

SYRUP OF FIGS

IS AN EXCELLENT FAMILY LAXATIVE—
IT IS REFRESHING TO THE TASTE
AND ACTS PLEASANTLY AND GENTLY.
IT ASSISTS ONE TO OVERCOME
HABITUAL CONSTIPATION
PERMANENTLY

With many millions of families Syrup of Figs has become the ideal home laxative. The combination is a simple and wholesome one, and the method of manufacture by the California Fig Syrup Company ensures that perfect purity and uniformity of product, which have commended it to the favorable consideration of the most eminent physicians and to the intelligent appreciation of all who are well informed in reference to medicinal agents.

Syrup of Figs has truly a laxative effect and acts gently without in any way disturbing the natural functions and with perfect freedom from any unpleasant after effects.

In the process of manufacturing, figs are used, as they are pleasant to the taste, but the medicinally laxative principles of the combination are obtained from plants known to act most beneficially on the system.

COUNT OF THE BALLOTS

State Results Quite Generally Favorable to the Republicans.

THE LOCAL CONTESTS ARE MIXED

The Landslide in Greater New York Abounds Democrats—Additional Returns From Nebraska, Iowa, Massachusetts and Other States.

OMAHA, Nov. 7.—In this city these were successful candidates in the late election: Sheriff, Power, dem.; judge, Vinsonhaler, rep.; clerk, Unitt, rep.; treasurer, Elsass, dem.; register, Deuel, dem.; coroner, Brailey, rep.; superintendent, Bodwell, rep.; surveyor, Edquist, rep.; representative, Battin, rep.; county commissioner, Connolly, dem.; Waterman, rep.; O'Keefe, dem.; police judge, Berka, rep.; school board, Andresen, Cermak, Homan, Funkhouser, McIntosh.

Judge Sedgwick and the republican candidates for university regents on the state ticket have carried Douglas county by some 1,700 majority. The regents run close to the supreme court and close to one another.

LINCOLN, Nov. 7.—From all returns received up to noon Chairman Lindsay of the republican state central committee estimates that Judge Sedgwick's plurality will exceed 7,000. The entire republican ticket is elected in Lancaster county. Complete returns give Jesse Moore, candidate for register of deeds a majority of 31, and B. F. Knight, candidate for treasurer, over 800. All other nominees are elected by between 1,000 and 2,100.

A table of forty-two counties, complete, shows a plurality for Sedgwick of 6,001. These same counties last year gave Dietrich, republican candidate for governor, a plurality of 41, a net gain over last year of 5,960, when Dietrich had a plurality in the state of 861. This would indicate that the republican plurality on the head of the state ticket will be in the neighborhood of 10,000, as the counties included in the table represent more than half the vote of the state for governor last year. Partial returns from other counties show that the same ratio of republican gain obtains throughout the state.

OMAHA, Nov. 7.—The Herald says: Figures secured by the World-Herald covering about 70 per cent of the state vote on judge of the supreme court of Nebraska indicate that in 1,121 voting precincts of the state out of the total number of 1,611, that Sedgwick has received 74,527 votes, and that Hollenbeck has received 63,118 votes, thus giving Sedgwick a majority up-to-date in the first heard from portions of the state, customarily republican, of 11,409.

But comparisons with the Holcomb-Reese vote of two years ago for the same position indicate that this majority will receive a big trimming down on the late precincts.

The Result in Iowa.

DES MONIES, Nov. 7.—Returns are coming in slowly, only one-half of the 2,100 precincts have been heard from. If the same percentage of gain in majority continues, Cummins, republican candidate for governor, will have 92,000 over that of Phillips, democrat.

The prohibition vote has been largely increased, advancing from 9,000 last year to 25,000 this year.

Practically every precinct heard from shows a falling off in the democratic vote.

Republicans Own Colorado.

DENVER, Colo., Nov. 7.—In the election of county officers in Colorado, the republicans won in most of the large counties except Arapahoe. Complete returns from all the precincts in this city and all county precincts except one show that all the democratic candidates were elected in Arapahoe by majorities ranging from 2,000 to 4,000. In many counties the result is mixed, the offices being divided between democrats and republicans.

Will of Edward Stokes.

NEW YORK, Nov. 7.—The will of Edward S. Stokes, who died on Saturday last at the residence of his sister, Mrs. McNutt, was filed in the surrogate's office yesterday. The will was executed on February 13, 1891, before Mr. Stokes had the disagreement with his cousin, W. E. D. Stokes, and the latter is the chief beneficiary under the will. No petition setting forth the value of the property left by Mr. Stokes was filed with the will.

Virginia Democrats 25,000. RICHMOND, Va., Nov. 7.—Latest returns in the election figures do not alter the figures first sent out. Those figures place the democratic majority on the state ticket about 25,000. The indications are that the republicans have elected one senator and fourteen members of the house. This is a gain of eleven on the present general assembly, but that body will still be overwhelmingly democratic in both branches.

Headgear of Columbia's Men.

Many pictures of Columbia's crew in white, with toboggan caps on their heads, have been published from time to time, observes Victor Smith, but they have not lessened interest in the peculiar headgear of Barr's pets. Boys wear such caps in the streets in cold weather, plainly knitted articles of every conceivable color, with tasseled peaks hanging down the back. Sometimes a pompon takes the place of the tassel. Columbia's crew wears toboggan caps of horizontal stripes of yellowish green and bluish black, and the general effect reminds you of Palmer Cox' Brownies or of watchful sprites materialized.

Vienna's Appetite for Horse Meat.

Consul General Hurst, at Vienna, sends to the American department of state an account of the horse meat industry of the Austrian capital, which now calls for the slaughter of some 25,000 horses and half a hundred donkeys annually—horse meat being sold under close public regulation, and as such and not something else, and finding a market among the poor on account of its 50 per cent lower price as compared with ordinary meat.

AN HONEST NAME.

An Illinois Statesman Tells a Good Story—Knew His Father's Son Would Not Lie.

The Honorable Alva Merrill of Chillicothe, member for the Twenty-fourth District, State of Illinois House of Representatives tells an interesting story:

Some two years ago Mr. Merrill gave a testimonial stating that Dodd's Kidney Pills cured his rheumatism. This with Mr. Merrill's portrait were published in thousands of papers all over the United States.

On the train returning home from Springfield one day last winter were the Honorable Mr. Merrill and several other members. After a time one of them said:

"Merrill, what time do you get to Chillicothe?"

This attracted the attention of an old man who had been apparently awaiting some identification of Mr. Merrill and as soon as he heard the name he rushed up to his seat and extending his hand said:

"You are Alva Merrill and you saved my life. I was most dead with Lumbago and in an advertisement I saw your picture and your recommendation of Dodd's Kidney Pills. I knew your father, and I knew his son would not lie, and therefore I decided to try the Pills.

"I am satisfied that Dodd's Kidney Pills and nothing else have saved my life and I have been waiting this opportunity to thank you personally, for had I not seen your recommendation I might never have been led to use this remedy, but, thanks to God, through your honest name and the honest medicine which you so heartily recommended I am still alive.

"I have been watching you since you got on the train at Springfield and thought I recognized your face as the one I had seen in the advertisement, and as soon as this gentleman called you by name, I knew you were the man I had to thank."

Saying mean things is the one bad habit cultivated most assiduously by the average woman.

We get old trying to stay young, but we do not stay young trying to be old.

AN OPEN LETTER

Address to Women by the Treasurer of the W. C. T. U. of Kansas City, Mrs. E. C. Smith.

"MY DEAR SISTERS:—I believe in advocating and upholding everything that will lift up and help women, and but little use appears all knowledge and learning if you have not the health to enjoy it.

MRS. E. C. SMITH.

"Having found by personal experience that Lydia E. Pinkham's Vegetable Compound is a medicine of rare virtue, and having seen dozens of cures where my suffering sisters have been dragged back to life and usefulness from an untimely grave simply by the use of a few bottles of that Compound, I must proclaim its virtues, or I should not be doing my duty to suffering mothers and dragged-out housekeepers.

"Dear Sister, is your health poor, do you feel worn out and used up, especially do you have any of the troubles which beset our sex, take my advice: let the doctors alone, try Lydia E. Pinkham's Vegetable Compound; it is better than any and all doctors, for it cures and they do not."—Mrs. E. C. SMITH, 1212 Oak St., Treasurer W. C. T. U., Kansas City, Mo.—\$5000 forfeit if above testimonial is not genuine.

Mrs. Pinkham advises sick women free. Address, Lynn, Mass.

It takes a coward to stay wrong when he knows he is wrong.

When a girl's education is complete her diploma is a marriage license.

Smooth Old Bishop.

Had Bishop Potter of New York not become eminent as a churchman, he might have won high honors as a diplomat. Asked by a lady the other day what he thought of female suffrage he answered: "I have got far beyond that point; I am trying to make the best terms with the sex that I can obtain."

Look at the Labels!

Every package of cocoa or chocolate put out by Walter Baker & Co., bears the well-known trade-mark of the chocolate girl, and the place of manufacture, "Dorchester, Mass." Housekeepers are advised to examine their purchases, and make sure that other goods have not been substituted. They received three gold medals from the Pan-American exposition.
