Autumn: The Great Excursion Period.
To St. Louis—You will regret it for years if you fail to see the St. Louis exposition. Special low coach excursion rates made daily each week from Sunday to Thursday, inclusive: seven days limit. Slightly higher rates for tickets good in sleeping cars, with longer limits.

Very low one-way rates to the far west and Pacific coast.—For instance: \$20 to Salt Lake, Helena and Butte territory. This low rate west-bound, when added to your return rate east-bound, makes a very low round trip rate.

Home-seekers' excursions—the first and third Tuesdays of each month to northwest and southwest.

Chicago and back—Daily low rates either direct or via St. Louis, with stopovers at St. Louis, Kansas City and Omaha.

Home visitors' excursions—Visit the old home back east. September 20 and 27 and October 11 half rates plus \$2 to Indiana and to many points in Ohio and Kentucky.

Nebraska Day at the St. Louis Exposition—Tuesday, October 25. All good Nebraskans should be there and help exploit the prosperity of our grand commonwealth.

What's in a Name?
Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co. of Chicago, discovered some years ago how to make a salve from Witch Hazel that is a specific for piles. For blind, bleeding, itching and protruding piles, eczema, cuts, burns, bruises and all skin diseases, DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. Sold by L. W. McConnell.

Sour Stomach.
When the quantity of food taken is too large or the quality too rich, sour stomach is likely to follow, and especially so if the digestion has been weakened by constipation. Eat slowly and not too freely of easily digested food. Masticate the food thoroughly. Let five hours elapse between meals, and when you feel a fullness and weight in the region of the stomach after eating, take Chamberlain's Stomach and Liver Tablets and the sour stomach may be avoided. For sale by all druggists.

Given Up to Die.
B. Spiegel, 1204 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured." Sold by A. McMillen.

8 Cents

Eight cents a pound is what a young woman paid for twelve pounds of flesh.

She was thin and weak and paid one dollar for a bottle of Scott's Emulsion, and by taking regular doses had gained twelve pounds in weight before the bottle was finished.

Eight cents a pound is cheap for such valuable material. Some pay more, some less, some get nothing for their money. You get your money's worth when you buy Scott's Emulsion.

We will send you a little free.

STARVED OUT.
Many a garrison has been forced to give up the fight and hang out the white flag of surrender, when lack of food has weakened the men past all power to continue the struggle.

Many a man is similarly starved out of business. His digestion is impaired. His food does not nourish him, and for lack of strength to carry on the struggle he turns his store over to another.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It restores strength to weak, nervous, run-down men and women.

"About ten years ago I began to be afflicted with stomach trouble, also diarrhoea," writes Mr. Wm. Walters, of Antrim, Mo. "In warm weather it grew worse, until I would throw me into a cramping chill. Was troubled so often that I sometimes thought my end had come. Tried many remedies, but they gave only temporary relief. In November, 1896, I bought Dr. Pierce's Golden Medical Discovery. I got six bottles and took five in succession, then thought I would wait for a time and take the one left. Soon found I had symptoms of the trouble coming back, so took the sixth bottle and it cured me. I have enjoyed the best of health this summer, and the credit all belongs to your 'Golden Medical Discovery.' I can't express my many thanks to Dr. Pierce for his remedy, for it did so much for me. Words cannot express how severely I suffered, and how glad I am to be able to address me, and I will take great pleasure in answering."

Dr. Pierce's Pleasant Pellets cleanse the bowels and stimulate the sluggish liver.

Fearful Odds Against Him.
Bedridden, alone and destitute. Such in brief was the condition of an old soldier by name of J. J. Havens, Versailles, O.

For years he was troubled with kidney disease and neither doctors nor medicines gave him relief. At length he tried Electric Bitters. It put him on his feet in short order and now he testifies: "I am on the road to complete recovery."

Best on earth for liver and kidney troubles and all forms of stomach and bowel complaints. Only 50c. Satisfaction guaranteed by L. W. McConnell, druggist.

Mary—Sponge the pimples with warm water. You need a blood tonic, would advise you to take Hollister's Rocky Mountain Tea. It drives away all eruptions. 35 cents. Tea or tablet form. L. W. McCONNELL.

Cured of Bright's Disease.
George A. Sherman, Lisbon Red Mills, Lawrence county, N. Y., writes: "I had kidney disease for many years and had been treated by physicians for twelve years; had taken a well known kidney medicine and other remedies that were recommended but got no relief until I began using Foley's Kidney Cure. The first half bottle relieved me and four bottles have cured me of this terrible disease. Before I began taking Foley's Kidney Cure I had to make water about every fifteen minutes, day and night, and passed a brick-dust substance, and sometimes a slimy substance. I believe I would have died if I had not taken Foley's Kidney Cure." Sold by A. McMillen.

What is Life?
In the last analysis nobody knows, but we do know that it is under strict law. Abuse the law even slightly, pain results. Irregular living means derangement of the organs, resulting in constipation, headache or liver trouble. Dr. King's New Life Pills quickly re-adjust this. It's gentle, yet thorough. Only 25c at L. W. McConnell's drug store.

Pictures taken every Tuesday, at Lebanon. They are always good. Before you decide on the size call and see those large 8 x 10 bust photos. We make the cabinet size in all the new mounts; also the old fashioned cabinets, to fit the album—at the Lebanon Art Studio.

John Adamson has the foundation laid for a new house, but decided to drill for water before building. He has not as yet struck a good well and may have to change his building site at the Powell and Nilsson ranch, above Danbury. All the buildings were put up before the well was put down, and after repeated failures, they put the well down about 300 yards from the house in the field.

I. W. Adkins and Mrs. Sarah Richmond were married at Alma, Thursday, September 22. They went to Orleans with the excursion crowd, hired a rig and went to Alma where they were quietly married. They returned to Orleans before they were missed by their companions, and have kept their marriage a secret until now. How the News man came to know of it is a mystery.—Danbury News.

D. F. Hupp and father are back from their visit to Denver and Leadville. There was quite an excitement while they were in Leadville; a company struck a rich vein of ore and leased the adjoining land, saying nothing of the find until after the papers were made over, then made public the fact that they had struck a vein worth \$120,000,000. A week ago Sunday while the Messrs. Hupp were there the city turned out in a body to see the mine. This was only one of two heavy finds during the last two weeks in Leadville.

An eleventh grade has been added and all of the tenth grade graduating class are taking up the eleventh grade work, with the exception of Aileen Guy, who is clerking in his father's store.... Some of the high school pupils are developing a capacity for deep thinking and reasoning.
