A Scientific Discovery.
Kodol Dyspepsia Cure does for the stomach that which it is unable to do for itself, even when but slightly disordered or overloaded. Kodol Dyspepsia Cure supplies the natural juices of digestion and does the work of the stomach, relaxing the nervous tension, while the inflamed muscles of that organ are allowed to rest and heal. Kodol Dyspepsia Cure digests what you eat and enables the stomach and digestive organs to transform all food into rich, red blood. Sold by L. W. McConnell.

Cured of Piles After 40 Years.
Mr. C. Haney of Geneva, O., had the piles for 40 years. Doctors and dollars could do him no lasting good. DeWitt's Witch Hazel Salve cured him permanently. Invaluable for cuts, burns, bruises, sprains, lacerations, eczema, tetter, salt rheum and all other skin diseases. Look for the name DeWitt on the package—all others are cheap, worthless counterfeits. Sold by L. W. McConnell.

Grinding Your Teeth
on tough beefsteak is certainly annoying—but have you tried ours? Our meats are selected by careful and competent judges of quality, and we use every effort to furnish one but fresh, tender and nutritious meats for our trade. This is the way it is at Marsh's meat market all the time.

Paints and Oils.
For barns, sheds and out-buildings; can furnish a mineral of different colors that will not fade and makes a cheap paint. We carry the best mixed paint—The Lincoln. Now is a good time to paint as oil is very low in price. Let us figure with you. A. McMILLAN, Druggist.

October Roll of Honor.

The latest—that silver-nickel ware at W. T. Coleman's.

Wanted: 50 Men and Women.
Lon Cone & Co., the enterprising druggists, are advertising today for 50 men and women to take advantage of the special half-price offer they are making on Dr. Howard's celebrated specific for the cure of constipation and dyspepsia, and get a 50-cent package at half-price, 25 cents.

So positive are they of the remarkable power of this specific to cure these diseases, as well as sick headaches and liver troubles, that they agree to refund the money to any customer whom this medicine does not quickly relieve and cure.

With Dr. Howard's specific at hand, you can eat what you want and have no fear of ill consequences. It strengthens the stomach, gives perfect digestion, regulates the bowels, creates an appetite, and makes life worth the living.

This is an unusual opportunity to obtain 60 doses of the best medicine ever made for half its regular price, with the personal guarantee of a well known business firm to refund the money if it does not give satisfaction.

If you cannot call at Lon Cone & Co.'s store today, send them 25 cents by mail, and they will send you a package, promptly, charges paid.

Only Makes a Bad Matter Worse.
Perhaps you have never thought of it but the fact must be apparent to every one that constipation is caused by a lack of water in the system, and the use of drastic cathartics like the old fashioned pills only makes a bad matter worse. Chamberlain's Stomach and Liver Tablets are much more mild and gentle in their effect, and when the proper dose is taken their action is so natural that one can hardly realize it is the effect of a medicine. Try a 25 cent bottle of them. For sale by all druggists.

Chamberlain's Stomach and Liver Tablets are becoming a favorite for stomach troubles and constipation. For sale by all druggists.

The display of books, pictures and fancy lamps being shown by Cone Bros. is attracting much attention.

Don't get left. Buy your cut-glass of W. T. Coleman at the right price.

"Oxygen is Life"

The Perfected Oxygen King

A safe, simple scientific system of treatment which enables the sick and afflicted to cure themselves in their own homes without the aid of doctors or medicine.

It cures by flooding the body with pure oxygen from the surrounding atmosphere.

This system of treatment has long since passed the experimental stage, as it is now more than twelve years since the first instruments of this class were placed upon the market, and at the present time there are hundreds of thousands in use in nearly all parts of the United States and in foreign countries. Experience proves that 85 per cent of sick, given up to die by doctors, can be either radically cured, or greatly benefited by this simple treatment.

Here are some of the strong points in favor of this system of treatment as against all others, to-wit:
NO MEDICINES WHATSOEVER ARE USED, therefore no expense except first cost of instrument. Lasts a lifetime, and will keep a whole family in health. Absolutely safe and so simple that a child ten years old can use it successfully. Treatment usually taken at night while patient sleeps, with no unpleasant sensations whatever. Will cure all manner of acute diseases without the possibility of failure if properly used. Will cure many kinds of chronic diseases supposed to be incurable. Will be of great benefit in all cases, even those hopelessly incurable.

To the skeptical we would say: What would you think of a man, who, living ten miles from town, should refuse the use of a telephone to send an urgent message, simply because he had never used one and didn't understand the principle, therefore insisted on making the journey in person?

Facts are Stubborn Things

and the claims being made for the "Oxygenor" are being daily demonstrated all around you. If you are in poor health, and getting well nigh hopeless and discouraged by reason of repeated disappointments in your efforts to be cured, then we say:

QUIT TAKING STRONG MEDICINES, which kill more than they cure. Investigate the Oxygenor system of treatment. Yes, we say investigate, INVESTIGATE. There are only two ways of getting at the facts in this world—one is by the evidence of other people, and the other is by personal experience.

We have over 1,000 names of the leading citizens of the state, and thousands of them in other parts of the U. S. which we would gladly refer you to as to the great curative powers of the Oxygenor. These persons have been cured of all manner of diseases, and many of them have been chronic sufferers for years. IN ALL ACUTE AILMENTS such as croup, the grippe, scarlet fever, diphtheria, pneumonia, pleurisy, and typhoid fever, we have had years of experience and where the Oxygenor treatment was followed strictly, as laid down in our instructions, there has not been a failure, and I will say personally, that I know I am speaking within truthful bounds, when I say that I have treated all the above named diseases with the Oxygenor, and as yet have not been baffled over five days, and I have the proofs of these statements in my possession. There is no bluff in these statements. Come and investigate.

Untimely Death Prevented

The Oxygenor disarms all disease of its terrors, prevents untimely death, and makes its possessors independent of doctors, drugs, nostrums, etc., by utilizing nature's own most powerful remedy, pure oxygen. By using the Oxygenor every human being may enjoy perfect health and, barring accidents, live to an advanced old age. The Oxygenor has saved thousands of precious human lives and restored scores of thousands of human beings to health and happiness.

The Proper Course

Take the Oxygenor treatment in the beginning, or at the first appearance of any ailment, and avoid expense, disappointment and much suffering. By the proper use of the Oxygenor all persons may establish and maintain the highest vigor, and make disease in any form a mere inconvenience of very short duration. For further information as to this scientific treatment, call or write for our health journal, which is free on application. Office at Palmer House.
