**A Good Thing.**  
German Syrup is the special prescription of  
Dr. A. Boesche, a celebrated German Physician,  
and is acknowledged to be one of the most fortunate  
discoveries in medicine. It quickly cures  
coughs, colds and lung troubles of the severest  
nature, removing the cause of the affection and  
leaving the parts in a strong and healthy condi-  
tion. It is not an experimental medicine, but  
has stood the test of years, giving satisfaction  
in every case which its rapidly increasing sale  
every season confirms. Two million bottles sold  
annually. Boesche's German Syrup was intro-  
duced in the United States 1888, and is now sold  
in every town and village in the civilized world.  
Three doses will relieve any ordinary cough.  
Price 75 cents. Get Groen's Special Almanac.

**Finds a Way to Live Long.**  
The startling announcement of a discovery  
that will surely lengthen life is made by Editor  
O. H. Downey of Chubbuck, Indiana. "I wish  
to state," he writes, "that Dr. King's New Dis-  
covery is the most infallible remedy that I have  
ever known for coughs, colds and grip. It is  
invaluable to people with weak lungs. Having  
this wonderful medicine no one need dread

## Coughing

"I was given up to die with  
quick consumption. I then began  
to use Ayer's Cherry Pectoral. I  
improved at once, and am now in  
perfect health."—Chas. E. Hart-  
man, Gibbstown, N. Y.

It's too risky, playing  
with your cough.

The first thing you  
know it will be down  
deep in your lungs and  
the play will be over. Be-  
gin early with Ayer's  
Cherry Pectoral and stop  
the cough.

Three sizes: 25c., 50c., \$1. All druggists.

Consult your doctor. If he says take it,  
then do as he says. If he tells you not  
to take it, then don't take it. He knows.  
Leave it with him. We are willing.
