

The New Pullmans.
Owing largely to sanitary considerations, the Pullman company has adopted a new standard sleeper which little resembles the ornate cars built a few years ago. The new standard is severely plain and is devoid of all scroll and grill work.

Insist on Getting It.
Some grocers say they don't keep Defiance Starch because they have a stock in hand of 12 oz. brands, which they know cannot be sold to a customer who has once used the 16 oz. package. Defiance Starch for same money.

A woman's idea of economy is to have her husband shave himself for six months so that she can get a new spring bonnet.

More Flexible and Lasting, won't shake out or blow out, by using Defiance Starch you obtain a better result than possible with any other brand and one-third more for same money.

Leadership does not depend wholly on leg ability.

Beware of Ointments for Catarrh that Contain Mercury,

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten times as great as any possible benefit they may offer. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price, 75c. per bottle. Take Hall's Family Pills for constipation.

Never make a fool of yourself to please other fools.

NEWS IN NEBRASKA

NEBRASKA WOMEN RECEIVE.

Turn Food Product Pavilion into a Reception Hall for Occasion.

ST. LOUIS—The resourcefulness of the Nebraska club women stood them in good stead on Thursday, the great reception day of the seventh biennial. With the other delegations of the Louisiana purchase states receiving in handsomely equipped state buildings, the Nebraska women, true to the spirit that has given them a place in the foreground, established themselves for the afternoon in the Nebraska club pavilion conducted by a Nebraska club woman, Mrs. Harriet S. MacMurphy, for the demonstration of Nebraska food products, and there between 4 and 6 o'clock received. From a fund made up by the delegation the adjuncts of a reception were supplied to supplement a welcome unsurpassed by any other and the little reception room was taxed to accommodate the guests. In the reception line were the state officers and club presidents, and as the guests departed each was given a spray of Nebraska grass as a souvenir.

The Iowa reception was one of the most brilliant of the afternoon. Governor and Mrs. Cummins received with the officers and ex-officers of the Iowa State Federation, every ex-president being in the line. The handsomely equipped building furnished an adequate seating capacity for the brilliant function.

SLEEPING CAR BURNS UP.

Fire Discovered While Train is Running at High Speed.

SIDNEY—The Burlington Billings-Denver train, known as No. 201, due here at 5 a. m., did not reach here until 11:40 a. m., and after a short stop proceeded on its way to Denver. When out fourteen miles from here the Pullman sleeping car was discovered to be on fire. Conductor Ryan immediately transferred the passengers to the day coach and everybody tried his utmost to extinguish the flames, but the fire had made such rapid headway that the car was burned.

The train was running fifty miles an hour and the greatest excitement prevailed, and at one time it was thought the entire train would be consumed.

The sleeper was a new ten-section Pullman and had only been in service a short time.

A Farmer Severely Beaten.

FREMONT—Chris Thompson, a Saunders county farmer, was severely beaten a day or two ago by a couple of tramps. He was out working with a team on his farm and had taken out a jug of water, which he left at one end of the field near the road. The two tramps, evidently thinking that the jug contained something stronger, came along and emptied the jug, after first taking a drink. When he reached that end of the field he had some words with them about the matter and both pitched onto him. He is a strong, powerful man, but no match for the two, and they pounded him so badly that it was some time before he regained consciousness.

Irrigation Matters.

The Belmont Irrigating Canal and Water Power company of Omaha has filed amended articles of incorporation providing for a capital of \$450,000.

John Potmesil of Dunlap, Dawes county, has filed application with the state board of irrigation for permission to use water from the Niobrara river for the irrigation of 580 acres. The cost of his plant is stated at \$625.

Panic Narrowly Averted.

BEATRICE—A panic was narrowly averted at the Paddock opera house during an entertainment given by a moving picture show. The cover over the machine caught fire and many instantly broke for the door, but the flames were quickly extinguished and quiet was restored by several officers who stood at the main entrance.

Three Years in Penitentiary.

NELSON—Joseph Hastey of Superior, who has been in the county jail for the past three months awaiting trial on the charge of criminal assault, appeared in district court and pleaded guilty and received a sentence of three years in the penitentiary.

The right-of-way for the Omaha, Decatur & Northern Suburban road has been secured, all but a few pieces near Tekamah, and the prospects are for active operations in grading, etc., between Tekamah and Decatur as soon as the grade stakes can be driven.

Stallion Attacks Man.

LINCOLN—An angry stallion came near killing his owner, Oscar Portlock, a Bethany machinist. When Portlock entered the stable early in the morning the animal did not step aside, as he was ordered to do. The man gave him several sharp cuts with a whip. The stallion, infuriated, seized Portlock by the left arm, dashed him on the floor of the stall, and shook him about as a cat does a mouse. The man's cries of pain and terror brought some neighbors to the rescue.

THE STATE AT LARGE.

Families are arriving to work in the beet fields around North Platte.

The Auburn Canning Factory company is making arrangements to double its capacity for corn.

The prospects for a large fruit crop in the vicinity of Stanhour were never better than at present.

Polk county's total assessment this year will be between \$200,000 and \$300,000. Last year it was between \$70,000 and \$90,000.

Right Rev. Bishop Bonacum of Lincoln administered first communion and confirmation to a class of sixty children at Stanhour.

Alex Robinson, one of the pioneer merchants of South Auburn, has sold his stock of boots and shoes, clothing and furnishing goods to A. F. Wickstram of Omaha.

A move is on foot in Beatrice to celebrate the Fourth of July in true American style. The Commercial club and the fire department will hold a meeting to perfect arrangements.

The old homestead of the late Senator Paddock, located just north of Beatrice, and which consists of a modern dwelling and one block of ground, has been sold to Emil Lang of that city.

John W. Ladd returned to Creighton from Neligh, having in his possession the black mare that was stolen from his livery barn. Mr. Ladd was unable to obtain any tangible clue as to who stole the horse.

Work on the big ditch in Burt county is only waiting the arrival of necessary machines, and will be pushed as fast as possible. This will be the largest ditch in the state outside some of the irrigating ditches in the arid regions of the state.

Fire from unknown origin was discovered in the barn of George Wigton at Hastings. The barn, two ponies, buggy and harness, feed and hay, and the household furniture of Mrs. G. E. Pucket, which were stored there, were totally destroyed.

Reports from over Hall county say some sections of the county is being infested by cut worms and that they are doing considerable damage to early vegetation. The farmers say the only thing that will stop them is lots of wet weather, this having killed them off last year.

A committee consisting of the following well known residents of Elmwood have been chosen to perfect arrangements for the annual district reunion of the Grand Army of the Republic, which will be held June 30 to July 4, inclusive: John A. Stork, James Woodard, E. T. Comer, Willis Bartlett and H. Denman.

The tower of the main building of the Fremont normal school caught fire on account of the electric light wires becoming crossed. It was put out by the students before the department arrived and without much damage being done. For a time there was considerable excitement around the buildings.

Grain rates for northwestern Nebraska territory were adjusted on a basis which was not disclosed by the railway freight agents. Apparently there was some disagreement between the various roads, for the Chicago, St. Paul, Minneapolis & Omaha will publish a tariff without reference to the rates agreed upon by the Willmar & Sioux Falls and the Northwestern.

Sheriff McBride received a telephone message from Murock, Cass county, saying that his general merchandise store was burglarized again and three watches, rings and other valuables to the amount of \$300 taken. This is the second visit of burglars to this store within ten days, the sheriff returning yesterday with two men accused of breaking in this place May 9.

The preliminary examination of William L. Newby, an attorney of Friend, on the charge of uttering a deed knowing it to be forged and fraudulent, was had before Justice J. V. Shestak at Wilber and the defendant held for trial at the next term of district court under \$1,000 bail, which was given.

The saloons of Loren Bennett and Peter Sorben and the hardware store of the Edwards-Bradford company at Elgin were entered. Some money and goods were taken in each place. Sheriff Frisbie came with the hounds from Neligh, but the rain since the raid had spoiled the scent and the dogs could do nothing. It is supposed to have been the work of home parties.

The body of William Edison, a laborer, was found under the bridge over the upper end of the mill pond at Irvington. The body was identified by Zach Ellis, the storekeeper there, who formerly was a detective on the Omaha police force. Mr. Ellis says he saw Edison near his store Monday night, and that he was considerably under the influence of liquor. The supposition is that Edison fell into the water by accident and not design.

Mrs. Hannah Bowman, one of the pioneers of Stanton county, died Saturday of old age. The deceased was born in Ohio eighty-four years ago, and moved with her parents to Indiana at an early age. In 1868 she came to Stanton with her husband and family. She was the mother of nine children, four of whom are living. Two of her sons, Eli and Bradley, live in South Dakota; William, near Lincoln, and one daughter, Mrs. F. M. Moorhead, lives in Stanton, with whom the deceased spent the latter days of her life.

SOCIETY WRECKED HER LIFE.

Mrs. J. E. Finn.

In Society.

A woman in society is obliged to keep late hours. She must attend receptions and balls. She seldom allows herself a quiet evening at home. Her whole time is taken up in keeping engagements or entertaining in her own home.

Her system becomes completely run down as a consequence. She soon finds herself in a condition known as systemic catarrh. This has also been called catarrhal nervousness.

If every society woman could know the value of Peruna at such a time, if they could realize the invigorating, strengthening effect that Peruna would have, how much misery could be avoided.

Letters from society women all over the United States testify to the fact that Peruna is the tonic for a run down, depleted nervous system.

Mrs. J. E. Finn, 83 East High street, Buffalo, N. Y., writes:

Peruna Medicine Co., Columbus, Ohio.

Gentlemen:—"A few years ago I had to give up social life entirely, as my health was completely broken down. The doctor advised a complete rest for a year. As this was out of the question for a time, I began to look for some other means of restoring my health.

"I had often heard of Peruna as an excellent tonic, so I bought a bottle to see what it would do for me, and it certainly took hold of my system and rejuvenated me, and in less than two months I was in perfect health, and now when I feel worn out or tired a dose or two of Peruna is all that I need."—Mrs. J. E. Finn.

Mrs. J. W. Reynolds, Elkton, Ohio, writes:

"I owe my health and life to Peruna. We rarely call in a physician, in fact it has been years since I have taken any other medicine than yours. I am afraid of drugs, and although I have been sick many times I have taken only your medicines. They are wonderful indeed. We have a very large house and entertain a great deal and I do all my own work, thanks to Peruna."—Mrs. J. W. Reynolds.
