated that he stole a sack containing the money.

State Capital Notes.

LINCOLN, Neb., Nov. 26.—The superintendent of the Hospital for the Insane at Norfolk has filed with the auditor his estimate of the expenses of that institution for the next two years. It calls for an appropriation of \$96,400. Only one more state institution remains to be heard from, the Institute for Feeble Minded Youth at Beatrice. The total of the estimates is nearly \$2,000,000.

Governor Poynter has granted a request from the governor of Kansas for the return of James H. Worley.

HAD BEEN DEAD A LONG TIME.

Mysterious Disappearance of Erick Sobol Finally Cleared Up.

COZAD, Neb., Nov. 24.—Erick Sobol, a German, sixty-six years of age, was found dead in a canyon ten miles southwest of here by two hunters. The body was hanging to a plum tree. Three strands of binding twine were tied to the plum tree about fourteen inches from the ground. The other end was around the dead man's neck. The tree is on the edge of a ledge, and the body was hanging over the ledge.

Sobol disappeared a year ago and it appears that he hung himself the same day that he disappeared, and the body had been hanging by the neck in the canyon for a year. The coyotes and birds feasted upon the remains. One of the legs and feet were found some distance from the body. The eyes appeared to have been pecked out by birds.

Sobol had been working for Godfrey Ingalls for three years for his board and often stated that he had once a good home, but he decided it to his son, with the understanding that he (the son) would care for him during the remainder of his life, but one day the son turned him out of doors and he has had no home since.

Some think that there has been foul play, claiming that the binding twine that was around his neck was not stained, but as bright as new.

Where to Apply for Place.

LINCOLN, Nov. 24.—Thus far the republican candidates on the state ticket have been worried lightly by applicants for office, but from this time on they expect no rest. Already some have gone into hiding. For the benefit of those who wish to send applications by mail, the following list has been prepared:

Governor: Charles H. Dietrich, Hastings.
Lieutenant governor: Ezra P. Savage, Sargent.
Secretary of state: George W. Marsh, Falls City.
Auditor: Charles Weston, Hay Springs.
Treasurer: William Steuffer, West Point.
Superintendent: William K. Fowler, Blair.
Attorney General: Frank N. Prout, Beatrice.
Land commissioner: George D. Foelmer, Oak.

Lost in the Missouri.

NEBRASKA CITY, Neb., Nov. 24.—Alex Croger, a carpenter and contractor, went over the river with his two daughters and a son, nearly all grown, for hunting and fishing. After they had been over there some time he became separated from the party, and soon they heard someone calling for help. They searched everywhere but could find no trace of him. Next morning a party, headed by Mr. Croger's wife, went over the river, and after a search found his hat caught in some brush on the bank of the river. Mr. Croger carried a great deal of insurance in various orders. The members of the orders will endeavor to find the body, and will keep up the search until they do.

Must Decide by Lot.

COLUMBUS, Neb., Nov. 24.—There were four offices in this county which at the late election neither yielded to the republican snowslide nor maintained the proud fusion dignity of the community. P. H. Roberts and Fred Wille each received just one vote for constable in Shell Creek township; John Bruen and William Hoffmann, Jr., each two votes for the same office in Grand Prairie; John Boe and Henry Cattau each thirty for overseer in District No. 46, Bismarck township; E. M. Vaught and William H. Pugsley each 114 for assessor in Monroe township. The parties will all cast lots for the respective places.

The Electoral Vote.

LINCOLN, Nov. 24.—The electoral vote of Nebraska minus the vote in Hitchcock county, gives McKinley a majority of 8,047; based on the average of the vote cast for the eight electors on each side. The tabulation, taking the vote for Nesbit and Loback, the first electors on the ticket on each side, gives McKinley a majority of 7,900. Dietrich's majority over Poynter, although the vote has not yet been canvassed, is believed to be 861.

Vote on Presidential Electors.

LINCOLN, Nov. 24.—The vote on presidential electors was tabulated in the office of the secretary of state, minus Hitchcock county, whose returns on electors had to be sent back for correction. Hitchcock county gave about 100 majority for fusion. The total vote of the state this year, not counting Hitchcock county, is 249,928. With Hitchcock county it will reach 250,000 as compared with 230,735 four years ago.

Fellows for Steward.

PLATTSOUTH, Neb., Nov. 24.—Rush O. Fellows, editor of the Plattsouth Post, is an applicant for the appointment as steward of the Lincoln insane asylum. Mr. Fellows has been editing a republican newspaper in Nebraska for the past quarter of a century, entering upon his career with the late John A. McMurphy on the old Plattsouth Herald.

Dr. Teal Is Named.

HASTINGS, Neb., Nov. 24.—Governor-elect Dietrich appointed Dr. Frederic Teal of Omaha superintendent of the Norfolk asylum. The final choice for this position had simmered down to Dr. Bailey of Lincoln and Dr. Teal, but Mr. Dietrich received word from Dr. Bailey stating that he did not want to be considered as an applicant for the position, as he was not desirous of giving up his practice. Mr. Dietrich has also appointed Mr. C. J. Miles of Hastings and Mr. Jenkins of Fairbury to the honorary positions as members of his staff.

An Irving Story.

Sir Henry Irving tells a good story against himself. On his return from America, a banquet was given in his honor, at which Lord Russell presided. During the dinner Lord Russell said to Sir Henry, "It would be so much better if Comyns Carr proposed your health; I can't make speeches." To which Sir Henry replied gently, "I heard you make a rather good speech before the Parnell commission." "Oh, yes," said the lord chief justice, "but then I had something to talk about."

A PROMINENT LADY

Speaks in Highest Terms of Peruna as a Cataract Cure.

Mrs. M. A. Theatro, member Rebecca Lodge, Iola Lodge; also member of Woman's Relief Corps, writes the following letter from 1323 Jackson street, Minneapolis, Minn.:

Mrs. M. A. Theatro, Minneapolis, Minn.

Peruna Medicine Co., Columbus, O. Gentlemen—As a remedy for cataract I can cheerfully recommend Peruna. I have been troubled with chronic cataract for over six years. I had tried several remedies without relief. A lodge friend advised me to try Peruna, and I began to use it faithfully before each meal. Since then I have always kept it in the house. I am now in better health than I have been in over twenty years, and I feel sure my cataract is permanently cured."

Peruna cures cataract wherever located. As soon as Peruna removes systemic cataract the digestion becomes good, nerves strong, and trouble vanishes. Peruna strengthens weak nerves, not by temporarily stimulating them, but by removing the cause of weak nerves—systemic cataract. This is the only cure that lasts. Remove the cause; nature will do the rest. Peruna removes the cause. Address The Peruna Medicine Company, Columbus, Ohio, for a book treating of cataract in its different phases and stages, also a book entitled "Health and Beauty," written especially for women.
