Pretty Children

"We have three children, before the birth of the last one my wife used to be called MOTHER'S FRIEND. If you had a glance at the pictures of our children, you could see at a glance that the last one is healthiest, prettiest and finest-looking of them all. My wife thinks Mother's Friend is the greatest and grandest remedy in the world for expectant and nursing mothers."

MOTHER'S FRIEND

prevents influenza and suffering incident to childbirth. The coming mother's disposition and temper remain unaltered throughout the ordeal, because this penetrating liniment relieves the usual distress. A good-natured mother is pretty sure to have a good-natured child. The patient is kept in a strong, healthy condition, which the child also inherits. Mother's Friend takes a wife through the crisis quickly and almost painlessly. It assists in her rapid recovery, and wards off the dangers that so often follow delivery.

Dust on Sea.

Great quantities of dust collect on the decks of vessels at sea, no matter if they are swept twice or thrice a day. Most of it too is found on sailing vessels. The inference is that the sails act as dust collectors, arresting the particles which drift in the air.
