The trusts have been receiving their dues of late. Miss Tarbell's history of the Standard Oil Company, which is still pursuing its intensely interesting course in McClure's magazine, is, as may well be supposed, attracting wide attention. We are told that notwithstanding the fact that Miss Tarbell goes | Hobson. into matters that the great corporation of which she writes prefers not to have lican City, guest of her sister Mrs. M. disclosed and discussed, the author has M. Fisk. been accorded every courtesy by those whose ways she is exposing, and afforded every facility for discovering the

If the day ever comes when the death the trusts will have no one but them- to the homefolks. selves to hold responsible for the fate they meet. As one reads the pages of this story he cannot but wonder how it is possible that our laws and our authorities will permit the commission of the crimes of which this gigantic freebooter has been guilty. Its officers have not make their future home. stopped at any act that would further their criminally selfish ends. They | company of young friends, last evening have bought legislatures and judges, they have pillaged, robbed and murdered,-and they have committed all these offenses with impunity, and without hindrance or check. The law, which should be our safe-guard, has been no barrier. They fear nothing. That may DR. E. COMBIE SMITH of the First be the reason they are permitting the disclosures to be made. They have Dakota, where he is identified with preached Sunday last on "Christ in violated every obligation that men owe large commercial and banking interests. Modern Life", using as his text, I Cor- to society, and they have prospered to a greater degree than any other man or course he gave the following striking combination of men. It is insolence, and rather unusual definition of religion: because they feel secure in their entranchments, rather than frankness, that makes them indifferent to publicity.

The most remarkable story of its sort that has been written, is Thomas F now appearing in Everybody's Magazine. The following real estate filings have This, too, describes in graphic terms, the inner workings of a trust. It is in the nature of a confession, for Thomas F. Lawson himself was as deeply interested in copper as any other man. This fact makes the story of unusual interest. This, too, is a story of selfishness and greed and crime, one that has Holdrege, her guest. Cards were playscarcely a parallel. It is difficult to realize how men can become so utterly depraved and wicked as were the promoters of this enterprise. When the wealthy 2200 and powerful defy the laws as these men do there is some extenuation for the violence that marks every conflict be-One Lady's Recommendation Sold Fifty tween capital and labor. The one regret is that it should be the innocent rather than the guilty who suffer,

I have, I believe, sold fifty boxes of It is somewhat of a relief to turn from Chamberlain's Stomach and Liver Tab- these chronicles of crime to Lincoln lets on the recommendation of one lady | Steffen's comparatively optimistic artihere, who first bought a box of them cle in the August number of McClure's about a year ago. She never tires of magazine, entitled Enemies of the Retelling her neighbors and friends about public, in which he takes the view that the good qualities of these tablets.-P. Mr. Deneen's nomination for governor M. Shore, druggist, Rochester, Ind. of Illinois is a herald of better times, a The pleasant purgative effect of these triumph for the good. One wonders whether it really is as much of a victory tablets makes them a favorite with as Mr. Steffens tells us it is, or whether

Night Was Her Terror.

Small waists are no longer in style. "I would cough nearly all night long," frightfully and spit blood, but, when all other medicines failed, three \$1 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure coughs, colds, la grippe, bronchitis and all throat and lung troubles. Price 50c and \$1. L.W. McConnell, druggist. Trial bottles

Falling hair means weak hair. Then strengthen your hair; feed it with the only hair food, Ayer's Hair Vigor. It checks falling hair, makes the hair

grow, completely cures dandruff. And it always restores color to gray hair, all the rich, dark color of early life.

"My hair was falling out badly and I was afraid I would lose it all. Then I tried Ayer's Hair Vigor. It quickly stopped the falling and made my hair all I could wish it to be."
