**WHY DON'T YOU?**

We are surprised that you haven't written for our new fall catalog. Why don't you? Because it's free? Is that it? An old drinker, who loved whiskey, once got hold of a glass of water by mistake and liked it so well that he wanted to buy a bottle, but when they told him it was free he said, "You ought to charge for it—you'd sell more," and he went back to whiskey again. If we charged for our catalog and you paid for it you'd make money—but we don't charge—we just make you spend a cent for a postal card to order it on and send it absolutely free. It contains samples of cloth, pictures of suits for men, women and boys—prices of everything to wear.

Take a postal, address it to Nebraska Clothing Co., Omaha, Neb.—turn it over and write on it your address and say "Catalog" and you'll get it by next mail.
