Stabbing affray in Bartley, Monday morning about seven o'clock. Bryan was taken to Dr. Brown who dressed the wounds. County Attorney Eldred and Sheriff Crabtree were called by phone and came down on 12. Simpson had gone to the country. Mr. Eldred filed the proper papers with Squire Baker who issued a warrant for the arrest of Simpson and placed it in the hands of Sheriff Crabtree, who with Marshal Ritchie went out to O. S. Van Doren's farm five miles from Bartley, where they arrested Simpson and brought him back to Bartley. "I got temporary relief, but it came back again, and for six long years I have suffered more misery and agony than I can tell. It was worse than death. My husband spent hundreds of dollars for physician's prescriptions and treatment, without avail. Finally we moved to Bosque county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy with a testimonial of a man who had been cured by it. The case was so similar to my own that I concluded to try the remedy. The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that one bottle of medicine, costing but a few cents, cured me." For sale by L. W.
