

Takoma

King Solomon had a thousand wives
And when he staid out late
To face a thousand mothers-in-law
Was his unhappy fate.

But after frequent trouble,
He got the idea right—
To just Takoma Biscuit
And everything was bright.

ORDER TO SHOW CAUSE.

In the District court of Red Willow county, state of Nebraska. In the matter of the estate of Moritz Mohler, insane. This cause came on for hearing upon the petition of J. E. Kelley, guardian of the estate of Moritz Mohler, insane, praying for license to sell the west half of the northeast quarter and the east half of the northwest quarter of section number twenty-eight, in township number four, north, range number twenty-nine-west of the 6th P. M., or a sufficient amount of the same to bring the sum of \$250.00 for the payment of debts allowed against said estate and expenses of administration, there not being sufficient personal property to pay such debts and expenses. It is therefore ordered that all persons interested in said estate appear before me at chambers at my office in McCook, in said county, on the first day of May, 1903, at one o'clock p. m., to show cause why a license should not be granted to said guardian to sell so much of the above-described real estate of the said Moritz Mohler, insane, as shall be necessary to pay said debts and expenses. And it is further ordered that a copy of this order be published once each week for four successive weeks in THE McCOOK TRIBUNE, a newspaper printed and published in said county of Red Willow. Dated this fifth day of March, 1903.—3-6-4ts. R. C. ORR, Judge of the District Court. C. E. ELDBRED, Attorney.

More Riots.

Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the liver or kidneys as Electric Bitters. It's a wonderful tonic, an effective nerve and the greatest all around medicine for run down systems. It dispels nervousness, rheumatism and neuralgia and expels malaria germs. Only 50c, and satisfaction guaranteed by L. W. McConnell, druggist.

READ IT THROUGH.

"'Twould Spoil This Story to Tell it in the Headlines."

To use an eighteenth century phrase, this is an "over true tale." Having happened in a small Virginia town in the winter of 1902, it is a story very much of the present. Up to a short time ago Mrs. John E. Harmon, of Meffa Station, Va., had no personal knowledge of the rare curative properties in Chamberlain's Cough Remedy. "Last January," she says, "my baby took a dreadful cold and at one time I feared she would have pneumonia, but one of our neighbors told me how this remedy had cured her little boy and I began giving it to my baby at once and it soon cured her. I heartily thank the manufacturers of Chamberlain's Cough Remedy for placing so great a cure within my reach. I cannot recommend it too highly or say too much in its favor. I hope all who read this will try it and be convinced as I was." For sale by L. W. McConnell.
