

The Baby . . .

Needs good comfortable shoes. His little feet should not be neglected. Too many shoes are sold wholly on their looks with no thought about the fit or comfort of the foot. Our baby shoes are bought direct from factory manufacturing an exclusive line for the little feet. Making this line their whole study, places us in a position to give our trade a shoe that is not only a wonder in style and finish, but is made from the best material and on the correct lasts to fit the baby foot. If you will be kind enough to call we will be glad to show you not only the finest but the cheapest line of baby footwear in the city.

Do Good--It Pays.
 A Chicago man has observed that "Good deeds are better than real estate deeds--some of the latter are worthless. Act kindly and gently, show sympathy and lend a helping hand. You can't possibly lose by it." Most men appreciate a kind word and encouragement better than substantial help. There are persons in this community who might truthfully say: "My good friend, cheer up. A few doses of Chamberlain's Cough Remedy will rid you of that cold, and there is no danger whatever from pneumonia when you use that medicine. It always cures. I know it for it has helped out many a time." Sold by McConnell & Berry.

Cut this out and take it to McConnell & Berry's drug store and get a free sample of Chamberlain's Stomach and Liver Tablets, the best physic. They cleanse and invigorate the stomach, improve the appetite and regulate the bowels. Regular size, 25c per box.

Forty Years' Torture.
 To be relieved from a torturing disease after forty years' torture might well cause the gratitude of anyone. That is what DeWitt's Witch Hazel Salve did for C. Haney, Geneva, O.  William Coleman has just had a letter from his daughter Edith in Oklahoma. She has been in bed eight weeks. Sept. 15th, three doctors held a council and then told her there was not one chance in a hundred for her. They gave her up to die. For fifty hours she never got her breath except in gasps. She lay at the point of death from midnight Sunday night to midnight the next Sunday night. She was wrapped in scalding poultices for ninety hours and then began to get better, and is now able to sit up a little while at a time.

More than seventy-five per cent of the people in the United States are afflicted with these two diseases and their effects, such as sour stomach, sick headache, habitual constiveness, palpitation of the heart, heartburn, water-brash, gnawing and burning pains at the pit of the stomach, yellow skin, coated tongue and disagreeable taste in the mouth, coming up of food after eating, low spirits, etc. Go to your druggist and get a bottle of Angut Flower for 75 cents. Two doses will relieve you. Try it. Get Green's Special Almanac.
