DRIFTWOOD.

Mrs. Eva Wade and son Lynn visited at Mrs. J. M. Hammond's, the other day. W. A. Kipp's folks have a new boy at their house; he is on the Everist place. Charles Boatman is threshing grain, today, and Cone Tuttle's machine is doing the work.

Mrs. J. M. Hammond was able to go to McCook, Saturday; am glad she is getting along so nicely.

The young people met at C. W. Woker's, Monday evening, to practice their dialogue for literary.

Joe Scott is moving onto the Menard place, three miles from where he now lives, going to work for Mr. Menard by the month.

Mrs. L. J. Burtless and Mrs. W. G. Dutton were out calling on the sick, Mrs. J. M. Hammond and Grandma Dodge, recently.

Say, Mr. TRIBUNE MAN, can't you get after your county correspondents so they will do better? We all want to know what is going on in the county.

J. M. Baldwin and wife had a runaway, Monday. The team broke the buggy, hurt Mrs. B. some,—didn't learn how badly she was hurt—and tore the harness to pieces. They had to get a conveyance of I. H. Wasson to get home.

What fine weather! If some of the eastern people, who are in the mud in some places and in snow in others, were here a short time they would fall in love with the climate. Having lived in seven different states, can say if crops were sure here this is finest of all for climate.

Children Especially Liable.

Burns, bruises and cuts are extremely painful and if neglected often result in blood poisoning. Children are especially liable to such misfortune because not so careful. As a remedy DeWitt's Witch Hazel Salve is unequalled. Draws out the fire, stops the pain, soon heals the wound. Beware of counterfeits. Sure cure for piles. "DeWitt's Witch Hazel Salve cured my baby of eczema after two physicians gave her up," writes James Mock, N. Webster, Indiana. "The sores were so bad she soiled two to five dresses a day." McConnell & Berry.

Another Tourist Excursion to California.

To accommodate the increasing travel to California the Burlington Route has added to its service another weekly excursion, in tourist cars, personally conducted. The Burlington's through car service to California is as follows:

Standard Sleepers—Daily Omaha, Lincoln, Hastings and Oxford to San Francisco, connecting at latter city with fast train for Los Angeles.

Tourist Sleepers—personally conducted—every Thursday, Omaha, Lincoln, Fairmont, Hastings and Holdrege to San Francisco; every Wednesday and Thursday, Kansas City, St. Joseph, Wymore, Superior and Oxford to San Francisco and Los Angeles.

All these cars run via Denver and Salt Lake City, passing the grand panorama of the Rockies by daylight.

If you're going to California, you will be interested in our new 40-page folder, "California Tours—1902." It is free. 124-9th, J. FRANCIS, J. FRANCIS, Gen. Passenger Ag't, Omaha, Neb.

REMARKABLE CURE OF CROUP.

A Little Boy's Life Saved.

I have a few words to say regarding Chamberlain's Cough Remedy. It saved my little boy's life and I feel that I cannot praise it enough. I bought a bottle of it from A. E. Steer of Goodwin, S. D., and when I got home with it the poor baby could hardly breathe. I gave the medicine as directed every ten minutes until he "threw up" and then I thought sure he was going to choke to death. We had to pull the phlegm out of his mouth in great long strings. I am positive that if I had not got that bottle of cough medicine, my boy would not be on earth today.—JOEL DEMONT, Inwood, Iowa. For sale by McConnell & Berry, druggists.

Many an innocent little darling is suffering untold agony and cannot express its troubles. Mark the child's symptoms, you may find it troubled with worms; give it White's Cream Vermifuge and restore it to quietness and health. Price 25 cents. A. McMillen.

BANKSVILLE.

The weather manager is good to us. R. S. Thomas was in these parts, last week, buying cattle.

August Wesch is doing some fencing for his winter pasture.

Harve Rowland is hauling and coralling fodder, these days of good weather.

Bert and Al Benjamin were hauling wood from Elm creek, Hitchcock county, last week.

Joe Relp was at Cedar Bluffs, Kansas, Saturday.

Ethel Peters visited the school in Dist. 51, Monday.

Uncle Jimmie Lawthers was in this vicinity, Wednesday.

Mr. Matson was in this neighborhood hunting for a stray mule, Saturday.

Pearl Hays visited relatives at Prospect Park, last Saturday and Sunday.

The fine weather for the past few weeks, while being good for stock, is only one kind of January weather, and all should take advantage of it and be prepared for what may come.

Don't Live Together.

Constipation and health never go together. DeWitt's Little Early Risers promote easy action of the bowels without distress. "I have been troubled with costiveness nine years," says J. O. Green, Depauw, Ind. "I have tried many remedies but Little Early Risers gave best results." McConnell & Berry.

In pulmonary trouble, the direct action of Ballard's Horehound Syrup upon the throat, chest and lungs immediately arrest the malady, by relieving the distress, cutting the phlegm and freeing the vocal and breathing organs. Price 25 and 50 cents. A. McMillen.

NORTH COLEMAN.

Ed Osbaugh is convalescing.

Interesting Bible-readings and prayer-meetings, every Wednesday evening, at Spring Creek.

A Cure for Lumbago.

W. C. Williamson, of Amberst, Va., says: "For more than a year I suffered from lumbago. I finally tried Chamberlain's Pain Balm and it gave me entire relief, which all other remedies had failed to do." Sold by McConnell & Berry, druggists.
